Motherland Beyond The Holocaust A Mother Daughter Journey To Reclaim The Past:

Motherland Fern Schumer Chapman, 2001-04-01 A moving account of a mother and daughter who visit Germany to face the Holocaust tragedy that has caused their family decades of intergenerational trauma from the author of *Brothers Sisters Strangers* Finalist for the National Jewish Book Award In 1938 when Edith Westerfeld was twelve her parents sent her from Germany to America to escape the Nazis Edith survived but most of her family perished in the death camps Unable to cope with the loss of her family and homeland Edith closed the door on her past refusing to discuss even the smallest details Fifty four years later when the void of her childhood was consuming both her and her family she returned to Stockstadt with her grown daughter Fern For Edith the trip was a chance to reconnect and reconcile with her past for Fern it was a chance to learn what lay behind her mother's silent grief Together they found a town that had dramatically changed on the surface but which hid guilty secrets and lived in enduring denial On their journey Fern and her mother shared many extraordinary encounters with the townspeople and more importantly with one another closing the divide that had long stood between them *Motherland* is a story of learning to face the past of remembering and honoring while looking forward and letting go It is an account of the Holocaust's lingering grip on its witnesses it is also a loving story of mothers and daughters roots understanding and ultimately healing

Motherland Fern Schumer Chapman, 2001 **The Holocaust as Active Memory** Marie Louise Seeberg, Irene Levin, Claudia Lenz, 2016-03-09 The ways in which memories of the Holocaust have been communicated represented and used have changed dramatically over the years From such memories being neglected and silenced in most of Europe until the 1970s each country has subsequently gone through a process of cultural political and pedagogical awareness rising This culminated in the Stockholm conference on Holocaust commemoration in 2000 which resulted in the constitution of a task force dedicated to transmitting and teaching knowledge and awareness about the Holocaust on a global scale The silence surrounding private memories of the Holocaust has also been challenged in many families What are the catalysts that trigger a change from silence to discussion of the Holocaust What happens when we talk its invisibility away How are memories of the Holocaust reflected in different social environments Who asks questions about memories of the Holocaust and which answers do they find at which point in time and from which past and present positions related to their societies and to the phenomenon in question This book highlights the contexts in which such questions are asked By introducing the concept of active memory this book contributes to recent developments in memory studies where memory is increasingly viewed not in isolation but as a dynamic and relational part of human lives

Holocaust Literature of the Second Generation M. Vaul-Grimwood, 2007-08-06 Exploring five key texts from the emerging canon of second generation writing this exciting new study brings together theories of autobiography trauma and fantasy to understand the how traumatic family histories are represented In doing so it demonstrates the continuing impact of familial and community Holocaust trauma and the need for a precise clearly developed theoretical framework in which to situate these works This

book will appeal to final year undergraduates and postgraduate students as well as scholars in literary and Holocaust related fields and an audience with personal and professional interests in the second generation **Memory Work** Nina Fischer, 2015-09-27 Memory Work studies how Jewish children of Holocaust survivors from the English speaking diaspora explore the past in literary texts By identifying areas where memory manifests Objects Names Bodies Food Passover 9 11 it shows how the Second Generation engage with the pre Holocaust family and their parents survival **My Mother's Voice** Adrienne Kertzer, 2001-12-11 How do children's books represent the Holocaust How do such books negotiate the tension between the desire to protect children and the commitment to tell children the truth about the world If Holocaust representations in children's books respect the narrative conventions of hope and happy endings how do they differ if at all from popular representations intended for adult audiences And where does innocence lie if the children's fable of Roberto Benigni's Life is Beautiful is marketed for adults and far more troubling survivor memoirs such as Anita Lobel's No Pretty Pictures A Child of War are marketed for children How should Holocaust Studies integrate discourse about children's literature into its discussions In approaching these and other questions Kertzer uses the lens of children's literature to problematize the ways in which various adult discourses represent the Holocaust and continually challenges the conventional belief that children's literature is the place for easy answers and optimistic lessons *Seven Heavens* Carla Wills-Brandon, 2023-09-19 Explores ancient Jewish beliefs in life after death as well as contemporary spiritual experiences Reveals clear references to the afterlife heaven and spiritual encounters in ancient Hebrew texts including the Torah the Zohar and the Dead Sea Scrolls Shares profound stories from the author's clinical therapy practice to show how afterlife beliefs can heal destructive emotional patterns and ancestral trauma Describes the psychological parameters of trauma resolution enabling long term healing and spiritual advancement Exploring afterlife theories from the ancient world as well as contemporary afterlife encounters Carla Wills Brandon Ph D reveals references to Jewish mysticism and afterlife encounters in ancient Hebrew texts including the Torah the Talmud the Zohar the Dead Sea Scrolls and the writings of the early Kabbalists She shows how these works describe not only the realms of heaven but also near death experiences NDEs after death contact reincarnation and deathbed visions of crossed over loved ones Drawing on her background in psychology and her experience as a licensed therapist she explains how acknowledging an afterlife as well as spiritual encounters can help you find peace after loss discover inner spiritual light and heal from destructive emotional patterns and ancestral trauma including intergenerational wounds such as those from the Holocaust Sharing profound accounts of modern day premonitions spirit visitations dream encounters with the dying NDEs and other psychic manifestations the author shows how similar our contemporary mystical experiences are to those of our ancestors Looking at the strong emotional resonances created by unresolved trauma she explains how many survivors of World War II developed PTSD which has been passed down from one generation to the next She shows how believing in life after death and speaking about spiritual experiences

can help heal emotional trauma and release difficult memories stuck psychically in our personal and ancestral past Revealing how spiritual seekers can benefit not only from a belief in the afterlife but also from expressing their visions of the unseen the author shows how knowing that physical death is not final fosters a healthier preparation for one's own death and the deaths of those we cherish as well as a more fulfilling life **Life Stories** Maureen O'Connor, 2011-08-23 Memoirs

You Never Call! You Never Write! Joyce Antler, 2007-04-02 In *You Never Call You Never Write* Joyce Antler provides an illuminating and often amusing history of one of the best known figures in popular culture the Jewish Mother Whether drawn as self sacrificing or manipulative in countless films novels radio and television programs stand up comedy and psychological and historical studies she appears as a colossal figure intensely involved in the lives of her children Antler traces the odyssey of this compelling personality through decades of American culture She reminds us of a time when Jewish mothers were admired for their tenacity and nurturance as in the early twentieth century image of the Yiddishe Mama a sentimental figure popularized by entertainers such as George Jessel Al Jolson and Sophie Tucker and especially by Gertrude Berg whose amazingly successful Molly Goldberg ruled American radio and television for over 25 years Antler explains the transformation of this Jewish Mother into a brassy voiced smothering and shrewish scourge in Irving Howe's words detailing many variations on this negative theme from Philip Roth's Portnoy's Complaint and Woody Allen's Oedipus Wrecks to television shows such as *The Nanny* *Seinfeld* and *Will and Grace* But she also uncovers a new counter narrative leading feminist scholars and stand up comedienne to see the Jewish Mother in positive terms Continually revised and reinvented the Jewish Mother becomes in Antler's expert hands a unique lens with which to examine vital concerns of American Jews and the culture at large A joy to read *You Never Call You Never Write* will delight anyone who has ever known or been nurtured by a Jewish Mother and it will be a special source of insight for modern parents As Antler suggests in many ways we
