Arcana, 1979 **You're Wearing That?** Deborah Tannen, 2006-12-26 Deborah Tannen s 1 New York Times bestseller You Just Don t Understand revolutionized communication between women and men Now in her most provocative and engaging book to date she takes on what is potentially the most fraught and passionate connection of women s lives the mother daughter relationship It was Tannen who first showed us that men and women speak different languages Mothers and daughters speak the same language but still often misunderstand each other as they struggle to find the right balance between closeness and independence Both mothers and daughters want to be seen for who they are but tend to see the other as falling short of who she should be Each overestimates the other s power and underestimates her own Why do daughters complain that their mothers always criticize while mothers feel hurt that their daughters shut them out Why do mothers and daughters critique each other on the Big Three hair clothes and weight while longing for approval and understanding And why do they scrutinize each other for reflections of themselves Deborah Tannen answers these and many other questions as she explains why a remark that would be harmless coming from anyone else can cause an explosion when it comes from your mother or your daughter She examines every aspect of this complex dynamic from the dark side that can shadow a woman

throughout her life to the new technologies like e mail and instant messaging that are transforming mother daughter communication Most important she helps mothers and daughters understand each other the key to improving their relationship With groundbreaking insights pitch perfect dialogues and deeply moving memories of her own mother Tannen untangles the knots daughters and mothers can get tied up in Readers will appreciate Tannen s humor as they see themselves on every page and come away with real hope for breaking down barriers and opening new lines of communication Eye opening and heartfelt *You re Wearing That* illuminates and enriches one of the most important relationships in our lives Tannen analyzes and decodes scores of conversations between moms and daughters These exchanges are so real they can make you squirm as you relive the last fraught conversation you had with your own mother or daughter But Tannen doesn t just point out the pitfalls of the mother daughter relationship she also provides guidance for changing the conversations or the way that we feel about the conversations before they degenerate into what Tannen calls a mutually aggravating spiral a self perpetuating cycle of escalating responses that become provocations *The San Francisco Chronicle* **Daughters and Mothers** Signe Hammer,1975 *Daughters and Mothers* Julie Firman,Dorothy Firman,2003-08-21 The mother daughter relationship is one of the most intense relationships a woman will ever experience it is strong and primary This first and essential relationship has a powerful though often subtle effect on an adult woman s interactions with her mate children friends and herself Often this crucial bond which was initially based in love turns into one of anger guilt and resentment the effects of which can permeate a woman s life a burden from the past that is haunting limiting and debilitating In this profound book coauthors Julie Firman and her daughter Dorothy Firman both psychotherapists who specialize in mother daughter workshops help readers sift through old behavior patterns feelings and thoughts to transform their relationships and ultimately themselves For every woman who experiences the pain in her relationship with her mother or daughter there is the promise of finding the joy The Firmans will help readers grow beyond their limitations into more integrated freer and more fulfilled women using stories from their own lives case studies of other women and practical revealing workbook exercises *Daughters and Mothers* is an essential guide for women who want to heal their relationship and achieve greater acceptance love and harmony It book is for women of all ages and one that is never too late to read **Daughters and Mothers** Julie Firman,Dorothy Firman,1990-09 *Mothers and Daughters* Ann F. Caron,2011-04-01 In this positive and illuminating book Ann Caron explores the spirit durability and complexity of the mother daughter bond during a time of mutual searching Daughters hitting their stride after college are setting new standards for themselves and questioning their goals and expectations Mothers themselves going through major life changes are also looking for new ways to express themselves Drawing from her many interviews with women from both groups Caron discusses their joys ambitions frustrations and hopes regarding sex marriage spirituality and careers What clearly emerges is that despite their different generational influences their dreams of finding themselves through connections to others and especially to each other are the
