to explain some of the basic concepts of America things that the schools are not allowed to teach nowadays Basic things like what is the idea of America What makes this country unique in the history of the world Where does money come from and who decides how much each country gets We hear about everyone s Constitutional Rights but what are they Why would anyone in their right mind want to destroy the Constitution the one document that guarantees our protections against a tyrannical government What is socialism at least today s version of it Can socialism really work long term in America What is the cost of socialism What is the socialist agenda What is the conservative agenda These are things that all Americans need to understand well what we have and what we stand to lose America is at a critical point right now What we do in the 2020 elections will not only determine what kind of life we will have but also what kind of life our children and grandchildren and their children will have and we need to be keenly aware of that Will they live free or will they live as subjects under an all controlling government We need to consider that very carefully because your freedom is like your life once you give it up you won t get it back We all need to be well informed with the truth before we make decisions that will have irreversible consequences for the future generations of Americans We have the right to throw away our own freedoms if we so choose We do not have the right to throw away theirs And it s not just about the 2020 elections It won t end there The fight to keep socialist forces from taking away Americans freedom will go on until either they win or we defeat them There can be no compromise between freedom and slavery It s one or the other There is no middle ground

Experiencing Trauma Institute **Snowstorms and Androgyne** , **Bright Eyes** Bridey Thelen-Heidel, 2024-09-24 Fans of Jennette McCurdy's *I'm Glad My Mom Died* will root for Bridey Thelen Heidel as she struggles to unshackle herself from her mother's chaos in this triumphant debut memoir. Bridey is tethered to her mother's addiction to dangerous men who park their Harley Davidsons in the house and kick holes in all their doors. Raised to be her mother's keeper, rescuer, and punching bag, Bridey gets used to stuffing her life into black trash bags, hauling them between Alaska and California, and changing schools every time her mother moves in a new monster or runs away from one. Desperately seeking the normal life she's observed in sitcoms and her friends' families, Bridey earns her way into a fancy private college where she tries to forget who she is until her mother calls with a threat that drops Bridey to her knees. Watching doctors and police interrogate her mother at the hospital, Bridey realizes her mother has become a monster herself, and she doesn't want to be saved. But Bridey does. **Bright Eyes** is about the indomitable spirit of a young girl forced to be brave, required to be resilient, and conditioned to be optimistic, and how she ultimately uses the same traits that helped her to survive her mother's chaos to create her own happily ever after.

Hillybilly Drug Baby: The Story Andrea Brunais, 2018-12-01 Jesse Ray Lewis 19 enters a West Virginia safe house with few possessions beyond the kerchiefs that identify him as a gang member. An aged-out foster child, he lands in Bluefield where a charity gives him food. What follows is the personal dramatic story of two people who intervene in the life of a homeless drug-abusing teen with a background of violence and neglect. In their next-door suite, called the safe house, they impose three rules: No alcohol or drugs. You have to work. You have to go to school. Jesse Ray expresses gratitude for shelter and a middle-aged couple concerned with his welfare. But what does he want? The couple struggles to determine his true motives, especially after he admits being high on meth at their first meeting. At night, he writes verse reflecting trauma and violence, shame, and love, even despair. Author Andrea Brunais sees more than just a street-smart boy who can write. She sees a soul who can be saved from a downward spiral. But will Jesse Ray accept the help of strangers as glimmers of hope expressed in his writings suggest? Will the couple succeed in steering him toward a new life? And how will the ordeal transform everyone?
