Mother Of Faith Daughters Of Faith:

Mother of Faith Thom Lemmons, 2011-05-11 Many commentators assume John's reference to the chosen lady and her children in 2 John 1 refers to the church. But what if there really was a respected Christian sister in the community to whom John entrusted his epistle? What might have been this woman's life story? What might she remember of the apostle whom Jesus loved? Thom Lemmons's biblically based fiction, third in his popular Daughters of Faith series, recounts what life might have been like for this woman whom he envisions as a young Nubian mother. In his dynamic portrait of Amanis, we become eyewitnesses of the last days of the apostolic era, gaining insights into our own ways of dealing with monumental change within the church and society today.

The Mothers and Daughters of the Bible Speak Shannon Bream, 2022-03-29 God always keeps His promises, but not always in the way we expect. Have faith is a phrase we hear all the time. But what does it actually look like to live it out? In *The Mothers and Daughters of the Bible Speak*, Shannon Bream examines the lives of biblical women to see how God's plans can turn our worlds upside down. She tells the story of Jochebed, a mother who took enormous risks to protect her son Moses from Pharaoh. Could Jochebed have imagined that God's actual design for her son involved flight into exile and danger? And yet this was all part of the master plan to deliver Israel from slavery. Another biblical mother, Rebekah, made terrible choices in an attempt to ensure her son's place in history. And a daughter, Michal, struggled to keep her faithless father Saul from sin while battling pride in herself. Through these stories, Shannon explains the intimate connection between faith and family and how God's unexpected agenda can redefine the way we think about family. Not all of these mothers and daughters in the Bible were paragons of virtue. Like us, they were human beings who faltered and struggled to do their best. While some heard God's voice, others chose their own paths. Through the lens of their imperfections, we can see how God used their stories to bring about His divine plans. He's still doing the same work in our lives today. *The Mothers and Daughters of the Bible Speak* shows that faith is more often a twisting road than a straight line. Yet as the stories of biblical families attest, at the end of these journeys lies greater peace and joy than we could ever imagine.

Faith s only limits are what she believes to be impossible and the Guild Master who will do anything to stop her In 1816 New York City there is no place for women in the world of art especially not for Faith the gifted step daughter of a renowned artist Her step father expects young women to be dutiful reserved and respectable traits utterly incompatible with Faith s innate

nature and the attention her extraordinary talent would attract Faith masks her feelings holds her tongue and hides her drawings But when her step father draws an apple that Faith can pick up off the page and hold in her hand she can no longer deny her calling The mystical Ink he uses to bring the imaginary to life offers freedom and power she can never have on this side of reality It may not get her out of an arranged marriage but it might keep her from suffocating in it Denied access to the Ink by the Guild that guards it and the Guild Master her own step father Faith finds a way to train in secret As she learns to manipulate the imaginary world where fantasy and fear are equally real she discovers that even her reality is not what it seems As the lines between real and imagined blur Faith s quest for self agency may cost her everything she holds dear in both worlds The Guild Master s Daughter is the award winning tale of one young woman s journey to create her own destiny through courage self discovery and the extraordinary power of belief Lose yourself in her world of artistry and magic where dreams take form art becomes life and the imagination knows no limits

The Reign of God is Such as These Sharon Betsworth, 2010-09-30 This is a new analysis of the daughters in the Gospel of Mark Betsworth analyzes the daughters in the Gospel of Mark the woman from the crowd whom Jesus calls daughter Jairus daughter 5:21-43 Herodias daughter 6:14-29 and the daughter of the Syro-Phoenician woman 7:24-30 To demonstrate how the Gospel's first century audience may have heard these stories Betsworth begins by examining daughters in their ancient Mediterranean context Betsworth then considers representations of daughters in select texts from the Septuagint and Greco-Roman literature from the seventh and sixth centuries B.C.E. to the second century C.E. Although these depictions seem to be in contrast to the social historical construction of daughters Betsworth shows that in many ways the literary portrayals of daughters function to uphold the values of Greco-Roman culture especially those of virginity before and faithfulness in marriage These two lines of enquiry undergird Betsworth's investigation From it she is able to show that the daughters in the Gospel uphold the values of the reign of God as an integral part of the Gospel's inclusive social vision of God's reign This title was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches
