GIVES THE
MORAL TO THE
STORY

The two-roomed house is built of round timber, slabs and stringy-bark and floored with split slabs. Bush all round-bush with no horizon, for the country is flat. The drover, an ex-squatter, is away with sheep. His wife and children are left here alone.

Four ragged, dried-up looking children are playing about the house. Suddenly one of them yells 'Snake! Mother, here's a snake!'

It is near sunset, and she knows the snake is there. She makes up beds for the children and sits down beside them to keep watch all night.

She has an eye on the corner and a green sapling club ready by her side. Alligator, the dog, lies nearby.

It must be one or two o'clock in the morning. The bush woman watches and listens, thinking about her life alone whilst her husband is gone.

It must be near daylight now. The hairs on Alligator's neck begin to bristle. Between a crack in the slabs an evil pair of small, bead-like eyes glisten. The snake-a black one-comes slowly out.

Alligator springs. He has the snake now. Thud, thud as the woman strikes at the snake. The dog shakes and shakes the black snake. The snake's back is broken. Thud, thud its head is crushed.

She lifts the mangled reptile and throws it on the fire. The eldest boy watches it burn and looks at his mother, seeing tears in her eyes.

He throws his arms around her and exclaims, 'Mother, I won't never go droving; blarst me if I do!'
