Motivational Interviewing in Social Work Practice Melinda Hohman, 2021-03-12 The definitive text on motivational interviewing MI written by and for social workers has now been updated and expanded with 60% new material including a revised conceptual framework cutting edge applications and enhanced pedagogical features Melinda Hohman and her associates demonstrate what MI looks like in action how it transforms conversations with clients and how to integrate it into social work practice in a wide range of settings Extensive new case examples and annotated sample dialogues bring the concepts to life helping readers build their own repertoires of MI skills The book also summarizes the research base for MI and shares expert recommendations for teaching training and professional development New to This Edition Expanded and restructured around the current four process model of MI engaging focusing evoking and planning Content is explicitly linked to the Council on Social Work Education's Educational Policy and Accreditation Standards EPAS and the Grand Challenges for Social Work Chapter on MI through the lens of critical race theory Chapter on innovative applications in the areas of trauma food insecurity and environmental justice Additional pedagogical features Voices from the Field boxes written by social workers in a variety of roles and end of chapter reflection questions This book is in the Applications of Motivational Interviewing series edited by Stephen Rollnick William R Miller and Theresa B Moyers

Motivational Interviewing for Working with Children and Families Donald Forrester, David Wilkins, Charlotte Whittaker, 2021-07-13 Drawing on 20 years of practical experience research and teaching in the field this book is a comprehensive guide on the use of Motivational Interviewing MI in child protection and family social work MI increases the likelihood of behavioural change working with client resistance to

encourage a constructive environment when initiating difficult conversations This makes it particularly effective for child and family social care Drawing on over 500 studies spanning 11 local authorities this book uses recordings of real meetings between social workers and families to explain what MI is how it can be used in child and family social work and how to improve MI skills An invaluable resource for frontline child protection and family social workers this book will enable to help you to better understand the needs of the people you support and be more effective in providing the right kind of support

Motivational Interviewing Antoine B. Douaihy, Thomas M. Kelly, Melanie A. Gold, 2015-01-02 This work will help you learn about how to engage patients in a discussion about behaviour change Whatever field you pursue patient care will be at the heart of your practice Motivational Interviewing is transforming the way we engage with patients and colleagues alike This manual is ideal for any medical doctors at all levels in their career

Motivational Interviewing William R. Miller, Stephen Rollnick, 2023-08-21 Now in a fully rewritten fourth edition this is the authoritative presentation of motivational interviewing MI the powerful approach to facilitating change It has been updated and streamlined to be even more user friendly as a practitioner guide and course text MI originators William R Miller and Stephen Rollnick elucidate the four tasks of MI engaging focusing evoking and planning and vividly demonstrate what they look like in action A wealth of vignettes and interview examples illustrate the dos and don'ts of successful implementation in diverse contexts The book reviews the evidence base for the approach and covers ways to assess the quality of MI The companion website provides reflection questions annotated case material and additional helpful resources New to This Edition Most of the book is entirely new Addresses the breadth of MI applications not only in counseling and psychotherapy but also in health care education coaching management and other contexts Discusses delivering MI remotely simple versus complex affirmations strategic use of directional questions ethical considerations and other new or expanded topics Increased emphasis on using MI throughout a client's process of change and growth not just in the preparatory stage Pedagogical Features New or updated online materials including reflection questions and annotated cases Key points at the end of each chapter Personal Perspective and For Therapists boxes in every chapter Extensive glossary New self assessment tool that targets the component skills of MI See also Building Motivational Interviewing Skills Second Edition A Practitioner Workbook by David B Rosengren and Motivational Interviewing and CBT Combining Strategies for Maximum Effectiveness by Sylvie Naar and Steven A Safren This book is in the Applications of Motivational Interviewing series edited by Stephen Rollnick William R Miller and Theresa B Moyers

