[Instruction Guide](#) Dr Rita Brooks,2022-11-05 There has never been a better time to learn golf and if you ve come this far it s probably because you ve figured that out on your own By its nature golf is uniquely suited for a social distancing world it s a game played over a vast outdoor space a worthwhile source of exercise a diversion for the mind To truly appreciate golf however you need to get past all the intimidating elements that might have kept you away until now It s a hard game for starters and it brings with it an assortment of equipment and customs that might overwhelm anyone coming in cold Every golfer has been a bad golfer at some point many of us still are and you d be surprised how much of everything you can pick up as you go Our purpose here is to give you the basics not only how to hit a golf ball but what you need to hit the ball with and anything else necessary to start your golf journey on the right foot speaking of which you don t need golf shoes right away The Hall of Fame golfer turned commentator Johnny Miller once described teaching his kids how to play golf as starting out by letting them whack balls into a pond because it was fun to see the splash Notably there was no talk about how to hold a club how to swing it or anything else technical Does that mean you don t ever need lessons to get better No a good coach will certainly help you improve When you move from the phase where you re just trying to whack it to where you actually start thinking about mechanics you stiffen up and you probably have trouble even making contact Instead stay connected to the feeling of swinging the club with some speed not hitting at a ball You don t need a swing thought beyond Get to a balanced finish and hold it for three seconds Want to discover more Get a copy of this book now [PGA Manual of Golf the Professional's Way to Learn and Play](#) Rick/Wade Martino,2003-05-01 [Golf, the Best Instruction Guide Ever!](#) ,2008
