Muslim Women Online Anna Piela, 2013-06-17 While issues surrounding Muslim women are common in the international media the voices of Muslim women themselves are largely absent from media coverage and despite the rapidly increasing presence of Muslim women in online groups and discussions it is still a relatively unexplored topic This book examines Muslim women in transnational online groups and their views on education culture marriage sexuality work dress code race class and sisterhood Looking at both egalitarian and traditionalist Muslim women's views the author considers their interpretations of Islam and identifies a new category of holists who focus on developing the Islamic sisterhood Drawing on detailed analysis of online transcripts she highlights women's rhetorical techniques and the thorough knowledge of Islamic sources which they use to justify their points in online discussions She details how in the online context as opposed to offline interactions Muslim women are much more willing to cross boundaries between traditionalist and egalitarian interpretations of Islam and women's Islamic rights and responsibilities and to develop collaborative interpretations with supporters of different views Shedding light on a candid and forthright global community this book is an important contribution to the debate on women in Islam and as such will be of interest to scholars and students of Islamic studies gender studies media studies and the Middle East

Teaching Islamic Studies in the Age of ISIS, Islamophobia, and the Internet Kimberly Hall, Doaa Baumi, Manuela Ceballos, Benjamin Geer, Mouez Khalfaoui, Alfons H. Teipen, William Maynard Hutchins, Laila Hussein Moustafa, Nathan S. French, Todd Green, Sabahat F. Adil, Kecia Ali, Phil Dorroll, Lyndall Herman, Shehnaz Haqqani, 2019-01-24 A much needed volume and a must read for educators addressing a challenging topic in a challenging time Choice How can teachers introduce the subject of Islam when daily headlines and social media disinformation can prejudice students perception of the subject Should Islam be taught differently in secular universities than in colleges with a clear faith based mission What are strategies for discussing Islam and violence without perpetuating stereotypes The contributors of *Teaching Islamic Studies in the Age of ISIS Islamophobia and the Internet* address these challenges head on and consider approaches to Islamic studies pedagogy Islamophobia and violence and suggestions for how to structure courses These approaches acknowledge the particular challenges faced when teaching a topic that students might initially fear or distrust Speaking from their own experience they include examples of collaborative teaching models reading and media suggestions and ideas for group assignments that encourage deeper engagement and broader thinking The contributors also share personal struggles when confronted with students including Muslim students and parents who suspected the courses might have ulterior motives In an age of stereotypes and misrepresentations of Islam this book offers a range of means by which teachers can encourage students to thoughtfully engage with the topic of Islam Abundant and useful references Highly recommended Choice

Recent Trends in Social and Behaviour Sciences Ford Lumban Gaol,Seifedine Kadry,Marie Taylor,Pak Shen Li,2014-02-27 The human aspect plays an important role in the social sciences

