Jerome McCarthy, 2013-04-16 Built on a strong foundation Basic Marketing 18e with ConnectPlus and LearnSmart provides an integrated teaching and learning solution for presenting the four Ps framework and managerial orientation with a strategy planning focus The Perreault franchise was the pioneer of the four Ps in the introductory marketing course The unifying focus of Basic Marketing has always been on how to make marketing decisions in deciding what customers to focus on and how best to meet their needs Consistent with our belief in continuous quality improvement this edition has been critically revised updated and rewritten to reflect new concepts new examples recent best practices and to tightly integrate the best digital tools in the industry for ensuring that students are prepared to engage in classroom lectures and pursue future business and marketing careers Ebook: Biology BROOKER, 2014-09-16 Ebook Biology **Teaching Music Appreciation Online** Bethanie L. Hansen, 2020 In this book readers will learn practical tips and strategies to teach music appreciation online As online education is a growing field an increasing number of teachers trained in traditional live methods find themselves now teaching online and potentially without mentors to assist them Students are also changing seeking highly engaged relevant and interactive learning opportunities that connect to their lives Here readers will find helpful guidance in planning curriculum integrating multimedia assets designing forum discussions developing assignments preparing rubrics engaging in forum discussions preparing managing and teaching the course providing feedback and grading and following up with struggling and challenging students The book can serve as a resource

to those already teaching music appreciation online or as a comprehensive guide to those new to the field. Additionally, it may serve as a resource to instructors in other disciplines who seek to shift live courses to the online format as well as music appreciation instructors who would like to integrate digital or online components into traditional face-to-face courses. The book is organized into five major sections designed to guide the novice online educator in depth while also appealing to the seasoned veteran through the ability to review each section as a stand-alone resource. Although some readers will desire to read from cover to cover, they will also be able to move in a non-linear manner from chapter to chapter using chapters in modular form in order to benefit from the sections that most apply to them at any given time.

**EBOOK: Biology** Peter Raven, George Johnson, Kenneth Mason, Jonathan Losos, Susan Singer, 2013-02-16. Committed to Excellence in the Landmark Tenth Edition. This edition continues the evolution of Raven Johnson's Biology. The author team is committed to continually improving the text, keeping the student and learning foremost. We have integrated new pedagogical features to expand the student's learning process and enhance their experience in the ebook. This latest edition of the text maintains the clear, accessible, and engaging writing style of past editions with the solid framework of pedagogy that highlights an emphasis on evolution and scientific inquiry that have made this a leading textbook for students majoring in biology and have been enhanced in this landmark Tenth edition. This emphasis on the organizing power of evolution is combined with an integration of the importance of cellular, molecular biology, and genomics to offer our readers a text that is student-friendly and current. Our author team is committed to producing the best possible text for both student and faculty. The lead author, Kenneth Mason, University of Iowa, has taught majors biology at three different major public universities for more than fifteen years. Jonathan Losos, Harvard University, is at the cutting edge of evolutionary biology research, and Susan Singer, Carleton College, has been involved in science education policy issues on a national level.
