BRIDGING THE GAP IN HEALTH CARE 2 PAUL TURNER,2011-08-23

BRIDGING THE GAP IN HEALTH CARE 2 MULTIDIMENSIONAL ASSESSMENT This book helps to integrate assessment on all levels of being multi dimensionally from an energetic spiritual perspective rather than focusing on integrating assessment from a more mechanical structural perspective A multidimensional model of assessment is discussed which can be scientifically explored and tested using the instruments of self consciousness i e the mind and our inner senses When successfully implemented these ideas should help to consciously bridge the gap between the intellect and intuition It is a useful resource for any practitioner healer who works with energies or anyone simply wishing to develop a deeper understanding of self Testimonials This book brilliantly synthesizes current understandings of what takes place during a healing session It explains lucidly what unconsciously occurs at an energy level during healing and provides a methodology for diagnosis and treatment using the power of the mind Anyone who reads this book and puts into practice Paul s techniques will find their treatments will improve significantly Geoff Charles Remedial Massage Therapist This book gives lots of ideas for treatment as well as linking both the physical with the energetic leading to a more holistic way of treatment Very Informative Bronwyn Butterworth Naturopath Massage Therapist

The Confidence Gap Russ Harris,2011-09-13

Drawing on Acceptance and Commitment Therapy and mindfulness practices this guide offers breakthrough insights and simple techniques for developing deep seated long lasting confidence Too many of us miss out on opportunities in life because we lack self confidence Whether it s public speaking taking on a leadership role or asking

someone for a date there are situations in which we just don't feel equipped to handle the challenges we face Russ Harris offers a surprising solution to low self confidence shyness and insecurity Rather than trying to get over our fears he says the secret is to form a new and wiser relationship with them Paradoxically it's only when we stop struggling against our fearfulness that we begin to find lasting freedom from it Drawing on the techniques of Acceptance and Commitment Therapy ACT a cutting edge form of cognitive behavioral therapy The Confidence Gap explains how to Free yourself from common misconceptions about what confidence is and how to build it Transform your relationship with fear and anxiety Clarify your core values and use them as your inspiration and motivation Use mindfulness to effectively handle negative thoughts and feelings This book could save you years of psychological struggle yank you out of negative emotional patterns and help propel you to a much happier more productive life Martha Beck author and Oprah Winfrey's life coach **Running on Empty** Jonice Webb, Christine Musello, 2012-10-01 This informative guide helps you identify and heal from childhood emotional neglect so you can be more connected and emotionally present in your life Do you sometimes feel like you're just going through the motions in life Do you often act like you're fine when you secretly feel lonely and disconnected Perhaps you have a good life and yet somehow it's not enough to make you happy Or perhaps you drink too much eat too much or risk too much in an attempt to feel something good If so you are not alone and you may be suffering from emotional neglect A practicing psychologist for more than twenty years Jonice Webb has successfully treated numerous patients who come to her believing that something is missing inside them While many self help books deal with what happened to you as a child in Running on Empty Webb addresses the things that may not have happened for you What goes unsaid or what cannot be remembered can have profound consequences that may be affecting you to this day Running on Empty will help you understand your experiences and give you clear strategies for healing It also includes a special chapter for mental health professionals

Gut and Psychology Syndrome Natasha Campbell-McBride, MD, 2018-11-29 Dr Natasha Campbell McBride set up The Cambridge Nutrition Clinic in 1998 As a parent of a child diagnosed with learning disabilities she is acutely aware of the difficulties facing other parents like her and she has devoted much of her time to helping these families She realized that nutrition played a critical role in helping children and adults to overcome their disabilities and has pioneered the use of probiotics in this field Her willingness to share her knowledge has resulted in her contributing to many publications as well as presenting at numerous seminars and conferences on the subjects of learning disabilities and digestive disorders Her book Gut and Psychology Syndrome captures her experience and knowledge incorporating her most recent work She believes that the link between learning disabilities the food and drink that we take and the condition of our digestive system is absolute and the results of her work have supported her position on this subject In her clinic parents discuss all aspects of their child's condition confident in the knowledge that they are not only talking to a professional but to a parent who has lived their experience Her deep understanding of the challenges they face puts her advice in a class of its own **Close the Gap &**
