The Amateur Entertainer Crest Trading Company, New York,1904 **Good Grief** Thomas Michael Johnson,2020-07-29 At age twelve author Thomas Michael Johnson faced the death of a great grandparent he was close to as a child That trauma left him with an irrational fear of losing loved ones By the time he married and became a father the fear of death living within him was incapacitating and debilitating often causing difficulties in his personal and professional life Seeking freedom from this terror Johnson began to understand the difference between joy and happiness he was delivered

from the fear some six weeks before his wife's untimely demise. After nearly nineteen years of marriage, he woke to find his beloved wife had passed away while he slept. He suddenly became a single parent of three sons, ages seventeen, thirteen, and twelve, struggling through the typical single parent issues with an added layer of grief. Johnson's middle son's autism added to the challenges. In *Good Grief*, Johnson shares an account of the trepidation he lived through as a young man, his freedom from the fear of death before his wife died, and the two years following her death. This memoir focuses on the lessons he learned from God, directly from scripture and from the tight knit group of family and friends God had given him. Raw and authentic, Johnson chronicles a story of his experience as a grieving widower, a single father, and a broken child of God who had no choice but to ask for help from those surrounding him while trying to restore joy in his home. **Forgiven** Garrett Leigh, 2021-01-25

High School Sweethearts Mia and Luke get a second chance at love in this brand new contemporary romance from award-winning author Garrett Leigh. When Mia Amour returns to England to open a florist shop, all she wants to do is put her lousy ex behind her and never look back. But getting a fresh start is easier said than done when her first love, the boy who once broke her teenage heart, strolls back into her life. He's every bit as sexy as she remembers, and the urge to melt back into his arms almost makes her forget how devastated she was when he took off without a word. Almost. Left with no choice, Luke Daley did what he had to do, leaving town to earn enough money to save his broken family, though it just about broke him too. But now he's back, running his uncle's business and trying desperately to forget about Mia, the girl he left behind all those years ago. When he runs into her in town, the shock of seeing her again brings an intense rush of emotions: love, guilt, and an overwhelming urge to find out if it's still as amazing between them as it used to be. It doesn't take either of them long to give in to desire and discover the fiery passion they once shared, burns hotter than ever. With each new touch, each moment of forgiveness, old hurts heal, and the future they'd hoped for ten years ago becomes possible again. But their fragile connection is tested by a threat neither of them saw coming, a threat that could end their second chance before it even gets started. *Forgiven* Book 1 *Forgiven* Book 2 *Unforgotten* **The Bulletin - Southern New England Telephone**
