## **Oneness Embraced Reconciliation The Kingdom And How We Are Stronger Together:**

**Oneness Embraced** Tony Evans, 2015-09-24 Oneness is hard to achieve Let the kingdom unity of Scripture point the way Today s world is torn apart Tension is everywhere Brother is pitted against brother sister against sister citizen against citizen even Christian against Christian It s so hard to find agreement much less real harmony in our polarized society Can there be a way forward Tony Evans knows how elusive unity can be As a black man who s also a leader in white evangelicalism he understands how hard it can be to bring these worlds together Yet he s convinced that the gospel provides a way for Christians to find oneness despite the things that divide us In the Word of God we find a kingdom based approach to matters of history culture the church and social justice In this book you ll get A Biblical Look at Oneness A Historical View of the Black Church A Kingdom Vision for Societal Impact Although oneness is hard to achieve the Christian must never stop striving It s a kingdom imperative As Tony reminds us Glorifying God is our ultimate goal Oneness exists to enable us to reach our goal

**One Blood** John Perkins, 2018-04-03 Dr Perkins final manifesto on race faith and reconciliation We are living in historic times Not since the civil rights movement of the 60s has our country been this vigorously engaged in the reconciliation conversation There is a great opportunity right now for culture to change but it cannot be done without the church The church is the heart and moral compass of a nation To turn a country away from God you must sideline the church To turn a nation to God the church must turn first Racism won t end in America until the church is reconciled first Then and only then can it spiritually and morally lead the way In this his crowning work Dr Perkins speaks honestly to the church about reconciliation discipleship and justice and what it really takes to live out biblical reconciliation

### **Kingdom Race Theology**

Tony Evans, 2022-01-04 The 2020 murder of George Floyd ignited a racial firestorm throughout America provoking lament and grief over a long history of tragedy The widespread protests gave way to a heated discussion about terms such as systemic racism white privilege and Critical Race Theory all framed by the slogan black lives matter The beginnings of a helpful dialogue on diversity became a heated battle one that quickly spread to the church Drawing on forty years of ministry experience Tony Evans writes with a fearless and prophetic voice probing to the heart of the issue and pointing to God s Word as the solution Kingdom Race Theology helps people and churches commit to restitution reconciliation and responsibility His penetrating and practical ideas will help pastors and church leaders sort through the conflicting theories finding sensible solutions in the form of individual and collective action plans Christians can work together across racial lines to repair the damage done by a long history of racial injustice

**Woke Church** Eric Mason, 2018-10-02 Between the Christianity of this land and the Christianity of Christ I recognize the widest possible difference Frederick Douglass 1845 The prophets of old were not easy to listen to because they did not flatter They did not cajole They spoke hard words that often chafed and unsettled their listeners Like the Old Testament prophets and more recent prophetic voices like Frederick Douglass Dr Eric Mason calls the evangelical church to a much needed reckoning In a time when many feel confused

complacent or even angry he challenges the church to Be Aware to understand that the issue of justice is not a black issue it is a kingdom issue To learn how the history of racism in America and in the church has tainted our witness to a watching world Be Redemptive to grieve and lament what we have lost and to regain our prophetic voice calling the church to remember our gospel imperative to promote justice and mercy Be Active to move beyond polite safe conversations about reconciliation and begin to set things aright for our soon coming King who will be looking for a WOKE CHURCH

**Know Own Change** Josh Clemons, Hazen Stevens, 2022-05-03 Before you can do what's right you have to see what's right When it comes to racial reconciliation we often ask Where do we go from here But the real question is Why are we still here In other words until we've seen the problem of racism correctly its history current effects and root causes we aren't equipped to head in the right direction No one will have the vision to foster real change But take hope Restoring our spiritual sight is exactly what Jesus came to achieve In Know Own Change Josh Clemons and Hazen Stevens one white one black and both brothers in Christ invite you to start the journey toward racial reconciliation and justice They set a tone that emerges from spiritual kinship in Christ Every page seeks to honor Him pointing believers back to Jesus as the one who is reconciling all things to himself
