with 222 singles 84 albums and five EPs being featured Finally there are 36 other entries covering such topics as the Hollywood Walk of Fame the Motortown Revues Grammy Awards and the most played Motown songs on radio The 1 178 entries cover every aspect of Motown and more of the link between Granny in The Beverly Hillbillies and Wonder Woman of the artists from Abbey Tavern Singers to Zulema and the hits from ABC to You Really Got A Hold On Me The Motown Encyclopedia is the story of Motown Records Yesterday Today Forever **Billboard** ,2000-12-09 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **All Music Guide to the Blues** Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2003-04 Reviews and rates the best recordings of 8 900 blues artists in all styles Billboard ,1963-01-05 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1973-09-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2001-01-27 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Motown: The Golden Years Bill Dahl,2011-02-28 This is the book for lovers of Motown Author and Motown historian Bill Dahl has expertly compiled this comprehensive guide to the musical combination of pop and gospel known as Motown This new compilation features an A to Z listing and biography of nearly every Motown group since its beginning in 1959 Also included are never before published photos from former Motown promotions guru Weldon A McDougal III Enthusiasts will now have a chance to own a complete encyclopedia of groups and artists along with information about their music including a discography and price guide 32 page color section containing many never before published photos Complete encyclopedia of groups artists plus discography and price guide for all Motown acts
