Pauls Letter To The Romans The Pillar New Testament Commentary:

Paul's Letter to the Romans Colin G. Kruse, 2012-06-14 In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator judge and redeemer of the world from publisher description **The Epistle to the Romans** Douglas J. Moo, 1996-09-30 Paul's letter to the Romans has been called the quintessence and perfection of saving doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many issues that are basic to Christian theology and practice In The Epistle to the Romans respected New Testament scholar Douglas Moo provides a superb study of Paul's letter to the Roman Christians and restates the enduring message of Romans for Christians today Originally written for the Wycliffe Exegetical Commentary series this work has been substantially expanded and adapted for the NICNT series it now treats the entire book of Romans rather than the first half Based on the English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological meaning and on contemporary significance Moo makes a contribution to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God He also critically interacts with the new perspective on Paul highlights Romans's emphasis on practical divinity and traces the theme of gospel throughout the epistle **Paul's Letter to the Romans** Colin G. Kruse, 2012-06-14 Paul's Letter to the Romans may well be the most influential book in Christian history In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator judge and redeemer of the world Valuable additional notes on important theological themes and difficult texts such as Paul's discussion of same sex relationships the salvation of all Israel and the woman Junia who was well known among the apostles further connect Romans to contemporary issues Throughout his commentary Kruse expertly guides readers through the plethora of interpretations of Romans providing a reliable exposition of this foundational epistle **Speech-in-Character, Diatribe, and Romans 3:1-9** Justin King, 2018-06-26 In Speech in Character Diatribe and Romans 3:1-9 Justin King argues that the rhetorical skill of speech in character prosopopoiia sermocinatio conformatio offers a methodologically sound foundation for understanding the script of Paul's imaginary dialogue with an interlocutor in Romans 3:1-9 King focuses on speech in character's stable criterion that attributed speech should be appropriate to the characterization of the speaker Here speech in character helps to inform which voice in the dialogue speaks which lines and the general goals of diatribe help shape how an appropriate understanding of the script is best interpreted King's analyses of speech in character diatribe and Romans therefore make independent contributions while simultaneously working together to advance scholarship on a much debated passage in one of history's most important texts Grasping God's Word, Fourth Edition J. The Letter to the Romans Douglas J. Moo, 2018-11-26 For more than twenty years Douglas Moo's NICNT volume on Romans has been providing pastors students and scholars with profound insight into Paul's most famous letter In this thorough revision of his commentary Moo deals with issues that have come into prominence since the first edition 1996 incorporating the latest research and rewriting the text throughout for better comprehension Exegetically astute and theologically minded Moo interacts critically with the new perspective on Paul highlights the emphasis in Romans on practical divinity and traces the theme of the gospel throughout the letter His Letter to the Romans in this second edition will inform and enlighten a new generation of serious Bible readers

The Letters of Paul as Rituals of Worship John Paul Heil, 2012-06-28 In this interpretation of the corpus of the thirteen New Testament letters

attributed to Paul Heil establishes a connection between communal worship and the New Testament The author focuses on the key theme of worship understanding it in its most comprehensive sense in the biblical tradition with the liturgical and the ethical facets of worship held in dynamic interrelationship The reader is offered a fresh way of reading and listening to the letters of Paul for a deeper understanding of their original purpose and message

Misunderstanding Galatians M. I. Cha, 2021-09-16 This commentary on Galatians seeks to provide an originalist understanding of the epistle by viewing Paul as a Torah observant apostle of the Messiah who was arguing against compulsory proselyte conversion into Pharisaic Judaism and not the Old Testament law of God in general As such this commentary pays closer attention to the perpetuity of the Old Testament law of God Paul's nuanced use of law *nomos* Jewish oral tradition and the historical context of gentile proselyte conversion in Paul's time The goal of this commentary is to combine the strengths of evangelical hermeneutics and recent advances in Pauline studies to arrive at a more accurate understanding of the original author's intended meaning within his own historical context

A Trustworthy Gospel Daniel B. Moore, 2024-03-29 The trustworthiness of the Gospels rests not only on claims of inspiration but also on eyewitness testimony And our confidence in that testimony is directly related Daniel Moore contends to when the first Gospel was published Therefore it is incumbent upon Christians to consider whether an effective case can be made for asserting that the first Gospel was published within several years or perhaps a decade of the resurrection To this end this book offers a series of arguments demonstrating that an early publication of Matthew is reasonable defensible and preferable over the popular view that several decades passed before Gospels were published These arguments include a reasonableness argument that the early church had the means motive and opportunity to produce a Gospel an argument from the church fathers which also resolves supposed conflicts exegetical arguments from Galatians apologetic motivational arguments from Christian scholars over the last several centuries arguments based on ancient perspectives on aging memory and on the obligation of orators to write concerns which would have motivated the apostles to publish early and an explanatory power argument Ultimately the author will encourage the reader to view Matthew as the Messiah's royal chronicler

Biblical Theology of prayer in the New Testament Francois P. Viljoen, Albert J. Coetsee, 2023-08-31 This publication deals with a biblical theology of prayer based on the New Testament It forms the second of a two volume publication on a biblical theology of prayer dealing with the concept of prayer in the Old and New Testament respectively This New Testament volume begins with an introduction on prayer and worship in early Jewish tradition followed by eleven chapters dealing with New Testament corpora It concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora to provide a summative theological perspective of the development of the concept of prayer through scripture Prayer forms a major and continuous theme throughout the biblical text Prayer was an integral part of the religious existence of God's people in both the Old and New Testament It underwent its greatest developments during after and as a result of the Exile and was deepened and transformed in the New Testament

In both the Old and the New Testament God is the sole addressee of his people's prayer. This conviction continued into the New Testament but was broadened with Trinitarian elements of worship, adoration and intercession. A biblical theological investigation is chosen as methodology. Since all the biblical books form part of one canonical text, the assumption is that the various theologies about prayer being displayed in these books can be synthesised into a developing meta-theology about prayer. As the Old and New Testament form part of the canonical text, the results about prayer in the Old Testament can be brought into play with the results about prayer in the New Testament. This eventually leads toward an overarching biblical theology of prayer.

