5,000 Awesome Facts (about Everything!) 2 National Geographic Kids, 2014 Provides five thousand facts about everything from water parks and hair to manners and fossils

Politics for the Love of Fandom Ashley Hinck, 2019-03-13 Politics for the Love of Fandom examines what Ashley Hinck calls fan based citizenship civic action that blends with and arises from participation in fandom and commitment to a fan object Examining cases like Harry Potter fans fighting for fair trade YouTube fans donating money to charity and football fans volunteering to mentor local youth Hinck argues that fan based citizenship has created new civic practices wherein popular culture may play as large a role in generating social action as traditional political institutions such as the Democratic Party or the Catholic Church In an increasingly digital world individuals can easily move among many institutions and groups They can choose from more people and organizations than ever to inspire their civic actions even the fandom for children s book series Harry Potter can become a foundation for involvement in political life and social activism Hinck explores this new kind of engagement and its implications for politics and citizenships through case studies that encompass fandoms for sports YouTube channels movies and even toys She considers the ways in which fan based social engagement arises organically from fan communities seeking to change their world as a group as well as the methods creators use to leverage their fans to take social action The modern shift to networked fluid communities Hinck argues opens up opportunities for public participation that occurs outside of political parties houses of worship and organizations for social action Fan based citizenship performances help us understand the future possibilities of public engagement as fans and

creators alike tie the ethical frameworks of fan objects to desired social goal such as volunteering for political candidates mentoring at risk youth and promoting environmentally friendly policy Politics for the Love of Fandom examines the communication at the center of these civic actions exploring how fans nonprofits and media companies manage to connect internet based fandom with public issues Understanding Digital Marketing Damian Ryan,2014-06-03 The world of digital media is changing at a phenomenal pace Constantly evolving technologies are transforming not just how we access our information but how we interact and communicate with one another on a global scale Understanding Digital Marketing is a practical no nonsense guide to web marketing the rules of new media and researching the new generation of digital consumers Clear informative and entertaining it covers key topics such as search marketing social media Google mobile marketing affiliate marketing email marketing performance marketing customer engagement and digital marketing strategies One of the best selling books in the industry this third edition of Understanding Digital Marketing has been thoroughly revised with more information on core areas such as search analytics online PR and content marketing Complete with in depth insider accounts of digital marketing successes from brands including Harley Davidson Help for Heroes MercadoLibre and the UEFA Europa League it remains one of the most comprehensive yet easy to read books on digital marketing available The Marketer and is therefore essential reading for both practitioners and students alike
