CATERPILLAR NEWSLETTER

Important Reminders:

- Label all bottles, sippy cups, and caps with your child's name and today's date (feel free to ask us for tape and a Sharpie!)
- Take home crib sheets at the end of every week for washing
- Check Tadpoles daily for reminders on what your child needs in the classroom
- For safety and sanitary reasons, please make sure to keep your child's nails trimmed at all times
- Please bring in a family photo for our fridge if you haven't already! Your little ones love to see your faces when you are gone.

Our theme this month is:

WATER, WATER, EVERYWHERE

We will be talking and reading about water, boats, and aquatic animals.

We will also try to incorporate some water play. Please make sure your child has an extra change of clothes.

HAPPY BIRTHDAY TO
AUDREY AND BAZIL WHO
BOTH TURN ONE YEAR
OLD THIS MONTH!

Hi all! This is our first monthly newsletter. This is a fun way of keeping everyone in the loop and up-to-date on what is happening in our busy and growing classroom. We have been working very closely with the Butterflies (Toddler Room) to insure a smooth and easy transition for our Caterpillars when the time is right for them. Ms. Chelsea is now caring for the Butterflies to help with several transitions. She still spends time with us in the mornings and we are very happy for that! We have welcomed Ms. Debbie, from the Butterfly room, and Ms. Samantha into our classroom. If you haven't met them yet, please say hello and introduce yourself! They are very excited to be here. Thank you for entrusting us in caring for your precious infants.

- Ms. Kaila and Ms. Stephanie

Brian Howe, 2006-01-01 Canada signed the

United Nations Convention on the Rights of the Child over a decade ago yet there is still a lack of awareness about and provision for children's rights. What are Canada's obligations to children? How has Canada fallen short? Why is it so important to the future of Canadian society that children's rights be met? Prompted by the gap between the promise of children's rights and the reality of their continuing denial, Katherine Covell and R. Brian Howe call for changes to existing laws, policies, and practices. Using the United Nations Convention on the Rights of the Child as their framework, the authors examine the continuing problems of child poverty, child care, child protection, youth justice, and the suppression of children's voices. They challenge us to move from seeing children as parental property to seeing children as independent bearers of rights.

In *The Challenge of Children's Rights for Canada*, Canada's obligations and the rights of children are examined from the perspectives of research and development in the fields of developmental psychology, developmental neuroscience, law, and family policy. This timely and accessible book will be of interest to academics, policy makers, and anyone who cares about children and about taking children's rights seriously.

They Were Still Born Janel C. Atlas, 2010-12-16

Stillbirth, defined as the death of an infant between 20 weeks gestation and birth, is a tragedy repeated thirty thousand times every year in the United States. That means more than eighty mothers a day feel their babies slip silently from their bodies, the only sound in the delivery room their own sobs. Eighty stillborn babies a day means heartbroken families mourn the death of children who will never breathe, gurgle, learn to walk, or go to school.

In 2006, Janel Atlas became one of those mothers who left the hospital with empty arms, her second daughter, Beatrice Dianne, was stillborn at 36 weeks. Reaching out for comfort, she realized a dire need shared by so many others like her, and so was born a collection of new essays by writers each sharing their firsthand experiences with stillbirth. Atlas includes selections not only from mothers but also fathers and grandparents, all of whom have intimate stories to share with readers. In addition, there are selections that answer many of the medical questions families have in the wake of a stillbirth and that offer the latest research on this devastating loss and how it might be prevented. Grieving parents will find in these pages the comfort of knowing they are not alone on this painful path, validation of their babies' lives, and guidance from those who have suffered this tragedy.

In addition, *They Were Still Born* both inspires and shows readers how to honor and remember their own babies and stories of loss. No parent or grandparent to be sets out planning to purchase *They Were Still Born*. Unfortunately, there will always be readers devastated, grieving, and searching for voices to help them through who
