One Last Kiss Affair Without End Book 1:

The Flanagan Sisters (Books 1-4) Omnibus Claire Boston, 2017-06-06 The Flanagan Sisters is a sexy contemporary romance series which follows Bridget Carly Zita and Sean as they fall in love. Containing a workplace romance, a billionaire romance with a twist, a hero who must confront his preconceptions, and a fish who is definitely out of water, this series has something for everyone.

Book 1: Break the Rules Bridget Flanagan knows how to assess risks but are the consequences of exposing her heart too dangerous? Bridget has a passion for safety and in the world of oil refineries that makes her great at her job. So when her big promotion goes to someone else, she heads out on the town to forget her troubles. Jack Gibbs seems like the perfect man to distract her. At least until Monday morning when she discovers Jack is her new boss. There's no way she's going to keep seeing him no matter the connection between them. She's been burned before. Jack can't understand why Bridget's so against their relationship. They positively sizzled during their one night together. He knows he has to be careful now she reports to him but she tempts him in every way. Can Jack convince Bridget to give him a chance or is the risk too high?

Book 2: Change of Heart Software billionaire Carly Flanagan has an abundance of everything except time. With everyone wanting a piece of her or more accurately her money, she spends her days trying to live up to her company's motto of Community Sharing Support. Having always been so focused on responsibility, success, and supporting those less fortunate than her, Carly's forgotten to consider what she wants for herself in life until she meets Evan. Evan Hayes is an artist and free spirit and when they meet at a local art exhibition, he is immediately intrigued by Carly. He sees through her public persona, realizing she is not the person she portrays. Evan's the type of man who doesn't have a lot but is perfectly comfortable with who he is. A man who knows what he wants and he wants Carly. Carly is sure Evan wants something else from her. Everyone does. All Evan is asking is the chance to get to know her but will Carly let him in? Or will a lifetime of protecting herself prove too hard to overcome?

Book 3: Blaze a Trail They're from the opposite ends of town but they're worlds apart. Zita Flanagan wants more. She wants to help more Central American refugees and make more of an impact. But her family comes first and fulfilling her own dreams seems impossible. David Randall leads a privileged life and knows nothing about refugee issues. When he meets dynamic, sexy Zita, it seems like the perfect opportunity to learn Zita's passion for helping those less fortunate and her selfless devotion to the girls her mother fosters brings David's life sharply into perspective. Zita soon realizes that David is so much more than a rich boy. She begins to trust him with her foster sisters' stories and her own hopes and dreams. But when David's father announces he's running for governor and the focus of his campaign is the refugee problem, Zita has grave concerns for her sisters' safety. Then David's betrayal exposes secrets and it becomes a race against time to save lives. Can David convince Zita to trust him again or will his mistake put the life of the woman he loves in jeopardy?

Book 4: Place to Belong Sean Flanagan has spent a lifetime alone and rejected, constantly hiding who he really is. With a father who deserted him and a mother who despised him, Sean didn't think things could get much worse until he was kicked out of home for being

gay Now he s discovered he has three half sisters on the other side of the world This might be his last chance to find people who will love and accept him But he s terrified that if they find out who he really is then they ll reject him like the rest of his family Sean arrives in Houston and is stunned by the warm welcome he receives from his sisters He begins to hope that maybe this time things will be different That s when he meets Hayden Johnson To follow his heart means risking everything with his newfound family Hayden is tired of endless dating He s looking for a man to love someone to spend the rest of his life with His boss s new brother ticks all the boxes on the attraction scale but there s just one problem he s not gay Will Sean let his fears rule him or will he let in the chance of love and find a place where he belongs *A History of The Male Nurse* Kevin Hargreaves,2019 Nursing until the 1960s and 1970s was seen as a female profession it is only in recent years that men in any number have entered this perceived female bastion It is generally thought or assumed that it has always been women who have been the only nurses through the centuries However with even the most cursory glance at the literature available or even on the Internet it is soon realised that this is not the case It is impossible to talk about or discuss trained nurses per se when there was no actual recognised training available in any shape or form Again it is a general assumption that historically the only trained nurses were female This certainly was not the case but nursing was seen up to quite recently as a job for women mainly because of the social and cultural norms **Golden Days for Boys and Girls ,1893** **Lords in Disguise Books 1-3: The Footman is an Earl, Duke Looks Like a Groomsman, The Marquess Who Loved Me** Valerie Bowman,2022-12-07 In this delightful box set an earl a duke and a marquess make a spontaneous bet that they can pass as servants at the most exclusive house party of the season but they don t count on finding love Book One The Footman is an Earl Every fortune hunting female in London is after the newly titled Earl of Kendall but he s intent on finding a wife whose heart is true So while drunkenly jesting with his friends in a pub one night he has an idea what if the ladies of the ton didn t know he was a wealthy earl All he has to do is pose as a servant at his friend s summer country house party and make sure the guest list is full of beautiful eligible debutantes What could possibly go wrong Book Two Duke Looks Like a Groomsman Rhys Sheffield the Duke of Worthington has bet his friends an ungodly sum of money that despite his loftiness he can pass himself off as a servant at the house party of the Season But when his clever ex flame arrives and recognizes Rhys in the stables pretending to be a groomsman she realizes it s the perfect opportunity to pay him back for breaking off their engagement Book Three The Marquess Who Loved Me All of London knows Beau Bellham as the Marquess of Bellingham but only a trusted few know he also works for the Home Office His specialty Scouting out traitors to the Crown So when one of his friends pretends to be a footman at a house party in order to find a wife Beau decides posing as a valet at the same gathering will be the perfect cover for him to spy on the men he suspects of treason What Beau doesn t count on however is butting heads with a far too certain of herself maid who gives him hell at every turn **Letters** Edward John Trelawny,1910 **Letters of Edward John Trelawny** Edward John Trelawny,1910 The Saturday Review of Politics, Literature,
