workbooks featuring statistical software instructions and exercises help your students apply their knowledge **Essentials of Business Research Methods** Joe Hair Jr., Michael Page, Niek Brunsveld, Adam Merkle, Natalie Cleton, 2023-07-31

Essentials of Business Research Methods provides an accessible and comprehensive introduction to research methods and analytical techniques for business students. The authors offer a straightforward hands-on approach to the vital managerial process of gathering and using data to make relevant and timely business decisions. Covering both qualitative and quantitative analysis, the book explores critical topics including ethics in business research, privacy matters, data analytics, customer relationship management, how to conduct information gathering activities more effectively in a rapidly changing business environment, and more. This fifth edition has been fully updated throughout, covering emerging technologies such as machine learning and blockchain technology, as well as expanded coverage of secondary data, using examples from around the world. A realistic continuing case is used throughout the book, applied research examples, and ethical dilemma mini-cases enable upper-level undergraduate and postgraduate students to see how business research information is used in the real world. This comprehensive textbook is supported by a range of online resources, including an instructor's manual, PowerPoint slides, and a test bank.

Passion is a Fashion Pat Gilbert, 2011-11-01 Pat Gilbert's definitive biography of the Clash, universally acclaimed as a great book, has already sold over 20,000 copies in paperback. Now, for the 30th anniversary of the band's classic London Calling album, it is reissued with a stunning new cover. For the book, Pat Gilbert, a former Mojo editor with the highest credentials, talked to everyone in over 70 interviews with the key participants: roadies, producers, friends, and fans, and above all, the band members themselves, including Joe Strummer before his death, to be able to give the first real insight into what went on behind the scenes during the Clash's ten-year career. With the surge in interest generated by the Shea Stadium live CD and the official Clash book, *Passion Is A Fashion* will attract a new sale as the only truly indispensable Clash book.

The British National Bibliography Arthur James Wells, 2009

A Level Film Studies Sarah Casey Benyahia, John White, 2020-02-10 This essential book covers the key areas for A Level Film Studies students, building confidence through a careful step-by-step approach. The first part of the book establishes a basic understanding of the grounding of film analysis in the various elements of film construction: mise en scène, cinematography, editing, sound, and performance, developing the knowledge students have of movies whilst challenging them to consider new films and ideas. Key theoretical approaches around narrative, genre, representation, spectatorship, and authorship are introduced in Part II, before we consider specific national cinemas from around the world in parts III and IV. In Part V, the book assesses a range of slightly different film experiences, looking at silent cinema, experimental films, and documentaries, before finally Part VI shifts to evaluating creative approaches to students' own filmmaking. Specifically designed to be user-friendly, the book has an easy-to-follow design, includes more than 60 colour images, and is packed with features such as case studies on a range of films and filmmakers, activities on such films as *Sunrise* (A Song of Two Humans, Murnau, 1927, USA), *Vertigo* (Hitchcock, 1958, USA), *Do*
