The standard wisdom is that sales is art, rather than a science, which might be why so many great ideas have gone from the startup phase straight to the graveyard. Building the next hundred-million-dollar business requires building a sales team that can get the job done reliably, but, until now, there has been no predictable formula for achieving that goal. Now, a tested formula exists to turn sales from an art into a science, and it's presented in The Sales Acceleration Formula. When author Mark Roberge joined HubSpot, it was just another software startup with a big idea but no numbers to prove it would work. In only a few years, Mark took HubSpot past the \$100 million revenue mark using the strategy he outlines in The Sales Acceleration Formula. In a world glutted with consultants and thought leaders who have more personality than real knowledge, Mark's story is a significant one. This book contains practical wisdom from a practitioner who has actually overcome the biggest challenge businesses face in the early stages: scaling sales. The Sales
