

The Legacy

A winged figure, possibly an angel or a personified spirit, is depicted in a dynamic pose, reaching upwards with one arm towards a bright, glowing light source. The figure's wings are spread wide, and the overall scene is set against a dramatic, cloudy sky with warm, golden-brown and reddish tones. The figure appears to be emerging from or interacting with the light, creating a sense of divine inspiration or legacy.

Pathologizing Black Bodies Constante González Groba, Ewa Barbara Luczak, Urszula Niewiadomska-Flis, 2023-05-18

Pathologizing Black Bodies reconsiders the black body as a site of cultural and corporeal interchange one involving violence and oppression leaving memory and trauma sedimented in cultural conventions political arrangements social institutions and most significantly materially and symbolically engraved upon the body with the self often deprived of agency and sovereignty Consisting of three parts this study focuses on works of the twentieth and twenty first century fiction and cultural narratives by mainly African American authors aiming to highlight the different ways in which race has been pathologized in America and examine how the legacies of plantation ideology have been metaphorically inscribed on black bodies The variety of analytical approaches and thematic foci with respect to theories and discourses surrounding race and the body allow us to delve into this thorny territory in the hope of gaining perspectives about how African American lives are still shaped and haunted by the legacies of plantation slavery Furthermore this volume offers insights into the politics of eugenic corporeality in an illustrative dialogue with the lasting carceral and agricultural effects of life on a plantation Tracing the degradation and suppression of the black body both individual and social this study includes an analysis of the pseudo scientific discourse of social Darwinism and eugenics the practice of mass incarceration and the excessive punishment of black bodies and food apartheid and USDA practices of depriving black farmers of individual autonomy and collective agency Based on such an interplay of discourses methodologies and perspectives this volume aims to use literature to further examine the problematic relationship between race and the body and stress that black lives do indeed matter in the United States

The Social Safety Net Nora Loreto, 2024-08-13 THE HILL TIMES TOP 100 BOOKS OF 2024 Canada's social safety net is fraying Why does it feel like everything is collapsing Canada is at a crossroads Social services and politics have been transformed to serve market economies while Canadians struggle to pay rent buy food and find a stable job that pays well enough to cover daily costs Everywhere we look things are falling apart but there's still time to reverse the decline The Social Safety Net the first book in the Canada in Decline series tracks the forty year attack on Canada's welfare state As neoliberalism has matured Canadians have seen the impact of these attacks unreliable healthcare crises in education and social services and a society that feels like it is losing cohesion This series tells the story of Canada's untenable status quo and the forces that have led us to where we are today It outlines the choices we need to make to fix all that is crumbling around us as well as the possible paths forward

Slow Light: Invisibility, Teleportation, And Other Mysteries Of Light Sidney Perkowitz, 2011-07-26 Slow Light is a popular treatment of today's astonishing breakthroughs in the science of light Even though we don't understand light's quantum mysteries we can slow it to a stop and speed it up beyond its Einsteinian speed limit 186 000 miles/sec use it for quantum telecommunications teleport it manipulate it to create invisibility and perhaps generate hydrogen fusion power with it All this is lucidly presented for non scientists who wonder about teleportation Harry Potter invisibility cloaks and other fantastic outcomes Slow Light shows how the real science and the fantasy inspire each other and projects light's incredible future Emory physicist Sidney Perkowitz discusses how we are harnessing the mysteries of light into technologies like lasers and fiber optics that are transforming our daily lives Science fiction fantasies like Harry Potter's invisibility cloak are turning into real possibilities Please click here for more info at [We Didn't Fight for Socialism](#)

We Didn't Fight for Socialism Oliver L. North, David Goetsch, 2021-07-21 As seen on Hannity We Didn't Fight for Socialism brings many powerful voices to bear against America's greatest threat I spent nearly forty years opposing foreign enemies only to realize freedom's adversaries have been raised right here My friends Ollie North and David Goetsch have delivered what may be the most important book you'll read this year

LTG William G Jerry Boykin U S Army Ret executive director of Family Research Council and author of *Man to Man Veterans* we interviewed and surveyed for this book as well as veterans we have talked to over the years made it clear they did not join the military to fight for socialism Many of the veterans interviewed and surveyed for this book said they served in the military because they loved the freedom and opportunity afforded them by our country as well as the values that have long characterized America To them America has always been the good guy in the community of nations A socialist America in the eyes of these veterans will no longer be a good guy

Music City Melbourne Shane Homan, Seamus O'Hanlon, Catherine Strong, John Tebbutt, 2021-12-02 How did Melbourne earn its place as one of the world's music cities Beginning with the arrival of rock n roll in the 1950s this book explores the development of

different sectors of Melbourne's popular music ecosystem in parallel with broader population urban planning and media industry changes in the city. The authors draw on interviews with Melbourne musicians, venue owners and policy makers documenting their ambitions and experiences across different periods with accompanying spotlights on the gendered multicultural and indigenous contexts of playing and recording in Melbourne. Focusing on pop and rock, this is the first book to provide an extensive historical lens of popular music within an urban cultural economy that in turn investigates the contemporary nature and challenges of urban music activities and policy. *God Is Not a White Man* Chine McDonald, 2021-05-27 Shortlisted for the 2023 Michael Ramsey Prize. What does it mean when God is presented as male? What does it mean when from our internal assumptions to our shared cultural imaginings God is presented as white? These are the urgent questions Chine McDonald asks in a searing look at her experience of being a Black woman in the white majority space that is the UK church, a church that is being abandoned by Black women no longer able to grin and bear its casual racism, colonialist narratives and lack of urgency on issues of racial justice. Part memoir, part social and theological commentary, *God Is Not a White Man* is a must read for anyone troubled by a culture that insists everyone is equal in God's sight yet fails to confront white supremacy, a lament about the state of race and faith and a clarion call for us all to do better. This book is much needed medicine for a sickness that we cannot ignore. The Most Rev Michael B Curry

