Surviving Trauma: Healing the Child Within Christina Hoffert, 2023-10-24 In Surviving Trauma Healing the Child Within the author takes readers on a deeply personal and courageous journey of self discovery and recovery The book opens with a raw and honest reflection on the hesitations and self doubt that often accompany the idea of sharing one's experiences of trauma mental health struggles and personal growth The author grapples with questions like Am I cured enough to tell people I have survived the traumas of my past and Will people label me a hypocrite or a phony The narrative unfolds as the author embarks on a profound exploration of their own struggles with PTSD major depression addiction eating disorders anxiety homelessness incarceration domestic violence and more These experiences have been learned the hard way through pain and suffering The author dispels the myth that there is a magic solution to life's problems and shares the realization that they will never be perfect nor will life be without challenges The heart of this book lies in the belief that one's experiences

and the lessons learned from them can be valuable to those who are currently battling their own demons The author discovers that their own journey while filled with pain and darkness can serve as a beacon of hope for others who have endured trauma and its aftermath Throughout the narrative the author provides insights and guidance for those who are struggling offering tools for healing and personal growth One of the central suggestions the author offers is journaling They emphasize its importance for several reasons Firstly it allows individuals to release overwhelming emotions and thoughts without concern for grammar or coherence Journaling serves as a safe space to express the myriad feelings and fears that may be consuming one's mind Additionally it provides a means of processing these emotions When revisiting journal entries later individuals can identify irrational thoughts and replace them with a more accurate perspective The act of journaling also serves as a way to track personal progress over time Readers are encouraged to go back and review earlier entries allowing them to see how their thinking has evolved and improved By doing this the author demonstrates how their own journals from previous years were much more negative and self defeating illustrating the power of self reflection and growth Lastly journaling can reveal patterns and triggers that may not have been consciously recognized The author shares a personal example of discovering that anxiety attacks correlated with the week before their menstrual cycle Such revelations can help readers better understand the factors that contribute to their emotional well being Each chapter concludes with a healing journaling exercise providing readers with practical tools to aid in their own healing journey The author strongly encourages journaling as a daily practice or as a resource to turn to during moments of overwhelming depression or anxiety Through heartfelt and candid storytelling this book offers hope and inspiration to those grappling with trauma and mental health challenges reminding them that they are not alone in their struggles and that healing is possible **What is**

Alcoholics Anonymous? Kingdom Therefore whether you are here for sin addiction loss brokenness burnout needing a fresh move of God in your life or to find healing for the pains of the past or for your damaged emotions the Word of God promises that this freedom is available to all of His children And yet how many people do you know who are truly walking in this promised freedom ASAP Recovery Building on the Right Foundation addresses this disconnect between promise and experience by firmly reestablishing three foundational truths that the church has always believed but forgotten somewhere along the way All of the Bible is Inspired or written by God 2 Timothy 3 16 17 All of the Bible is Inerrant or without errors Psalm 18 30 All of the Bible is Infallible or incapable of failing to deliver on any of the things it says it will Isaiah 55 11 The reason these three foundational truth claims should matter to those in the church and especially to those of us in the recovery community is If you don't believe the first claim that God wrote the Book then you will never believe the second claim that it is without errors And if you never believe this second claim then you will never trust in nor experience for yourself the victory that the Word of God offers you over any and all addictions and willful sin in its third claim to be infallible By the end of this book you will know beyond a reasonable doubt that the Bible is the very words of God Himself and therefore above reproach thus establishing it as the only foundation to build our life and recovery on Furthermore you will also find that no matter who you are where you've been what you've done or how far gone you may be this book was written to take both the addicted and defeated Christian alike down the same path of Scripture until they arrive at their destination and heart's desire freedom

ABOUT THE AUTHOR Having lost everything Chuck Chapman came to know Christ while in jail in 2007 Today he is the founder and director of ASAP Recovery Inc a faith based recovery program for those seeking cure over maintenance for any addiction or life controlling issue He is also the Pastor of Recovery Community Church in Covington KY Chuck has a major burden for biblical truth as well as the lost especially those who are bound by addiction He is a graduate of Teen Challenge International of Southwest Florida having overcome his own demons of addiction After rehab Chuck went on to acquire a Bachelor's Degree in Bible and Theology from God's Bible School College in Cincinnati Ohio He is also an ordained pastor in the Church of the Nazarene Chuck is the author of ASAP Recovery Tearing Out the Old Foundation and It Is Written A Field Guide to Spiritual Warfare He has now been sober and working with people in recovery and the church for over sixteen years His partner in ministry is his supportive wife Lisa They are currently in the process of writing the third book in the ASAP Recovery series

The Subjectivity Of Participation M. Nissen, 2012-02-17 What is a we a collective and how can we use such communal self knowledge to help people This book is about collectivity participation and subjectivity and about the social theories that may help us understand these matters It also seeks to learn from the innovative practices and ideas of a community of social youth workers in Copenhagen between 1987 and 2003 who developed a pedagogy through creating collectives and mobilizing young people as participants The theoretical and practical traditions are combined in a unique methodology viewing research as a contentious modeling of prototypical practices Through this dialogue it develops an

original trans disciplinary critical theory and practice of collective subjectivity for which the ongoing construction and overcoming of common sense or ideology is central It also points to ways of relating discourse with agency and fertilizing insights from interactionism and ideology theories in a cultural historical framework
