Victorian social dynamics through the eyes of a young protagonist navigating the complexities of urban life. Written in a captivating narrative style that combines adventure with moral instruction, Leslie weaves together themes of friendship, trust, and the perils of city life. Set against the backdrop of industrial London, the story provides an authentic portrayal of societal challenges, class distinctions, and the transformative power of personal experiences, appealing to readers who appreciate richly detailed settings and character-driven plots. Emma Leslie, a prolific writer of children's literature in the 19th century, often drew from her own encounters with various societal norms and the intricacies of youth. Her experiences as a governess and deep understanding of the Victorian era illuminate the characters and situations in her work. This background likely influenced her desire to address the moral dilemmas faced by young people, making her narratives not just entertaining but also didactic. *A Dangerous Friend* is highly recommended for enthusiasts of classic children's literature and social commentary. Readers interested in a well-crafted narrative that offers insight into urban youth and the moral questions they confront will find this book both enlightening and engaging, highlighting Leslie's unique voice in the literary canon.

Mokhtar Sahnoun, 2023-12-14. Pour avoir toujours tourmenté ses débuts, devenu apollinien par la suite, Mokhtar Sahnoun est l'auteur d'une œuvre romanesque nourrie de poésie, de l'adolescence, l'œuvre de la maturité, passionnée et esthétique, du visionnaire de l'intriorité profuse et voilée. Un souffle lyrique, dit-on sans panache, dans cette prose poétique, les lances assoiffées et conquérantes du corps et de l'âme, du cœur et de l'esprit, vers l'amour et l'altérité, les éléments et la transcendance, l'art et le mystère, l'immanence et la transparence de l'homme et du style, comme un appel à la vie supérieure. Des chercheurs tunisiens, marocains et français se penchent dans ce volume sur ses écrits et en proposent des lectures analytiques et critiques.
