**Secrecy and Methods in Security Research** Marieke De Goede, Esmé Bosma, Polly Pallister-Wilkins, 2019-08-13 This book analyses the challenges of secrecy in security research and develops a set of methods to navigate encircle and work with secrecy How can researchers navigate secrecy in their fieldwork when they encounter confidential material closed off quarters or bureaucratic rebuffs This is a particular challenge for researchers in the security field which is by nature secretive and difficult to access This book creatively assesses and analyses the ways in which secrets operate in security research The collection sets out new understandings of secrecy and shows how secrecy itself can be made productive to research analysis It offers students PhD researchers and senior scholars a rich toolkit of methods and best practice examples for ethically appropriate ways of navigating secrecy It pays attention to the balance between confidentiality and academic freedom and integrity The chapters draw on the rich qualitative fieldwork experiences of the contributors who did research at a diversity of sites for example at a former atomic weapons research facility inside deportation units in conflict zones in everyday security landscapes in virtual spaces and at borders bureaucracies and banks The book will be of interest to students of research methods critical security studies and International Relations in general The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

**The Handbook of Knowledge-Based Policing** Tom Williamson, 2008-04-30 Recent trends within community policing suggest that the next generation of community policing will be more knowledge based involving a shift toward a problem oriented and strategic use of information as a basis for management and better use of police resources The Handbook of Knowledge Based Policing examines how knowledge based policing can improve the effectiveness equity and efficiency of community policing With contributions from a mix of academics and practitioners this volume Critically evaluates the effectiveness of community policing in seven countries Discusses intelligence led policing and the emergence of knowledge based policing Examines the impact knowledge based policing will have on policing initiatives Discussions are set firmly within the context of current debates on risk and the risk society the broadening or narrowing of the police role the importance of networks and governance and regulation This comprehensive collection identifies the factors that will shape the next generation of Community Policing It is a must have resource for researchers and students of policing policy makers and police officers It will also be of interest to the growing number of people actively involved in crime and disorder partnerships

**Handbook of Criminal Investigation** Tim Newburn, Tom Williamson, Alan Wright, 2012-08-21 This book provides the most comprehensive and authoritative book yet published on the subject of criminal investigation a rapidly developing area within the police and other law enforcement agencies and an important sub discipline within police studies The subject is rarely out of the headlines and there is widespread media interest in criminal investigation Within the police rapid strides are being made in the direction of professionalizing the criminal investigation process and it has been a

particular focus as a means of improving police performance A number of important reports have been published in the last few years highlighting the importance of the criminal investigation process not only to the work of the police but to public confidence in this Each of these reports has identified shortcomings in the way criminal investigations have been conducted and has made recommendations for improvement The Handbook of Criminal Investigation provides a rigorous and critical approach to not only the process of criminal investigation but also the context in which this takes place the theory underlying it and the variety of factors which influence approaches to it It will be an indispensable source of reference for anybody with an interest in and needing to know about criminal investigation Contributors to the book are drawn from both practitioners in the field and academics

**The Rise of Comparative Policing** Jacques de Maillard, Sebastian Roché, 2021-08-26 This book argues that policing should be studied in a truly comparative manner as a way of identifying more accurately the diverse features of police organisations and the trends which affect contemporary policing Studying policing comparatively is also a way to develop more sophisticated theories on the relations between police state and society aiming at higher degree of generalization In particular broadening the empirical basis often limited to Western countries favours the formulation of more encompassing theories The comparative analysis then is used to refine meso or macro theories on various aspects of policing The book covers the challenges of comparative research in diverse areas of policing studies with innovative tools and approaches to allow for the development of that subfield of policing It is a significant new contribution to policing studies and will be a great resource for academics researchers and advanced students of Public Policy Sociology Political Science and Law The chapters in this book were originally published in Policing and Society

Corporate Investigations, Corporate Justice and Public-Private Relations Clarissa A. Meerts, 2019-08-26 This book seeks to understand the investigation and settlement of employer employee disputes within companies It argues that there is effectively no democratic knowledge about or control over corporate security due to companies preference for private out of court settlements when faced with norm violations raised by employees This book fills the knowledge gap by providing an overview of the corporate security sector including legal frameworks and an analysis of the role and powers of private investigative services inhouse security forensic accountants and forensic legal investigators It draws on close observation case studies and interviews with practitioners in and around the industry Corporate Investigations Corporate Justice and Public Private Relations also looks at public private relationships in this sector to propose policy remedies applicable to all corporate security providers regardless of the disparate professional backgrounds and skill sets of their staff

*Transnational and Comparative Criminology* James Sheptycki, Ali Wardak, 2012-09-10 This book examines the issues of crime and its control in the twenty first century an era of human history where people live in an increasingly interconnected and interdependent world providing invaluable and first hand readings for undergraduate and postgraduate students

