**What Would Dad Say?** John Nitti, 2021-09-24

What Would Dad Say provides motivation and advice supported by stories relating to family friendship love marriage athletics education health fitness career planning money religion and death Rules of life were developed by author John Nitti based on years of experience in a multitude of settings from growing up in a diverse town on Long Island to Yale University His background also includes time in the NFL and on Wall Street He utilized his knowledge and experience to raise four successful children with his wife Pat and is now sharing that in this book Lessons learned from college professors to high powered business executives from well known sports figures and team owners to entertainers from ancient Greek philosophers to political leaders and from the very rich to the homeless are all shared Evidence relating to everything from formulas for success to avoiding the pitfalls associated with regrettable failures provide helpful practical examples Life experiences and crossroads are shared in order to help others optimize their success and happiness The original target audience was solely John s four children he wanted them to understand his outlook on life and some keys to success and

happiness just in case anything happened to him His thoughts of mortality were reinforced after the death of a friend and then crystalized when his brother in law firefighter Brian McAleese died in the World Trade Center during the terrorist attacks on September 11 2001 As Father Mychal Judge the New York City Firefighters chaplain who died when the World Trade Center collapsed said right before the attack If you want to make God laugh tell him what you re going to do tomorrow While many of the rules are based on proven experiences scientific evidence or specific facts are not provided in detail There is plenty of research material that can always be referenced There are also many books that are dedicated entirely to almost every subject that is addressed in only a single rule within these pages But What Would Day Say is purposely simple and broad in order to cover a wide range of subjects and be memorable It captures thoughts in the same way that one would be forced to answer on the spur of the moment delivered in a casual conversational style One may lead a good life by following these simple rules Some of the rules are obvious but we all need to be reminded Others are more intuitive Still others would perhaps cause quite a debate regarding their validity But they have worked And just as children listen to some guidance and disregard the rest so will anyone who reads this book adhere only to some of these rules and forget the others For in the end it s their choice and their life We can t tell people what to do but we can help them learn from experience and foresee the consequences of their actions It is hoped What Would Dad Say will provide that for you *Becoming the Beach Boys,*

1961-1963 James B. Murphy,2015-06-08 They were almost The Pendletones after the Pendleton wool shirts favored on chilly nights at the beach then The Surfers before being named The Beach Boys But what separated them from every other teenage garage band with no musical training They had raw talent persistence and a wellspring of creativity that launched them on a legendary career now in its sixth decade Following the musical vision of Brian Wilson the Beach Boys blended ethereal vocal harmonies searing electric guitars and lush arrangements into one of the most distinctive sounds in the history of popular music Drawing on original interviews and newly uncovered documents this book untangles the band s convoluted early history and tells the story of how five boys from California formed America s greatest rock n roll band **Nunn More**

**Naturaltm Series** Les Nunn,2005-12 Understanding the simple principles of thinking believing and doing will help bring you to success With many entertaining stores and examples Dr Les Nunn leads you to the path of unlimited success Following six simple rules will help you become successful beyond your wildest dreams Dr Nunn established the following goals which have guided him through his life to live his life properly so he can return to his Heavenly Father in good stead to be a good father to be the best he can be to constantly improve and to help others avoid the same mistakes he has made in his life This has led him to a life of teaching A parent award winning university professor author speaker certified flight instructor licensed and certified horse trainer certified riding instructor certified personal trainer and an accomplished rancher and trial lawyer Dr Les Nunn has spent most of his life learning helping and teaching others Having traveled over the world with many opportunities to meet famous and successful people Dr Nunn asked each person the same question What rule did you

follow that helped you most to become so successful Their answers are inside this book      **Swinging for the Fences** Steven R. Hoffbeck, 2005 Swinging for the Fences tells the great stories of baseball's past from establishment of the color line and the early formation of the barnstorming teams to dazzling hits by black heroes that led the Twins to victory over the Cardinals in 1987 Each chapter focuses on one key player and gives readers an intimate look at the national pastime as it has evolved over the last century These are stories of the bonds that formed between players of legendary moments in baseball's past and of real people whose love of the game kept them playing against tough odds Featured here are Hall of Famers like Willie Mays Roy Campanella and Kirby Puckett and great players like Walter Ball John Wesley Donaldson and Bud Fowler who because of their race never made the stats books      **His Bat Is His Calling Card** George Gilliam, 2017-02-21 This is George Gilliam's informative account of how he combined discipline physical fitness training tennis principles which were fine tuned while he was in the air force and working at E R Squibb this was one of main goals as he ascended from playing T ball and started playing for the NY Yankees organization I felt compelled to share his journey with parents and kids who also have dreams of someday playing baseball in high school college or the Major Leagues      Young Eric Malone Ed Mahoney, 2015-11-10 What was it like to grow up in New England of decades ago How did Eric cope with the adventures and anxieties of boyhood and then with the challenges of high school and college life How did Eric choose his friends hide or face his mistakes and justify his evasions What happened with the debater's talent that he pursued without quite understanding it This fictional memoir of fourteen chronological stories takes the reader through a simpler yet complex enough era when ethnic and religious changes ruffled established values What should he do about a rock throwing rival the meaning of forever friends whose cultures clashed and girls who were a mystery and a dilemma What to say and not say to parents teachers and to all those nuns priests brothers who understood but didn't exactly All the ingredients for happiness are at hand Eric imagined a college classmate telling him but putting those ingredients together was like trying to figure out where Catholicism was going after Vatican II or why exactly the U S Was in Vietnam and where that policy would lead Author's website
