Mothers and Food: Negotiating Foodways from Maternal Perspectives Pasche Florence Guignard,2016-03-01 From multidisciplinary perspectives this volume explores the roles mothers play in the producing purchasing preparing and serving of food to their own families and to their communities in a variety of contexts By examining cultural representations of the relationships between feeding and parenting in diverse media and situations these contributions highlight the tensions in which mothers get entangled They show mothers agency or lack thereof in negotiating the environmental material and economic reality of their feeding care work while upholding other ideals of taste nutrition health and fitness shaped by cultural norms The

contributors to *Mothers and Food* go beyond the normative discourses of health and nutrition experts and beyond the idealistic images that are part of marketing strategies. They explore what really drives mothers to maintain or change their family's foodways for better or for worse, paying a particular attention to how this shapes their maternal identity. Questioning the motto according to which people are what they eat, the chapters in this volume show that mothers cannot be categorized simply by how they feed themselves and their family.

What Mothers Say about Special Education J. Valle, 2009-03-16
This book is an alternative account of special education from the cross generational perspective of 15 mothers whose children labelled learning disabled LD attended public schools during the last four decades. *Encyclopedia of Motherhood* Andrea O'Reilly, 2010-04-06
In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry. A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable. The first ever on the topic, this *Encyclopedia of Motherhood* helps to both demarcate motherhood as a scholarly field and an academic discipline and to direct its future development. With more than 700 entries, these three volumes provide information on the central terms, concepts, topics, issues, themes, debates, theories, and texts of this new discipline. Further, the encyclopedia examines the topic of motherhood in various contexts such as history and geography and by academic discipline. **Key Features:** Provides an overview of the topic of motherhood in many and diverse disciplines such as anthropology, sociology, psychology, and philosophy. Examines the meaning and experience of motherhood in many time periods from classic civilizations to present day. Includes an entry for all the influential theorists of maternal scholarship from the pioneering theories to the more recent writings. Covers issues and events of our current times including entries on the mommy blog, the motherhood memoir, terrorism, reproductive technologies, HIV/AIDS, and LGBT families. Explores geographical, cultural, and ethnic diversity with an entry for almost every country in the world as well as entries on lesbian immigrant, adoptive, single, nonresidential, young, poor mothers, and mothers with disabilities. **Key Themes:** History of Motherhood, Issues in Motherhood, Motherhood and Family, Motherhood and Health, Motherhood and Society, Motherhood Around the World, Motherhood in the United States, Motherhood Studies, Prominent Mothers. In human society, few institutions are as important as motherhood, and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference. The scope of the *Encyclopedia of Motherhood* is focused on providing a comprehensive resource to understanding the complexities of motherhood for academic and public libraries, written by scholars and institutional experts in the social and behavioral sciences.

Mentoring For All Seasons Janet Thompson, 2017-09-12
Realize the value and blessings of participating in mentoring relationships during all stages, ages, and seasons of life. Women often don't think they know enough to be a mentor or fear rejection if they ask someone to mentor them. Others don't think they need mentoring. However, throughout the Bible, God calls spiritually younger and older women to learn from and teach one another. *Mentoring for All Seasons* helps answer questions like these: What is mentoring? How do I find a mentor? Why does God want us to mentor one another? What are the blessings of mentoring? Through true stories from mentors and mentees in life seasons from tween through death, along with the author's personal experiences, helpful tips, Scriptures to study together, and biblical mentoring relationship examples, *Mentoring for All Seasons* encourages women to be intentional about sharing their life experiences and God's faithfulness with other women.
