Once Upon A Mystery What Happens Next:

Once Upon a Time is Now Megan Bieseles, 2023-07-14 Fifty years after her first fieldwork with Ju hoan San hunter gatherers anthropologist Megan Bieseles has written this exceptional memoir based on personal journals she wrote at the time The treasure trove of vivid learning experiences and nightly ponderings she found has led to a memoir of rare value to anthropology students and academics as well as to general readers Her experiences focus on the long lived healing dance known to many as the trance dance and the intricate beliefs artistry and social system that support it She describes her immersion in a creative community enlivened and kept healthy by that dance which she calls one of the great intellectual achievements of humankind From the Preface A few years ago I finally got around to looking back into the box of personal field journals I had not opened for over forty years I found a treasure trove It was an overwhelming experience So much that I had forgotten came vividly alive I laughed wept and was terrified all over again at my temerity in taking on what I had taken on To do justice to the richness of these notebooks I realized I would have to do a completely different sort of writing from anything I had ever done before

Once Upon a Woman Emma Nwaneri, 2016-01-04 Middle aged Angelou Fanteni is unassuming unexpectant of favours from life and unmarried A painfully difficult past forced her to flee her native country many years in the past crossing half of a continent before ending up in modern day South Africa In the new nation stylishly known as Rainbow Nation Angelou rose above personal tragedy to emerge as a leading light in one of the countrys most respected ivory towers Resigned to a life of spinsterhood she suddenly unexpectedly finds herself discovering love again after having given up on such an indulgence Things move fast maybe too fast up to the point where Angelou is about to be married to a gifted admirable younger man Events however suddenly conspire yet again to bring her face to face with a past she thought she had buried for good This compelling story twists and turns and navigates through so much emotions drama and suspense before climaxing in earth shattering revelations that result in even more unbelievable consequences

Once Upon A Nightmare William F. Lee, 2010-04 Hunter Kerrigan a superbly skilled and highly decorated Force Recon Marine Officer and son of a former CIA Station Chief is aggressively recruited from the Corps to pursue a career in The Agency After training at The Farm in Virginia his first assignment is to find and terminate a former CIA agent and defector turned international assassin code name Pisces While tracking Pisces Hunter faces ambushes by covert agents from three foreign governments These attacks are peculiarly set up by his own agent runner sensuous Samantha McGee and her two high echelon CIA bosses While enmeshed in the hunt for Pisces three of Kerrigan s former lady friends are hideously murdered with no apparent connection other than he had dated them in the past The police in three US cities believe it s a serial killer however Hunter is convinced it s a means of revenge and is Pisces at his most evil Hunter continues his tenacious search and termination mission and while doing so becomes involved with a steamy Israeli Mossad operative Dvorah Closing on his target Hunter then discovers that Pisces is also the murderer of his father years before in London Further Dvorah is

assassinated for assisting him After tracking Pisces through San Francisco London Pisa and the Amalfi coast he finds the recurrently vanishing Pisces on the Isle of Capri under another alias and living with the widow of a man he murdered early on Here the mission comes to an end or does it And Pisces is terminated or is he **Entanglement: A True Story** Claire Thomas,2014 If you think having the devil snapping at your heels is scary it s nothing compared to finding God s calm presence at your back every time you stop to draw breath in your race to escape particularly for a determined agnostic like Claire Indeed His presence is so unnerving and unwelcome that it s not until her world crumbles to ashes that she finds the courage to stop running and turn toward Him Moderately psychic and a most earthbound mystic Claire has heard the voice of Thomas from the days of earliest childhood but has worked tirelessly for most of her adult life to shut it out or shout it down until she made that fateful decision Entanglement is the result of that choice It describes the pain of surviving the traumatic deaths of four beloved people finding the courage to walk away from abuse and oppression and facing the fear of being utterly alone in the world It also explains how confronting fear accepting loss and embracing the unknown and the mystical can create a life of enormous joy and enrichment It focuses on how having the courage to stay in the not knowing can be gloriously life affirming and on how human life on earth is vastly more mysterious than most of us dare to imagine

Washington D C to begin an internship in the White House press office After just three days on the job the privileged but sheltered young woman was presented to the President himself Almost immediately the two began an affair that would continue for the next eighteen months Emotionally unprepared to counter the President s charisma and power Mimi was also ill equipped to handle the feelings of isolation that would follow as she fell into the double life of a college student who was also the secret lover of the most powerful man in the world After the President s assassination in Dallas she grieved alone locked her secret away and tried to start a new life only to be blindsided by her past Now no longer defined by silence or shame Mimi Alford finally unburdens herself with this unflinchingly honest account of her life and her extremely private moments with a very public man This paperback edition includes a special Q A in which the author reflects on the intense media attention surrounding the book s initial release Once Upon a Secret is a moving story of a woman emerging from the shadows to reclaim the truth What Alford sacrificed in lucre she has more than recovered in credibility and dignity The Washington Times Compelling a polished voice telling a credible story you can take to the bank Seattle Post Intelligencer Explosive searingly candid New York Post *Once Upon a Galaxy* Jacqueline Harvey,2011-05-14 When you reach the twilight of your existence look back on your life and realize you have accomplished all your desires you have to share your fulfillment with the world your children your family your dearest friends and everyone who contributed to your well being If the saying Practice makes perfect goes I hope it applies to me This is my second attempt at writing a book a sequel to my first one I do not consider myself a literary writer far from it As a matter of fact in my school years not only couldnt I put two and two together but composition was my second weakest subject As English is not my mother language its a double challenge I have many times used dictionaries to prove my point At an early age playing with my dolls I would tell them all kinds of stories so you can say that I am more of a storyteller This is my fairy tale as close to the truth as can be told however to protect the anonymity of the characters their names have been changed Enjoy
