Addiction Recovery and Resilience Townsend Price-Spratlen, 2022-02-01 We live in an era of substance misuse colliding with public health shortcomings Consequences of mass incarceration and other racial disparities of the drug war are felt acutely in the neighborhoods and communities least equipped to deal with them More than 600 000 people are released from US prisons each year nearly two thirds of returning citizens have a substance use disorder SUD and have limited access to treatment Even among the general public only one in ten people with SUD receive any type of specialty treatment Community organizations make important contributions to improve access and help to heal these societal fractures

Using a social ecology of resilience model Addiction Recovery and Resilience is a yearslong ethnographic case study of a faith based health organization with a focus on long term recovery It explores the organization s triumphs and missteps as it has worked to respond to the opioid crisis and improve the health of affiliates and the neighborhood for nearly twenty years Addiction Recovery and Resilience concludes with best practices for individual organizational and community health and public policy at a time when nontraditional health care providers are increasingly important Preaching to Empty Seats Dr. C. Dexter Wise III,2015-08-31 An epidemic of empty seats has broken out in churches all across America It has infected storefront churches on side streets mainstream churches on Main Street and megaministries sprawling across suburban campuses on multiple streets Every Sunday virtually everywhere in the United States preachers are forced to stand in the pulpit and preach to empty seats What has caused this situation and how can it be changed In this study author C Dexter Wise III addresses the issue of declining church attendance first by identifying nine key contributors to it examining what these factors are and how they generate empty seats He then goes on to offer more than one hundred concrete practical steps that local churches can take to fill those empty seats with people on fire for the Lord revolutionizing their entire ministries With this guidance which focuses on the contribution of both preachers and congregations countless loss souls may flow into churches full of the Word the spirit and the power of God This guide explores the reasons that churches in the United States are facing declines in attendance and offers more than one hundred practical ways to fill these empty seats again *Go and Preach* Rev. Justin M. Steward,2020 Jesus has called all His followers to participate in two great assignments to preach the Gospel evangelism and to teach the nations discipleship and maturity In this book the author points out that Christians often emphasize one or the other but Christ wants us to be about the business of both Practical instruction is given on how to be a better witness for Jesus and an onward vision to maturity is humbly presented A need for evangelism and the truths of eternal judgment are presented with great balance clarity and empathy If you have a love for God and a love for people this book will help to equip you to serve our Lord Jesus Christ in this generation You will be challenged strengthened and blessed as you read it Rev John Heyer from the Foreword *Trail of Fire* Daniel K. Norris,2016-06-07 With compelling page turning stories never before heard some from the library of late evangelist Steve Hill Trail of Fire describes moments in history when people encountered God and went on to transform their communities A fresh revival is coming Daniel Norris engages readers with themes and foundational principles related to revival Each chapter reads like a novel rather than a historical treatise and provides action steps that readers can implement to cultivate and sustain revival in their lives and spheres of influence Now is the time for those who hunger for renewal in their spiritual lives and are tired of the dull dry routine of religious motion to boldly seek God for a revival in their land The National Sunday School Teacher ,1876 **The National Teacher-training Institute Text-books: Child study for Sunday-school teachers** Hugh Thomas Musselman,1908 *One More Sunday* John D. Church of the Believer where devout workers operate state of the art computer equipment to process the thousands of dollars that pour in daily and where hundreds of prayers are offered by armies of believers Roy Owens arrives there after his journalist wife disappears while doing an expos on the Eternal Church of the Believer Embroiled in a desperate search for her it is not long before he uncovers a multimillion dollar organization that hides the vices and human failings of the people behind the church

The book of Malachi 3 1 presents words that tells of My messenger and he shall prepare the way before Me Here Jesus was working with His church that would prepare them to recognize His coming when He should be born of a virgin Malachi received this vital truth from the Lord hundreds of years prior longer than America had begun forming as a nation Malachi faithfully shared the burden of truth the Lord had given him saying I have loved you Yet ye say wherein hast thou loved us Was not Esau Jacob s brother Saith the Lord of host yet I loved Jacob and I hated Esau and laid his heritage waste Whereas Edom saith Esau s descendants We are impoverished but we will return and build the desolate places thus saith the Lord of host They shall build but I will throw down and they shall call them The border of wickedness and The people against whom the Lord hath indignation for ever Malachi 1 1 4 This reveals the hatred Heaven harbors for all that is wicked Esau clung to his wicked ways while Jacob manifested a life allowing his Father in heaven to bring him up in the admonition of the Lord Heaven works in the atmosphere of truth Truth applied to the heart cuts deep This is necessary for the heart is deceitful above all things and desperately wicked who can know it Jeremiah 17 9 It can truthfully be said that Jesus knew the heart of Peter also that of Judas Each did precisely what was said of them This is our reality Only our Father in heaven knows what wickedness is lurking in our heart as it waits for an opportunity to do or say what we adamantly deny that which is definitely possible Personal relationships take time to establish It is no different with the one on one Jesus desires to have with those who have experienced wickedness lurking in a heart professing great righteousness Each of these articles found in this book covers topics that are meant for spiritual growth in learning the truth as it is in Jesus *National Message and Banner*
