The Uncrowned Champs Dave Steidel, 2015-11-24 Before the inception of the Super Bowl football's faceoff of the best teams to find out who is truly superior the two leagues AFL and NFL would each have their own championship game This bad blood stuck around until the merger of the leagues in 1966 Since beginning play in 1960 the American Football League had always taken a backseat to the National Football League It was considered a secondary league the best and most skilled players went to the more powerful NFL which had been around for nearly fifty years During the 1963 NFL season the Chicago Bears reigned supreme commanding every team that crossed their path But were they the best team in football If you asked the San Diego Chargers of the AFL that answer would be a resounding no The Uncrowned Champs follows the incredible season of the 63 Chargers as they transformed their roster from a 4-10 finish in 1962 to a conquering force that ripped through the AFL With a week to week breakdown Dave Steidel chronicles the team's innovative high scoring juggernaut offense and top rated defense that featured a fearsome foursome front line Unfortunately for football fans the Bears and Chargers never met on the field that year But thanks to new technology we are able to conduct a computer simulation of what would have been the first Super Bowl game and answer the fifty year old question of who was the best football team of 63 Featuring a foreword by Chargers Hall of Fame wide receiver Lance Alworth The Uncrowned Champs is a terrific look into the pre Super Bowl era when two rival leagues fought for dominance in the public's eye Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
