

The background of the cover is a light tan color with a repeating pattern of small, faint, sepia-toned sketches. These sketches depict various human figures in different states of physical disability or using prosthetic devices. Some figures are seated in chairs, some are standing with canes, some are using crutches, and some appear to be using mechanical limbs or other assistive devices. The sketches are arranged in a way that they seem to be part of a larger, continuous scene, though they are small and repetitive.