Prophetic Precursors Tom Wilson, 2020-05-29 Prophetic Precursors discusses some key biblical figures: Adam, Noah, Abraham, Joseph, Moses, David, Solomon, Mary, and Jesus. Christian and Muslim views of these figures are contrasted and where relevant the question is asked whether these figures point us towards Jesus or towards Muhammad.

Grasping God's Word J. Scott Duvall, J. Daniel Hays, 2012-05-08 Grasping God's Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read, interpret and apply the Bible for themselves. The third edition, revised based on feedback from professors, will continue to serve college-level students and lay learners well in their quest to gain a firm grasp on the rock of God's word. Old Testament scholar J. Daniel Hays and New Testament expert J. Scott Duvall provide practical, hands-on exercises to guide students through the interpretive process. To emphasize the Bible's redemptive arc and encourage correlation across the biblical canon, the authors have included a call to Consult the biblical map: How does a theological principle fit with the rest of the Bible as an additional step in the Interpretive Journey. This edition has also been rearranged for clarity and includes updated illustrations, appendices, bibliography, and assignments. A robust suite of learning aids is available for purchase to be used alongside the textbook to help students excel in their studies. These include a workbook, video lectures for each chapter featuring the authors, and a laminated quick study sheet with key concepts from the book.

Peoples and Places Matthew Hirt, 2022-05-27 Jesus's final command to his disciples was to make disciples of all nations. But who are the nations? How do we know we are being obedient to the task? Do our current lists of ethnolinguistic people groups sufficiently answer the question? For the last fifty years, missiologists and missionaries have discussed this topic, but much of the conversation has been focused on definitions that give little attention to biblical theology. When we explore how the Bible describes the nations, we find some other categories that have been overlooked, forgotten, or set aside in the development of missions strategy. Geography is one of these categories. However, this is not simply bringing current geo-political entities back into our missions strategy. Instead, Matthew Hirt is calling on missiologists, missions researchers, and missionaries on the field to discover how people groups identify their own geographies and in turn how that geography contributes to a people group's identity.

Paul and Death Linda Joelsson, 2016-11-03 The concept of death, particularly violent death, is prevalent throughout the writings of Paul, the Apostle. His letters in the New Testament address this topic from a variety of perspectives, some of which can appear to be

almost contradictory However this need not be problematic Paul and Death uses the method of psychological exegesis to show that the different attitudes toward death in Paul s letters make for a much more coherent discourse if they are seen as an aid to individual and collective psychological coping Taking the differences between each of Paul s letters as its starting point this study suggests that a variety of coping strategies in relation to death may be beneficial depending on the situation the person and the stage of the coping process Drawing on psychologically oriented hermeneutic theory and theories about psychological coping in particular the author argues that each case of psychological coping must be understood in its historical situation and as strategies emanating from a specific person s subjective appraisal Combining theology and biblical studies with modern psychology this book will be of particular interest to academics and students that are studying the relationship between Religion and notions of Death

The Serpent in Samuel Brian A. Verrett,2020-02-17 In this study Brian A Verrett argues that 1 2 Samuel contains a serpent motif by practicing biblical theology and literary criticism This motif derives from the serpent in Genesis 3 and its function within the Samuel narrative is to heighten the reader s anticipation in the coming messiah who is the son of David and the seed of the woman from Genesis 3 15 This messiah will defeat the serpent and inaugurate his glorious reign over a renewed world When 1 2 Samuel is read in this way one appreciates previously unnoticed features of the text understands aspects of the text that were formerly confusing and rightly sees that the whole of 1 2 Samuel is a messianic document

Reading Romans with Eastern Eyes Brad Vaughn,2019-06-11 According to Brad Vaughn some traditional East Asian cultural values are closer to those of the first century biblical world than common Western cultural values In this work Vaughn demonstrates how paying attention to East Asian culture provides a helpful lens for interpreting Paul s most complex letter and we see how honor and shame shape so much of Paul s message and mission

The Real Royal Family James E. Schultz,2021-03-26 God made human beings in his image and that is what makes us so valuable Yet there are vastly different ideas of what the image means and how sin affects the image and each of those ideas impacts the claim that the image grounds human value People have treated one another in either horrible or wonderful ways based on their theologies of the image This book examines the logical implications of various image doctrines in the real world Also in Genesis 1 26 27 the image of God is closely tied to the first stated purposes of human life in Genesis 1 28 Yet such practical purposes seem remote from the private spirituality of the gospel story often heard in churches To live out our part in God s creation project we need to understand the image of God within the unfolding story Scripture narrates from creation to new creation This book builds a theology of the image of God by situating it firmly in the biblical narrative harnessing the insights of biblical theology and conversing with theologians past and present to form a coherent story of God his children and his creation in this age and the age to come

The Chosen People A. Chadwick Thornhill,2015-10-29 In this careful and provocative study Chad Thornhill considers how Second Temple understandings of election influenced key Pauline texts with sensitivity to social historical and literary factors While Paul is

able to move beyond ancient categories of a collective view of election Thornhill shows how he also follows these patterns
