Naked Island Russell Braddon:

The Naked Island Russell Braddon, 1981 *Papers of Russell Braddon* Russell Braddon, 1943 Letters 1943 1953 including those written by Braddon to his mother during imprisonment in Changi newspaper clippings from 1949 to 1995 relating to Braddon's career as an author newspaper clippings of reviews for Braddon's *You'll never get off this island* 1960 typescript of Braddon's *The taming of the shrew* 1966 bound copy for his mother of a typescript draft of Braddon's *Out of the storm*

The Naked Island Russell Braddon, 1981 *Prisoners of the Japanese* Roger Bourke, 2006 Between December 1941 and May 1942 the Japanese army took more than 130 000 allied prisoners of war more than a quarter did not survive their imprisonment Here Bourke analyses the major novels and films of the prisoners of war experience under the Japanese and uncovers the extent to which these fictions have influenced our beliefs [Singapore and the Thailand-Burma Railway](#)

Lt. Colonel Alfred Knights, 2013-01-14 This book presents one of the most vivid descriptions of day to day life in a Japanese POW labour camp to have appeared so far The story follows the experiences of the Norfolk Territorial Regiment from 1942 to 1945 under the command of Lt Col Knights during and after the fall of Singapore Many will recollect having seen the film *The Bridge on The River Kwai* It tended to fictionalise certain matters of fact This book drawn directly from a memoir only recently uncovered reveals that the Japanese designed railway was successfully completed with the forced labour of Allied troops in conjunction with Chinese and Malay captives The Royal Norfolks were allocated a section of the line which required excavating deep cuttings in the rock hills parallel with the river They had their own camp with a Japanese officer in charge He constantly pressed for quicker progress and for work to be done by all the prisoners including those in the camp hospital and their officers contrary to international law The Regiment's experiences are reported by Lt Col Knights in his book He gives details of his own and others sufferings both those inflicted by their captors and those occurring from tropical diseases and insects all being worsened by a lack of medicines and food Some of the local Thais at great risk to themselves provided a little of both of those commodities After the railway was completed the survivors were marched back into Thailand There they were required to dig a deep ditch round their camp It was suspected that this would be their grave when they were shot if the Japanese decided that they had lost the war Fortunately the two atomic bombs resulted in the Japanese Emperor himself announcing their surrender forestalling that action The final chapters of the book are filled with excitement and tension in the efforts of the British officers to hoodwink their captors

On The War-path Peter Pierce, Robin Gerster, 2016-10-18 This important anthology reveals the many ways in which going to war has formed a cultural bridge between Australia and the world From the Sudan in 1885 to Afghanistan in 2001 the connection of war to travel is illustrated in the observations of writers as varied as Banjo Paterson George Johnston Nancy Wake John Pilger Lily Brett and Peter Weir Selecting writings from combatants abroad as well as the reflections of sightseers who travel to foreign battlefields and war sites Robin Gerster and Peter Pierce reveal how the experience of war has both broadened and refined and sometimes

distorted Australian views of the world Their lively collection crosses the boundaries between literature literary criticism travel writing war writing and cultural commentary **Prisoners of War, Prisoners of Peace** Barbara Hately-Broad,2005-02-01 Millions of servicemen of the belligerent powers were taken prisoner during World War II Until recently the popular image of these men has been framed by tales of heroic escape or immense suffering at the hands of malevolent captors For the vast majority however the reality was very different Their history both during and after the War has largely been ignored in the grand narratives of the conflict This collection brings together new scholarship largely based on sources from previously unavailable Eastern European or Japanese archives Authors highlight a number of important comparatives Whereas for the British and Americans held by the Germans and Japanese the end of the war meant a swift repatriation and demobilization for the Germans it heralded the beginning of an imprisonment that for some lasted until 1956 These and many more moving stories are revealed here for the first time *Eleven Months in Malaya* R. W. Holder,2005

