For teachers, the main points of interest are Part Two and Three, where a plethora of contemporary texts both from Britain and the US are given a literary analysis, which is followed by detailed task-based lesson plans. Part Two focuses on multiculturalism, one of the seminal issues of our time. Part Three tackles gender, another highly topical theme which students are naturally interested in. Well-known authors like the British Asian writer Hanif Kureish and the Indian American novelist Jhumpa Lahiri feature in the chapter on multiculturalism; the gender question is represented by Carol Ann Duffy, the current Poet Laureate, and Caryl Churchill, the main representative of feminist drama. [Indian Writings in English](#) Binod Mishra, Sanjay Kumar, 2006 Since its inception in the 19th century, Indian writing in English has coruscated worldwide, and the English works of Indian authors have been highly appreciated even by the people of English-speaking nations, not remaining confined to the restricted gamut of themes and style of olden days. Indian writing in English has made its dent in myriad human concerns at the hands of a great number of Indian writers. In the present anthology, a sincere attempt has been made to provide an in-depth study of the works of reputed Indian authors like Bhabani Bhattacharya, Amitabh Ghosh, Shashi Tharoor, Raj Kamal Jha, Arundhati Roy, Jhumpa Lahiri, Shobha De, Manju Kapur, Anita Nair, to name but a few, aiming at encouraging variegated opinions without conforming to fixed and rigorous critical canons. The anthology not only focuses on novels but also on the other forms of literature that are brilliant evocations of historical, philosophical, and social issues of great importance. It also traverses through psychological and subliminal issues. Contributors to the present anthology have explored the varied aspects of literary works of the noted and award-winning writers, besides analysing critically and impartially the question of equal rights for women raised by the eminent Indian writers in their works. It is hoped that Indian writings in English would prove indispensable for the students of English literature and would even appeal to those interested in the English works of Indian writers. It will undoubtedly enkindle in readers an avid interest towards their works and also help them sharpen their critical understanding with its ample food for thought. **Teaching**
