A Celebration of Motherhood Michelle Gillett, 2004-03-01 Discover how candles flowers and scented soaps can transform any bath into a sumptuous experience The Rise of the Memoir Alex Zwerdling, 2017 The Rise of the Memoir traces the growth and extraordinarily wide appeal of the memoir Its territory is private rather than public life shame guilt and embarrassment not the achievements celebrated in the public record What accounts for the sharp need writers like Rousseau Woolf Orwell Nabokov Primo Levi and Maxine Hong Kingston felt to write and to publish such works when they might more easily have chosen to remain silent Alex Zwerdling explores why each of these writers felt compelled to write them as that story can be reconstructed from personal materials available in archival collections what internal conflicts they encountered while trying and how each of them resisted the private and public pressures to stop themselves rather than pursuing this confessional route against their own doubts without a reasonable expectation that such works would be welcome in print and eventually find an empathetic audience Reconstructing this process in which a dubious project eventually becomes a compelling product a memoir that will last illuminates both what was at stake and why this serially invented open form has reshaped the expectations of readers who welcomed a vital alternative to the official story

Forthcoming Books Rose Arny, 2001-06 *Female Circumcision* Rogaia Mustafa Abusharaf, 2013-03-01 Bolokoli khifad tahara tahoor qudiin irua bondo kuruna negekorsigin and kene kene are a few of the terms used in local African languages to

denote a set of cultural practices collectively known as female circumcision Practiced in many countries across Africa and Asia this ritual is hotly debated Supporters regard it as a central coming of age ritual that ensures chastity and promotes fertility Human rights groups denounce the procedure as barbaric It is estimated that between 100 million and 130 million girls and women today have undergone forms of this genital surgery Female Circumcision gathers together African activists to examine the issue within its various cultural and historical contexts the debates on circumcision regarding African refugee and immigrant populations in the United States and the human rights efforts to eradicate the practice This work brings African women s voices into the discussion foregrounds indigenous processes of social and cultural change and demonstrates the manifold linkages between respect for women s bodily integrity the empowerment of women and democratic modes of economic development This volume does not focus narrowly on female circumcision as a set of ritualized surgeries sanctioned by society Instead the contributors explore a chain of connecting issues and processes through which the practice is being transformed in local and transnational contexts The authors document shifts in local views to highlight processes of change and chronicle the efforts of diverse communities as agents in the process of cultural and social transformation

[A Dictionary of Writers and their Works](#) Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer s nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication

Persephone Rises, 1860-1927 Margot K. Louis, 2016-12-05 Over the course of the nineteenth century the figure of Persephone rapidly evolved from what was essentially a decorative metaphor into a living goddess who embodied the most spiritual aspects of ancient Greek religion In the first comprehensive survey of the Persephone myth in English and American literature of the nineteenth and early twentieth centuries Margot Louis explores the transformation of the goddess to provide not only a basis for understanding how the study of ancient history informed the creation of a new spirituality but for comprehending the deep and bitter tensions surrounding gender that interacted with this process Beginning with an overview of the most influential ancient texts on Persephone and references to Persephone in Chaucer Shakespeare Milton and Romantic period writing Louis shows that the earliest theories of matriarchy and patriarchal marriage emerged in the 1860s alongside the first English poems to explore Persephone s story As scholars began to focus on the chthonic Mystery cults and particularly on the Eleusinian Mysteries of Demeter and Persephone poets and novelists explored the divisions between mother and daughter occasioned by patriarchal marriage Issues of fertility and ritual resonate in Thomas Hardy s *Tess of the d Urbervilles* and Willa Cather s *My Antonia* while the first advance of a neo

pagan spirituality as well as early feminist critiques of male mythography and of the Persephone myth emerge in Modernist poems and fictions from 1908 to 1927 Informed by the latest research and theoretical work on myth Margot Louis s fascinating study shows the development of Victorian mythography in a new light offers original takes on Victorian representations of gender and values exposes how differently male and female Modernists dealt with issues of myth ritual and ancient spirituality and uncovers how deeply the study of ancient spirituality is entwined with controversies about gender

Festivals, Feasts, and Gender Relations in Ancient China and Greece Yiqun Zhou, 2010-08-16 Ancient China and Greece are two classical civilisations that have exerted far reaching influence in numerous areas of human experience and are often invoked as the paradigms in East West comparison This book examines gender relations in the two ancient societies as reflected in convivial contexts such as family banquets public festivals and religious feasts Two distinct patterns of interpersonal affinity and conflict emerge from the Chinese and Greek sources that show men and women organising themselves and interacting with each other in social occasions intended for collective pursuit of pleasure Through an analysis of the two different patterns Yiqun Zhou illuminates the different socio political mechanisms value systems and fabrics of human bonds in the two classical traditions Her book will be important for readers who are interested in the comparative study of societies gender studies women s history and the legacy of civilisations

Mother Puzzles Mickey Pearlman, 1989-12-11 Despite extraordinary attention within the past five years by novelists playwrights and critics the subject of mothers and daughters and motherhood and daughterhood has remained complicated and compelling Mother Puzzles is a unique collection that examines how women who write have dealt with those relationships Pearlman notes in her introduction that missing mothers mothers who are physically present but emotionally absent are often found in works by women The question this collection addresses is why the mother as currently portrayed in American literature by women has moved from sainted marginality as icon to vicious caricature as destroyer to the puzzling figure that emerges here and why these works are often also about incest and sexual abuse Among the authors studied are Sue Miller Tillie Olsen Marilyn French Gail Godwin Mary Gordon Marsha Norman and Susan Fromberg Schaeffer Feminist literary psychological analyses of Housekeeping Lovingkindness Fierce Attachments Men and Angels night Mother The Snow Queen and The Good Mother are included These essays will interest scholars in American literature readers of contemporary fiction and those interested in Women s Studies
