Routledge Handbook of Critical Criminology Walter S. DeKeseredy, Molly Dragiewicz, 2011-10-27 The Routledge Handbook of Critical Criminology is a collection of original essays specifically designed to offer students faculty policy makers and others an in depth overview of the most up to date empirical theoretical and political contributions made

by critical criminologists around the world Special attention is devoted to new theoretical directions in the field such as cultural criminology masculinities studies and feminist criminologies Its diverse essays not only cover the history of critical criminology and cutting edge theories but also the variety of research methods used by leading scholars in the field and the rich data generated by their rigorous empirical work In addition some of the chapters suggest innovative and realistic short and long term policy proposals that are typically ignored by mainstream criminology These progressive strategies address some of the most pressing social problems facing contemporary society today and that generate much pain and suffering for socially and economically disenfranchised people The Handbook explores up to date empirical theoretical and political contributions and is specifically designed to be a comprehensive resource for undergraduate and post graduate students researchers and policy makers

Women Representation in Governance in Nigeria Prof. Abubakar O.

Sulaiman,2025-06-16 Despite accounting for 49.47% of the Nigerian population progress towards gender equity and women s empowerment in Nigeria has remained low in contrast to the Sustainable Development Goals SDG Target 5.5 In light of this NILDS under the leadership of Prof Abubakar O Sulaiman and with support from the management of the National Assembly is creating a platform for intellectual discourse and engagements on women socio economic and political empowerment The NILDS International Conference on Women in Governance provided a platform for experts government officials policymakers and other relevant stakeholder across Africa to discuss the challenges that women face in political participation and governance in Nigeria and Africa at large This ultimately led to this evidence based scientific reader that contributes to the corpus of literature in Africa

The Psychology of Terrorism John G. Horgan,2014-06-16 This new edition of John Horgan s

critically acclaimed book is fully revised and expanded The book presents a critical analysis of our existing knowledge and understanding of terrorist psychology Despite the on going search for a terrorist pathology the most insightful and evidence based research to date not only illustrates the lack of any identifiable psychopathology in terrorists but demonstrates how frighteningly normal and unremarkable in psychological terms are those who engage in terrorist activity By producing a clearer map of the processes that impinge upon the individual terrorist a different type of terrorist psychology emerges one which has clearer implications for efforts at countering and disrupting violent extremism in today s world In this 2nd edition Horgan further develops his approach to the arc of terrorism by delving deeper into his IED model of Involvement Engagement and Disengagement the three phases of terrorism experienced by every single terrorist Drawing on new and exciting research from the past decade with new details from interviews with terrorists ranging from al Qaeda to left wing revolutionaries biographies and autobiographies of former terrorists and insights from historic and contemporary terrorist attacks since 2005 Horgan presents a fully revised and expanded edition of his signature text This new edition of The Psychology of Terrorism will be essential reading for students of terrorism and political violence and counterterrorism studies and recommended for forensic psychology criminology international security and IR in general

The International

As well as assessing the post cold War uncertainties that challenged balance and power with the region the book also examines the first two decades of the new millennium which includes no let up on the war on terror new political administrations in all the key player states and increased cooperative security between some nations polarised by volatile relationships between others. Analyzing politics in terms of global regional and local trends this new edition features Discussion and evaluation of the Trump Presidency and its implications for the Asia Pacific region Analysis of Japan's more assertive foreign policy Examination of the continued Rise of China under Xi Jinping in terms of politics security economic dominance and territorial conflicts in the region Ongoing debates concerning the war on terror and how this shifts forms and reforms relationships Explanation of how America's war's in the greater Middle East and the financial crash of 2008 undermined the American led international order This new fourth edition will continue to be a core text for students of Asian politics international relations and Cold War history

Building Back Truth in an Age of Misinformation Leslie F. Stebbins, 2023-03-15 How can we build back truth online Here's how How can we build back truth online In this book researcher Leslie F Stebbins provides solutions for repairing our existing social media platforms and building better ones that prioritize value over profit strengthen community ties and promote access to trustworthy information Stebbins provides a road map with six paths forward to understand how platforms are designed to exploit us how we can learn to embrace agency in our interactions with digital spaces how to build tools to reduce harmful practices how platform companies can prioritize the public good how we can repair journalism and how to strengthen curation to promote trusted content and create new healthier digital public squares New experimental models that are ethically designed to build community and promote trustworthy content are having some early successes We know that human social networks online and off magnify whatever they are seeded with They are not neutral We also know that to repair our systems we need to repair their design We are being joined in the fight by some of the best and brightest minds of our current generation as they flee big tech companies in search of vocations that value integrity and public values The problem of misinformation is not insurmountable We can fix this

Towards A Sustainable Arctic: International Security, Climate Change And Green Shipping Michael Goodsite, Niklas Swanstrom, 2023-03-23 The Arctic's environment economics and politics are changing rapidly and the conflicting interests among stakeholders mean that it lacks sustainable political and military cooperation States bordering the Arctic Russia Canada the United States and the Nordic countries as well as those further afield such as China and Japan all recognize the economic benefits of the region but struggle to address the security challenges and the potential environmental impact of activities conducted there This book provides a snapshot of the subject areas connecting transport environmental security resource development and military security featuring new material written after Russia's second

invasion of Ukraine **Great Power Competition as the New Normal of China-US Relations** Jinghao Zhou,2022-09-01 Will China U S relations come back to the normal track Does the confrontational approach work for China US relations This book argues that it is an unrealistic hope to bring China US relations back to the so called normal track because the great power competition will be a new normal of China US relations and the USA will gain more from strategic competition than cooperation in the long run This book shows that the strategy of great power cooperation through competition is more positive and constructive than the approaches of peaceful coexist and maximum pressure This book does not intend to provide policy recommendations for governments to consider but mainly to explain why the great power competition is inevitable and why it is necessary to continuously work with China in some areas through strategic competition This book alarms the importance of understanding the nature of the Chinese Communist Party during the great power competition and aims to motivate both sides to revisit their foreign policy practice and come up with a better foreign policy strategy of handling China US relations The Politics of Cyber-Security Myriam Dunn Cavelty,2024-08-01 By combining theoretical discussions with real world examples The Politics of Cyber Security offers readers valuable insights into the role of cyber security in the realm of international politics In the face of persistent challenges stemming from the exploitation of global cyberspace cyber security has risen to the forefront of both national and international political priorities Understanding the intricacies and dynamics of cyber security particularly its connections to conflict and international order has never been more essential This book provides the contextual framework and fundamental concepts necessary to comprehend the interplay between technological opportunities and political constraints Crafted to resonate with a diverse audience including undergraduate and postgraduate students researchers course instructors policymakers and professionals it aims to bridge gaps and foster understanding across various backgrounds and interests *Social Inclusion and Mental Health* Jed Boardman,Helen Killaspy,Gillian Mezey,2022-12-08 People with mental health conditions are among the most socially excluded groups in society Mental health conditions are influenced by the social environment which in turn shapes our social and cultural responses to the people who experience them Much of what mental health practitioners do is essentially social and the effects of their interventions are hampered by the marginalised status of many of the people that they see This book documents the ways in which people with mental health conditions are excluded from participating in society and offers some pointers as to how this may be reversed It highlights the need to reduce mental health inequalities and to consider the importance of material inequalities and social injustices faced by people experiencing mental ill health Whilst the challenges are considerable and the solutions wide ranging mental health practitioners can play a significant role in facilitating the social inclusion of those with mental health conditions **The Politics of Love in Myanmar** Lynette J. Chua,2018-12-25 The Politics of Love in Myanmar offers an intimate ethnographic account of a group of LGBT activists before during and after Myanmar s post 2011 political transition Lynette J Chua explores how these activists devoted themselves to and fell in love

with the practice of human rights and how they were able to empower queer Burmese to accept themselves gain social belonging and reform discriminatory legislation and law enforcement Informed by interviews with activists from all walks of life city dwellers villagers political dissidents children of military families wage laborers shopkeepers beauticians spirit mediums lawyers students Chua details the vivid particulars of the LGBT activist experience founding a movement first among exiles and migrants and then in Myanmar's cities towns and countryside A distinct political and emotional culture of activism took shape fusing shared emotions and cultural bearings with legal and political ideas about human rights For this network of activists human rights moved hearts and minds and crafted a transformative web of friendship fellowship and affection among queer Burmese Chua's investigation provides crucial insights into the intersection of emotions and interpersonal relationships with law rights and social movements