Applying Theory to Generalist Social Work Practice Carol L. Langer, Cynthia Lietz, 2014-12-31 The social worker's guide to integrating theory and practice Applying Theory to Generalist Social Work Practice teaches aspiring social workers how to apply theory in real world practice Fully aligned with the Council on Social Work Education's 2015 Educational Policy and Accreditation Standards the book links theory to practice with clear concise instruction including a discussion of evidence based practice Twelve commonly used theories are thoroughly explained with discussion of the

strengths and limitations of each and applied to real work with individuals groups families communities and organizations The book includes case studies and first person contributions from practicing social workers to illustrate the real world scenarios in which different concepts apply Critical thinking questions help students strengthen their understanding of the ideas presented Tools including a test bank PowerPoint slides and an instructor s manual are available to facilitate classroom use providing a single volume guide to the entire helping process from engagement to termination Practice is a core foundational course for future social workers but many practice texts focus on skills while neglecting the theoretical basis for social work Applying Theory to Generalist Social Work Practice fills that gap by covering both skills and theory in a single text Examines the applications of prevailing social theories Covers the most common theories used in micro mezzo and macro practice Helps readers understand well established approaches like strengths perspective humanistic and client centered task centered and solution focused brief therapy Shows how to apply major theories including ecological system cognitive behavioral conflict empowerment narrative crisis critical and feminist An effective social worker recognizes the link between theory and practice and how the two inform each other to culminate in the most effective intervention and most positive outcome for the client Applying Theory to Generalist Social Work Practice provides students with a roadmap to the full integration of philosophy and application in social work

Motivational Interviewing in Schools Keith C. Herman, Wendy M. Reinke, Andy Frey, Stephanie Shepard, 2014 The authors of this book have made a very important contribution in producing a book that literally provides a roadmap for how to realize MI s potential in school and family contexts They are the acknowledged leaders of MI in schools and deserve much credit for adapting this approach so well for effective use by educators The content coverage of the book s chapters and its strong focus on the development of tools strategies and detailed relevant examples of MI implementation in schools and also with families are in my view truly exemplary I recommend it unconditionally as an invaluable resource for today s related services professional Hill Walker PhD University of Oregon This is an important well written and groundbreaking book Motivational interviewing MI has been widely applied in health care corrections mental health and addiction services and social work but this is the first book to explore broadly how it can be used by school professionals This is an up to date well documented presentation of the spirit and method of MI integrating it with behavioral theory and research Practical exercises and examples support learning of how to apply MI in everyday conversations about change with parents teachers students families and school based teams William R Miller PhD The University of New Mexico Motivational Interviewing has really influenced my thinking about instructional coaching and I ve often wished there was a book that applied the ideas to education Finally that book is here This book deepens our understanding of the personal experience of change and explains how that understanding helps us work with students parents teachers and others within schools If you re an educator you should be interested in how people change and if you re interested in change you should read this book Jim Knight PhD Author of Instructional Coaching A Partnership Approach to

Improving Instruction If you are a school counselor school psychologist or other school based professional and you want to learn how to use motivational interviewing in schools this is a must read book It is a treasure trove of knowledge and skills concerning the theory and step by step applications of motivational interviewing in elementary middle and high schools A real strength are the many practical examples and sample forms that illustrate and support how motivational interviewing can effect positive changes in behavior It is a book that will change the way you practice in schools Norman C Gysbers PhD Curators Distinguished Professor University of Missouri 201G Student Success Center Editor Emeritus Journal of Career Development One of the greatest challenges for mental health and other professionals in school settings is to get students families and staff willing to partake of and engaged in their services This is the first book on applying motivational interviewing MI a powerful evidence based technique for facilitating behavior change throughout the school environment to help psychologists counselors and other school based professionals to improve the effectiveness of their practice Based on encouraging research on the value of MI in K 12 settings this practical book explains the basic elements of MI theory and demonstrates step by step how the four stage process of engaging focusing evoking and planning can be used with the families of students who need psychological or counseling services teachers who need consultation and support to improve classroom management and the students themselves The book discusses barriers to readiness to change and describes how to foster engagement and compliance with school services to increase the likelihood that positive change will occur It also describes how MI can be used to increase the effectiveness of inter professional teams in school settings along with ways in which MI can be integrated into and build support for already established programs Richly illustrated with examples of using MI as a strategy for promoting everyday conversations about change the nucleus of MI practice the book also includes case studies and sample handouts for mental health professionals students family members and teachers Key Features Demonstrates how to apply motivational interviewing to the K 12 environment to help school professionals improve effectiveness Explains the four stage process of engaging focusing evoking and planning Shows how MI can be used with children their families and teachers to facilitate change Describes how MI can be integrated into other established programs Includes plentiful case studies and examples of MI as a strategy for promoting everyday conversations about change