Facing North Volume 1 David Goldsworthy,2012-11-27 Facing North is the first substantial history of Australia's relations with Asia since Federation Volume 1 chronicles Australian Asian relations from 1901 to the 1970s and Volume 2 in preparation will carry the story through the last decades of the century just ended Both make extensive use of official government sources and of the private collections of ministers and public servants Debate about engagement with Asia is not a recent phenomenon Ever since Federation Australians in public life have expressed diverse views on our foreign policy and on areas with major domestic consequences such as immigration In this volume Australia faces up to many changes in Asia Japan an expanding military power during the 1930s becomes an economic partner during the 1950s The Pacific war and decolonisation open Australia's regional horizons and the Vietnam war necessitates active engagement with Southeast Asia Failure to recognise China during the 1950s and 1960s shifts after 1972 to a vigorous search for relationship Other key developments include the initiation of the Colombo Plan in the 1950s and gradual abolition in the 1960s and 1970s of the White Australia Policy The story is not a simple one of smoothly evolving engagement The challenges presented by Asian realities have evoked complex responses which this history analyses and clarifies It explains the major changes in official Australian policies towards Asia together with the broader cultural challenges Facing North tells us what was done in the past and why It is essential reading for anyone who wants to better understand Australia's present relations with Asian countries and our future choices Tragic Orphans Carl Vadivella Belle,2016-05-13 In 1938 noting that the bulk of the Indian population formed a landless proletariat and despairing of the ability of the factionalized Indian community to unite in pursuit of common objectives activist K A Neelakanda Ayer forecast that the fate of Indians in Malaya would be to become a tragic orphanage of whom India has forgotten and Malaya looks down upon with contempt Ayer's words continue to resonate as a minority group in a nation dominated politically by colonially derived narratives of race and ethnicity and riven by the imperatives of religion the general trajectory of the economically and politically impotent Indian community has

been one of increasing irrelevance This book explores the history of the modern Indian presence in Malaysia and traces the vital role played by the Indian community in the construction of contemporary Malaysia In this comprehensive new study Carl Vadivella Belle offers fresh insights on the Indian experience spanning the period from the colonial recruitment of Indian labour to the post Merdeka political economic and social marginalization of Indians While recent Indian challenges to the political status quo a regime described as that of a benign neglect promoted Indian hopes of reform change and uplift the author concludes that the dictates of political discourse permeated by the ideologies of communalism offer limited prospects for meaningful change

The Heroes of Rimau Lynette Silver,1991-10-01 On September 11 1944 the British submarine Porpoise slipped quietly from Fremantle Harbour bound for Indonesia It was carrying the 23 Australian and British members of Operation Rimau who under the leadership of the remarkable Lieutenant Colonel Ivan Lyon of the Gordon Highlanders intended to repeat the successful Jaywick raid of 1943 by blowing up 60 ships in Japanese occupied Singapore Harbour 19 days later the preliminary part of the operation successfully completed the submarine commander bade farewell to the raiders at Pedjantan Island promising to return to pick them up in 38 days time A handful of Chinese and Malays and the conquering Japanese were the only people ever to see the 23 men again According to the scant official post war record the mission was an utter failure All of the party were captured or killed ten of them beheaded in Singapore only five weeks before the Japanese surrender in it was claimed a ceremonial execution The fate of eleven of the others remains officially unknown After a 31 year search Major Tom Hall with the assistance of writer Lynette Silver has overturned the official version and uncovered the truth Aided by thousands of Japanese and Allied documents and by the first hand accounts of several Indonesians and Malays sole witnesses to the events of 1944 they have established the fate of every member of the party and unravelled the story of The Heroes of Rimau a story that has for 45 years been all but lost distorted by hearsay and fantasy by military cover ups and conspiracy by official bungling ineptitude and apathy This book not only chronicles a feat of extraordinary daring in the face of overwhelming odds a gripping tale of inspired courage self sacrifice and eventual tragedy it also exposes the appalling sequence of events which has until now resulted in the shameful suppression of the truth about one of the most amazing stories to emerge from World War II

The Changi Book Lachlan Grant,2015-08-01 The story of Changi told by those who lived through it In the tradition of The Anzac Book comes this fascinating collection of accounts of life in the notorious Changi prison camp Changi is synonymous with suffering hardship and the Australian prisoner of war experience in WWII It is also a story of ingenuity resourcefulness and survival Containing essays cartoons paintings and photographs created by prisoners of war The Changi Book provides a unique view of the camp life saving medical innovation machinery and tools created from spare parts and scrap black market dealings sport and gambling theatre productions and the creation of a library and university Seventy years after its planned publication material for The Changi Book was rediscovered in the Australian War Memorial archives It appears here for the first time along with insights from the Memorial s experts A moving insiders account of life in Changi Peter FitzSimons A fresh perspective on Changi illuminating stories from the inside Les Carlyon

