Strengthen Democracy? Stephen Coleman,2017-05-11 From its inception as a public communication network the Internet was regarded by many people as a potential means of escaping from the stranglehold of top down stage managed politics If hundreds of millions of people could be the producers as well as receivers of political messages could that invigorate democracy If political elites fail to respond to such energy where will it leave them In this short book internationally renowned scholar of political communication Stephen Coleman argues that the best way to strengthen democracy is to reinvent it for the twenty first century Governments and global institutions have failed to seize the opportunity to democratise their ways of operating but online citizens are ahead of them developing practices that could revolutionise the exercise of political power **Gender and Media** Tonny Krijnen,Sofie Van Bauwel,2015-06-19 Why do some TV genres have the label feminine or masculine Why do we worry about boys playing video games too much while girls play just as often Is the TV show Sex and the City empowering or not Why are recent television shows like Desperate Housewives post feminist television Gender and Media explores these and other complex questions by offering a critical overview of the contemporary debates and discussions surrounding gender and mediated communication and by providing student s with an overview of the current academic research on these topics The book is divided into three parts representing producing and consuming with each section made up of three chapters The first chapter of each section attempts to answer the most basic questions Who is represented Who produces what and Who consumes what The second chapter of each section draws attention to the complexity of the relationship between gender and media concentrating on the why The third and final chapter of each section addresses the latest debates in the fields of media and gender adding a vital layer of understanding of the topic at hand This process is aided by text boxes which provide some additional information on the most important concepts and topics and exercises which help bridge the gap between theory and everyday life media practices This will be an ideal textbook for students studying gender and media and for general courses on gender studies sociology cultural studies and women s studies **The SAGE Handbook of Intellectual Property** Matthew David,Debora Halbert,2014-11-18 This Handbook brings together scholars from around the world in addressing the global significance of controversies over and

alternatives to intellectual property IP today It brings together over fifty of the leading authors in this field across the spectrum of academic disciplines from law economics geography sociology politics and anthropology This volume addresses the full spectrum of IP issues including copyright patent trademarks and trade secrets as well as parallel rights and novel applications In addition to addressing the role of IP in an increasingly information based and globalized economy and culture it also challenges the utility and viability of IP today and addresses a range of alternative futures Digital Media, Social Media, Immersive Media Mr. Rohit Manglik,2023-11-23 Exploration of evolving digital media tools and their immersive capabilities

The Play of Language in Ancient Greek Comedy Kostas Apostolakis, Ioannis M. Konstantakos,2024-05-06 Ancient Greek comedy relied primarily on its text and words for the fulfilment of its humorous effects and aesthetic goals In the wake of a rich tradition of previous scholarship this volume explores a variety of linguistic materials and stylistic artifices exploited by the Greek comic poets from vocabulary and figures of speech metaphors similes rhyme to types of joke obscenity and the mechanisms of parody Most of the chapters focus on Aristophanes and Old Comedy which offers the richest arsenal of such techniques but the less ploughed fields of Middle and New Comedy are also explored Emphasis is placed on practical criticism and textual readings on the examination of particular artifices of speech and the analysis of individual passages The main purpose is to highlight the use of language for the achievement of the aesthetic artistic and intellectual purposes of ancient comedy in particular for the generation of humour and comic effect the delineation of characters the transmission of ideological messages and the construction of poetic meaning The volume will be useful to scholars of ancient drama linguists students of humour and scholars of Classical literature in general The Courts of Philip II and Alexander the Great Frances Pownall, Sulochana R. Asirvatham, Sabine Müller,2022-01-19 Recent scholarship has recognized that Philip II and Alexander the Great adopted elements of their self fashioning and court ceremonial from previous empires in the Ancient Near East but it is generally assumed that the advent of the Macedonian court as a locus of politics and culture occurred only in the post Alexander landscape of the Hellenistic Successors This volume of ground breaking essays by leading scholars on Ancient Macedonia goes beyond existing research questions to assess the profound impact of Philip and Alexander on court culture throughout the ages The papers in this volume offer a thematic approach focusing upon key institutional cultural social ideological and iconographical aspects of the reigns of Philip and Alexander The authors treat the Macedonian court not only as a historical reality but also as an object of fascination to contemporary Greeks that ultimately became a topos in later reflections on the lives and careers of Philip and Alexander This collection of papers provides a paradigm shifting recognition of the seminal roles of Philip and Alexander in the emergence of a new kind of Macedonian kingship and court culture that was spectacularly successful and transformative