**In Search of Security** Law Commission of Canada, 2006

The Institutional Dynamics of Culture, Volumes I and II Perri Six, 2018-12-20 These two volumes present the most

important recent developments in the institutional theory of culture and demonstrate their practical applications Sometimes called grid group analysis or cultural theory they derive from the work of Durkheim in the 1880s and 1900s and develop the insights of the anthropologist Mary Douglas and her followers from the 1960s on First redefined within social and cultural anthropology the theory's influence is shown in recent years to have permeated all the main disciplines of social science with substantial implications for politics history business work and organizations the environment technology and risk and crime and consumption Today the institutional theory of culture now rivals the rational choice Weberian and postmodern outlooks in influence across the social sciences

*Intelligence in an Insecure World* Peter Gill, Mark Phythian, 2006-08-29 What exactly is intelligence Who seeks to develop it and how What happens to the intelligence that is produced This book explores these and other key questions while examining the limits of intelligence intelligence failures and the relationship between intelligence and processes of public and private governance The book closes with a consideration of the need for democratic control of intelligence to prevent potential abuse by unaccountable state or corporate agencies

*Sociological Abstracts* Leo P. Chall, 2004 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

**Policing** Shearing Cliffo, Clifford Shearing, Michael Kempa, 2015-01-31 Policing draws upon a review of recent literature and ongoing research pertaining to innovations in policing particularly in North America the United Kingdom Southern Africa South America and Australia It explores conceptions institutions and technologies for policing in the Anglo American world since the early twentieth century Policing is a social invention that is undergoing enormous challenges and changes The authors trace these changes and the challenges that have prompted them especially those that have taken place since the mid twentieth century They also address the theoretical and practical governance debates within a global context and will attract a readership beyond those with a particular interest in policing

*Policing* Clifford D. Shearing, Michael Kempa, 2015-01-31 Policing draws upon a review of recent literature and ongoing research pertaining to innovations in policing particularly in North America the United Kingdom Southern Africa South America and Australia It explores conceptions institutions and technologies for policing in the Anglo American world since the early twentieth century Policing is a social invention that is undergoing enormous challenges and changes The authors trace these changes and the challenges that have prompted them especially those that have taken place since the mid twentieth century They also address the theoretical and practical governance debates within a global context and will attract a readership beyond those with a particular interest in policing

**The Policing of Flows** Anthony Amicelle, Karine Cote-Boucher, Benoît Dupont, Massimiliano Mulone, Clifford Shearing, Samuel Tanner, 2020-05-21 Rectifying the fact that little criminological attention has been paid to the notion that the security of flows increasingly embodies concerns at the heart of contemporary

policing practices this book makes a significant contribution to knowledge about the policing and security governance of flows The book focuses on how the growing centrality of flows affects both contemporary risks and the policing organisations in charge of managing them The contributors analyse flows such as event security border controls and migration the movement of animal parts security related intelligence and organisational flows The emerging criminology of these as well as flows of money information and numerous commodities from pharmaceuticals to minerals or malicious software is leading to critical advances in the understanding of the changing harm landscapes and the practices that have developed to manage them Taken as a whole the book opens up the conversation and encourages the invention of new conceptual theoretical and methodological tools to help criminology tackle and better understand the mobile world in which we live This book was originally published as a special issue of *Global Crime*

**The New Structure of Policing** David H. Bayley, 2001 A Criminology of Policing and Security Frontiers Randy K Lippert, Kevin Walby, 2020-08-12 Policing and security provision are subjects central to criminology Yet there are newer and neglected forms that are currently unscrutinised By examining the work of community safety officers ambassador patrols conservation officers and private police foundations who operate on and are animated by a frontier this book reveals why criminological inquiry must reach beyond traditional conceptual and methodological boundaries in the 21st century Including novel case studies this multi disciplinary and international book assembles a rich collection of policing and security frontiers both geographical e g the margins of cities and conceptual dispersion and credentialism not seen or acknowledged previously Policing and Security in Practice T. Prenzler, 2012-04-05 This volume addresses critical questions about how to achieve the best outcomes from police and security providers by reviewing and critiquing the scientific literature and identifying best practice guidelines Chapters cover a range of topical issues including legitimacy organised crime public protests and intelligence and investigations *Fighting Crime Together* Jenny Fleming, Jennifer Wood, Jennifer Dawn Wood, 2006 Whether they want to or not police are increasingly having to work with and through many local national and international partnerships This edited collection explores the development of policing and security networks It looks at ways in which police can develop new strategies for integrating the knowledge capacities and resources of different security providers and assesses the challenges associated with such a venture *Governing Security* Les Johnston, Clifford D Shearing, 2017 This book will be of interest to students and academics working in the fields of governance and politics criminology and policing and justice and security studies
