Daniel's Prophecies, Or, Voices from Babylon Joseph Augustus Seiss,1881 Daniel Reveals the Future Robert J. Wieland,2014 Daniel lived and worked at the political and administrative hub of tow successive world empires Babylon and

Medo Persia holding very high positions in both He was a man of impeccable character who became God's mouthpiece for the unveiling of a set of accurate prophecies concerning world history Through these prophecies Daniel was privileged to witness history in advance some made immediate sense to him some brought fear and anxiety to his heart while much was to be sealed till the time of the end Now with the help of Robert J Wieland we can understand Daniel's prophecies more clearly than ever before Book jacket

**Babylon and Infidelity Foredoomed of God** Edward Irving, 1826 **In and Around the Book of Daniel** Charles Boutflower, 1923 **Daniel** Gerhard Pfandl, 2004 **Babylon and Infidelity Foredoomed of God: a Discourse on the Prophecies of Daniel and the Apocalypse ...** Edward Irving, 1828 **Prophecies and Lessons in Daniel** Robert Page, 2019-09-03 Daniel was a captive in Babylon He served secular kings and by the power of God interpreted their dreams and visions some of which revealed Israel's future Daniel spent his entire life desiring to know what would happen to his people the children of Israel In response to his quest God revealed much to Daniel through dreams and visions of his own Prophecies and lessons in Daniel is a verse by verse commentary on the prophetic book of Daniel produced by the Lord's guidance during many years of prayerful study and developed from sermons and Bible lessons conducted no less than three times at Victory Baptist Church It includes historical context and secular history identified to show prophecies in Daniel that have already been fulfilled It also compares the prophecies in Daniel with relevant passages in both the Old and New Testaments including the Revelation of Jesus Christ [God's Man in Babylon: the Visions and Prophecies of Daniel](#) Harold Sevens, [The Prophecies of Daniel 2](#) John S. Evans, 2008-05 Although Daniel 2:45 states that the great statue composed of four metals and with feet of clay reveals the future relatively few biblical scholars have understood it as an amazingly accurate timeline that does exactly that Liberals have been unwilling to consider that the statue's fourth kingdom is Rome Most conservatives have recognized that it is Rome but they have gone astray by seeking a nonexistent link between that ancient empire and the modern world The key to understanding the statue is to recognize that it presents a prophecy that was fulfilled in the first century by the Coming of Christ which was the historical equivalent of the rock that destroys the statue The rock's growth into the mountain that covers all of Earth foretells a process that began in the first century and includes the thousand years of Revelation 20 This process appears to have reached a historical climax in our own time John S Evans is a retired professor of economics and international finance who taught at the University of Alabama from 1968 until 2000 after beginning his teaching career in 1959 at the University of South Dakota His professional accomplishments included a year in Mexico as a Fulbright Lecturer and the writing of a textbook on international financial management Since 1996 when he went into partial retirement his primary intellectual activity has consisted of the intensive study of the Bible with emphasis on the Book of Daniel In 2004 he published with Xulon Press *The Four Kingdoms of Daniel A Defense of the Roman Sequence with AD 70 Fulfillment* The present book expands on parts of *The Four Kingdoms* and offers much new material Evans has authored over thirty articles that have been posted at planetpreterist.com and has been a frequent guest

on John Anderson's *Voice of Reason*      *Incredible Prophecies from Ancient Babylon* James L. Hanley, 2011-10-07 How can an ancient book written over 2500 years ago be so accurate in predictive prophecy Both ancient and modern historians have tried to challenge the authorship and dating of the book of Daniel because they could not bring themselves to believe the prophetic accuracy Yet the book of Daniel was translated into the Greek Septuagint 250 years before Christ Detailed descriptions of the timing of Jesus' triumphal entry His death and the destruction of the Jewish Temple were predicted with exacting details While Daniel has much to say about the period from 600 B C until the fall of the temple in 70 A D his most incredible predictions are yet to come Daniel predicts the reestablishment of the modern nation of Israel an array of nations that are key players on the stage of history today Daniel foresees a coming king who will rule the world He will take control through subterfuge cunning and pure evil The world will fall at his feet Yet his kingdom will encounter opposition The book of Daniel ends like an adventure novel where the villain is on the verge of complete victory But he has not calculated that there is one person that has already assured his defeat      *The Prophecies of Daniel* L.L. Sadler, 1843      *Babylon and Infidelity Foredoomed of God* Edward Irving, 2004      *The Book of Daniel Unsealed* Calev Ben Avraham, 2011-02-23 Never before has the biblical book of Daniel been explained as by this author Thirty years of study and research This book explains the reason for wars the loss of the dominions by the great nations It explains the curse that hangs over the European royals if they marry with non-royals abdication of the throne fatal accidents divorce etc It explains the reason for the slaughter of six million Jews It explains why Hitler could not be killed by those who plotted to kill him The book of Daniel predicted the death of Alexander the Great of the Russian royals of Grace Kelly and the Princess Diana It also predicts the death of Prince William should he venture on a non-royal marriage It proves beyond a shadow of a doubt that the royals of Europe are the last to be on the thrones of Europe and that in their days the kingdom of God is to be re-established in the Holy Land A fascinating book and a must read for all Bible researchers and scholars