Historical Dictionary of Singapore Justin Corfield,2010-12-02 In spite of Singapore s small size it has long had a major impact on the world because of its geographical location and its wealth The British initially

made the island a major port for the shipping of goods and later as an airline hub for the region. These factors along with a steady government have helped to contribute to the country's affluence. This multicultural, multiracial, and multi-religious island nation is the envy of many countries in the world which have tried to emulate the economic success of Singapore. The new edition of the Historical Dictionary of Singapore has been completely rewritten since the first edition was released 20 years ago. It relates the history of this country through a chronology, an introductory essay, an expansive bibliography, and over 500 cross-referenced dictionary entries on significant persons, events, places, organizations, and other aspects of Singapore history from the earliest times to the present. *Tom Stoppard* Hermione Lee, 2021. This is a Borzoi book published by Alfred A Knopf.

Australians Thomas Keneally, 2017-11-14. The third volume of Thomas Keneally's history of the Australian people. *Australians: Flappers to Vietnam* chronicles the lives and deeds of Australians both known and unknown during the 20th century. Entering an age of consumerism, media, and communism, Australia underwent radical change in the hands of two less-remembered prime ministers: the stoic Stanley Melbourne Bruce of the Melbourne Establishment and the humbler Irishman Jim Scullin of the Labor Party. Keneally examines the Great Crash, the rise of fascism, the reasons why Australia entered the Second World War through the massive unemployment that arrived later in the century. With a compassionate lens and rich storytelling, *Flappers to Vietnam* presents history in a fresh and vivid way.

The Pacific War Christina Twomey, Ernest Koh, 2014-09-15. The Pacific War is an umbrella term that refers collectively to a disparate set of wars; however, this book presents a strong case for considering this assemblage of conflicts as a collective singular war. It highlights the genuine thematic commonalities in the legacies of war that cohere across the Asia Pacific and shows how the wars, both individually and collectively, wrought dramatic change to the geo-political makeup of the region. This book discusses the cultural, political, and social implications of the Pacific War and engages with debates over the war's impact, legacies, and continuing cultural resonances. Crucially, it examines the meanings and significance of the Second World War from a truly international perspective, and the contributors present fascinating case studies that highlight the myriad of localised idiosyncrasies in how the Pacific War has been remembered and deployed in political contexts. The chapters trace the shared legacy that the individual wars had on demographics, culture, and mobility across the Asia Pacific and demonstrate how, in the aftermath of the war, political borders were transformed and new nation states emerged. The book also considers racial and sexual tensions which accompanied the arrival of both Allied and Axis personnel and their long-lasting consequences, as well as the impact of returning veterans and the war crime trials that followed the conflict had on societies in the region. In doing so, it succeeds in illuminating the events and issues that unfolded in the weeks, months, and indeed decades after the war. This interdisciplinary volume examines the aftermaths and legacies of war for individuals, communities, and institutions across South, Southeast, and East Asia, Oceania, and the Pacific world. As such, it will be welcomed by students and scholars of Asian history, modern history, and cultural history, as well as by those interested in issues of memory and

commemoration **Emperor's Irish Slaves** Robert Widders,2011-11-30 Sister Mary Cooper died in a Japanese prison camp on June 26 1943 from the combined effects of starvation brutality and tropical diseases Timothy Kenneally and Patrick Fitzgerald tried to escape from a slave labor camp on the Burma Railway They were caught tortured crucified and then executed on March 27 1943 Patrick Carberry spent the summer of 1943 cremating the emaciated corpses of his comrades who had died from cholera These people had two things in common they were Irish citizens serving with the British armed forces and they were amongst more than 650 Irishmen and women who became prisoners of the Imperial Japanese Army in 1942 Nearly a quarter of them were murdered whilst in Japanese captivity this is their story Combining historical narrative with first hand accounts of the conditions in Japanese POW camps Robert Widders brings to light their suffering and the strength that saw them home again