The behaviour of people has become a vital area of focus in the social sciences as well. Recent Trends in Social and Behaviour Sciences contains papers that were originally presented at the International Congress on Interdisciplinary Behavior and Social Sciences held 4-5 November 2011. Muslims and Humour Schweizer, Bernard, Molokotos-Liederman, Lina, 2022-05-26. This thought provoking collection offers a multi disciplinary approach on the subject of humour. Muslims and Islam: Beginning with theoretical perspectives and scriptural guidance on permissible and restricted humour, the volume presents a variety of case studies about Muslim comedic practices in various cultural, political and religious contexts. This unprecedented scholarship sheds new light on common misconceptions about humour and laughter in Islam and deftly tackles sensitive themes from blasphemy to freedom of speech. Varieties of World Making Nathalie Karagiannis, Peter Wagner, 2007-01-01. Globalization has been the topic of heated debate in recent years with one side asserting that it will produce a better standard of living for people around the world and a fierce opposition arguing that it will ultimately lead to greater poverty and the destruction of unique human cultures. *Varieties of World Making* tackles the issue from a different angle proposing that the contemporary global network of business, politics and culture be viewed from the interdisciplinary perspective of world making. Drawn from the ranks of sociology, law, international relations, political philosophy and history, the distinguished contributors cut through polarized rhetoric to examine the current global situation. Their proposed diagnoses draw upon thoughtful analyses of various political dilemmas whose ripple effects are felt around the world, such as the volatile relationship between Islam and Europe or the legal foundations for a true international order absent in the shadows of imperialism. *Varieties of World Making* will be an essential resource for all those grappling with the complex consequences of globalization for the future. Media on the Move Daya Kishan Thussu, 2006-10-31. Transnational in perspectives and in themes. Provides extensive and up to date empirical data on media globalization as well as innovative theoretical perspectives from some of the leading figures in the field. Comprehensive analysis of the phenomenon of media contra flow. Multi media approach with case studies covering various genres of the media: news, cinema, television, drama, animation and on line media. Radical Origins Azeem Ibrahim, 2017-11-07. More than fifteen years ago after the War on Terror was declared, many in the West now feel less secure than ever before. Many security experts believe global jihad is on the rise throughout the West and yet these same experts do not know how to stop the rising tide. Military action abroad and police action at home have only attended to the symptoms of terrorism, not the cause. The root, according to Dr Ibrahim, is actually the extreme ideology of Wahhabism, the puritanical, reactionary, isolationist, xenophobic and bigoted sect of Sunni Islam that has been the ideological bedrock of the state of Saudi Arabia since its original rise in the eighteenth century. In his groundbreaking *Radical Origins*, Dr Ibrahim provides an accessible primer on radicalism, an understanding of jihadist history and a way forward, debunking misconceptions about Islam and this jihadist offshoot along the way. This remarkable work culminates in a powerful body of evidence about how to

contain reduce and stop the spread of radicalization once and for all **Violent Extremism Online** Anne Aly, Stuart Macdonald, Lee Jarvis, Thomas Chen, 2016-05-05 This book explores the interface between terrorism and the internet and presents contemporary approaches to understanding violent extremism online The volume focuses on four issues in particular terrorist propaganda on the internet radicalisation and the internet counter campaigns and approaches to disrupting internet radicalisation and approaches to researching and understanding the role of the internet in radicalisation The book brings together expertise from a wide range of disciplines and geographical regions including Europe the US Canada and Australia These contributions explore the various roles played by the Internet in radicalisation the reasons why terroristic propaganda may or may not influence others to engage in violence the role of political conflict in online radicalisation and the future of research into terrorism and the internet By covering this broad range of topics the volume will make an important and timely addition to the current collections on a growing and international subject This book will be of much interest to students and researchers of cyber security internet politics terrorism studies media and communications studies and International Relations *THE BASIC CONCEPTS OF SHARIAH* HASBOLLAH BIN MAT SAAD, 2020-05-07 By reading this book the readers should be able To understand the basic concepts of Shariah To understand the importance of Shariah and To analyse and examine the Shariah issues nowadays Hopefully the readers will gain benefits from this book and able to understand the Shariah principles clearly Radical Democracy and the Internet L. Dahlberg, E. Siapera, 2007-05-22 In this systematic and mutual interrogation of radical democratic theory and Internet practice contributors examine a range of democratic theories in relation to online communication and explore how such communication may advance democracy beyond what is conceptualized and practised within present liberal capitalist political contexts Routledge Handbook of Religion and Politics Jeffrey Haynes, 2016-01-13 From the United States to the Middle East Asia and Africa religion continues to be an important factor in political activity and organisation The second edition of this successful handbook provides the definitive global survey of the interaction of religion and politics Featuring contributions from an international team of experts it examines the political aspects of all the world's major religions including such crucial contemporary issues as religious fundamentalism terrorism the war on terror the clash of civilizations the Arab Spring and science and religion Each chapter has been updated to reflect the latest developments and thinking in the field and new chapters such as Postsecularism and international relations and Securitization and Secularization The two pillars of state regulation of European Islam have been added to ensure the book is a comprehensive and up to date resource Four main themes addressed include World religions and politics Religion and governance Religion and international relations Religion security and development References at the end of each chapter have been overhauled to guide the reader towards the most up to date information on various topics This book is an indispensable source of information for students academics and the wider public interested in the dynamic relationship between politics and religion *Terrorism and the Internet* Hans-Liudger