Everyday Media Culture in Africa Wendy Willems, Winston Mano,2016-11-10 African audiences and users are rapidly gaining in importance and increasingly targeted by global media companies social media platforms and mobile phone operators This is the first edited volume that addresses the everyday

lived experiences of Africans in their interaction with different kinds of media old and new state and private elite and popular global and national material and virtual So far the bulk of academic research on media and communication in Africa has studied media through the lens of media state relations thereby adopting liberal democracy as the normative ideal and examining the potential contribution of African media to development and democratization Focusing instead on everyday media culture in a range of African countries this volume contributes to the broader project of provincializing and decolonizing audience and internet studies

Humanism, Drama, and Performance Hana Worthen, 2020-10-13 This book examines the appropriation of theatre and theatrical performance by ideologies of humanism in terms that continue to echo across the related disciplines of literary drama theatre and performance history and studies today From Aristotle onward theatre has been regulated by three strains of critical poesis the literary segregating theatre and the practices of the spectacular from the humanizing work attributed to the book and to the internality of reading the dramatic approving the address of theatrical performance only to the extent that it instrumentalizes literary value and the theatrical assimilating performance to the conjunction of literary and liberal values These values have been used to figure not only the work of theatre but also the propriety of the audience as a figure for its socializing work along a privileged dualism from the aestheticized ensemble harmonizing actor character and spectator to the essentialized drama to the politicized assembly theatre understood as an agonistic gathering

Indigenous Language for Development Communication in the Global South Tshepang Bright Molale, Abiodun Salawu, Mohammad Sahid Ullah, Enrique Uribe-Jongbloed, 2022-11-23 Indigenous Language for Development Communication in the Global South brings together voices from the margins in underrepresented regions of

the Global South within the context of scholarship focusing on indigenous languages and development communication Contributors present cases as a starting point for further research and discussions about indigenous language and development communication in Latin America Africa and Asia Scholars of communication sociology linguistics and development studies will find this book of particular interest *Fridays of Rage* Sam Cherribi, 2017-02-01 *Fridays of Rage* reveals Al Jazeera's rise to that most respected of all Western media positions the watchdog of democracy Al Jazeera served as the nursery for the Arab world's democratic revolutions promoting Friday as a day of rage and popular protest This book provides a glimpse into how Al Jazeera strategically cast its journalists as martyrs in the struggle for Arab freedom while promoting itself as the mouthpiece and advocate of the Arab public In addition to heralding a new era of Arab democracy Al Jazeera has become a major influence over Arab perceptions of American involvement in the Arab World the Arab Israeli conflict the rise of global Islamic fundamentalism and the expansion of the political far right Al Jazeera's blueprint for Muslim democracy was part of a vision announced by the network during its earliest broadcasts The network embarked upon a mission to reconstruct the Arab mindset and psyche Al Jazeera introduced exiled Islamist leaders to the larger Arab public while also providing Muslim feminists a platform The inclusion and consideration of Westerners Israelis Hamas secularists and others earned the network a reputation for pluralism and inclusiveness Al Jazeera presented a mirror to an Arab world afraid to examine itself and its democratic deficiencies But rather than assuming that Al Jazeera is a monolithic force for positive transformation in Arab society *Fridays of Rage* examines the potentially dark implications of Al Jazeera's radical re conceptualization of media as a strategic tool or weapon As a powerful and rapidly evolving source of global influence Al Jazeera embodies many paradoxes the manifestations and effects of which we are likely only now becoming apparent *Fridays of Rage* guides readers through this murky territory where journalists are martyrs words are weapons and facts are bullets