Handbook of the American Novel of the Nineteenth Century Christine Gerhardt, 2018-06-11 This handbook offers students and researchers a compact introduction to the nineteenth century American novel in the light of current debates, theoretical concepts and critical methodologies. The volume turns to the nineteenth century as a formative era in American literary history, a time that saw both the rise of the novel as a genre and the emergence of an independent confident American culture. A broad range of concise essays by European and American scholars demonstrates how some of America's most well known and influential novels responded to and participated in the radical transformations that characterized American culture between the early republic and the age of imperial expansion. Part I consists of 7 systematic essays on key historical and critical frameworks including debates about race and citizenship, transnationalism, environmentalism and print culture as well as sentimentalism, romance and the gothic, realism and naturalism. Part II provides 22 essays on individual novels, each combining an introduction to relevant cultural contexts with a fresh close reading and the discussion of critical perspectives shaped by literary and cultural theory.

Malicious Intent David Barton Smith, 2023-10-15 Do we want to perpetuate a Jim Crow health system? A brilliant idealistic physician named Jean Cowsert asked that question in Alabama in 1966. Her answer was no, and soon after she died under suspicious circumstances. Unearthing the truth of Cowsert's life and death is a central concern of David Barton Smith's *Malicious Intent*. Unearthing the grim history of our health care system is another race-related disparity in American death rates exacerbated once again by the COVID-19 pandemic. Have persisted since the birth of the modern US medical system a century ago. A unique but perpetually unequal history has prevented the United States

from providing the kind of health care assurances that are taken for granted in other industrialized nations The underlying story is one of political medical and bureaucratic machinations all motivated by a deliberate Jim Crow systemic design In *Malicious Intent* David Barton Smith traces the Jean Cowser story and the cold case of her death as a through line to explain the construction and fulfillment of an unequal health care system that would rather sacrifice many than provide for Black Americans Cowser's suspicious death came at a key moment in the struggle for universal health care in the wealthiest country on earth *Malicious Intent* is a history of those failed efforts and a story of selective amnesia about one doctor's death and the movement she fought for *A Century at Langley* Joseph R. Chambers, 2017

The Gratifications of Whiteness Ella Myers, 2022 The first book length study of W E B Du Bois's conceptualization of American whiteness W E B Du Bois famously argued that whiteness in the US in the late nineteenth and early twentieth centuries functioned as a public and psychological wage offering valuable social standing to even the poorest of whites Such compensation dependent on the devaluation of Black existence helped secure the US capitalist regime and prevent interracial class solidarity This book argues that Du Bois's influential account of compensatory whiteness is crucially important but also incomplete For Du Bois whiteness was never one thing but many Focusing on Du Bois's middle period work about 1920-1940 Ella Myers uncovers an overlooked complex analysis that theorizes whiteness as a source of varied gratifications These gratifications include not only the status rewards of racial capitalism but also the enjoyment of gratuitous Black suffering and the conviction that the planet belongs to those marked as white The book shows that Du Bois's analysis developed in response to the pressing political problems of his own day also offers insight into 21st century struggles for racial justice Myers argues that it is important to recognize the extent to which anti-Blackness continues to underwrite plural and deeply disturbing forms of white gratification here and now Doing so helps explain the tenacity of America's unequal racial order and also reveals why creative multifaceted strategies of resistance are necessary to end it

[Advocating for Palestine in Canada](#) Emily Regan Wills, 2022-05-31T00:00:00Z Why is it so difficult to advocate for Palestine in Canada and what can we learn from the movement's successes This account of Palestine solidarity activism in Canada grapples with these questions through a wide ranging exploration of the movement's different actors approaches and fields of engagement along with its connections to different national and transnational struggles against racism imperialism and colonialism Led by a coalition of students labour unions church groups left wing activists progressive presses human rights organizations academic associations and Palestinian and Jewish community groups Palestine solidarity activism is on the rise in Canada and Canadians are more aware of the issues than ever before Palestine solidarity activists are also under siege as never before The movement advocating for Palestinian rights is forced to contend with relentless political condemnation media blackouts administrative roadblocks coordinated smear campaigns individual threats legal intimidation and institutional silencing Through this book and the experiences of the contributing authors in it many seasoned veterans of the movement *Advocating for Palestine in*

Canada offers an indispensable and often first hand view into the complex social and historical forces at work in one of our era s most urgent debates and one which could determine the course of what it means to be Canadian going forward

Hawthorn Bill Vaughn, 2015-05-26 One of humankind s oldest companions the hawthorn tree is bound up in the memories of every recorded age and the plot lines of cultures all across the Northern Hemisphere Hawthorn examines the little recognized political cultural and natural history of this ancient spiky plant Used for thousands of years in the impenetrable living fences that defined the landscapes of Europe the hawthorn eventually helped feed the class antagonism that led to widespread social upheaval In the American Midwest hawthorn inspired hedges on the prairies made nineteenth century farming economically rewarding for the first time Later in Normandy mazelike hedgerows bristling with these thorns nearly cost the Allies World War II Bill Vaughn shines light on the full scope of the tree s influence over human events He also explores medicinal uses of the hawthorn the use of its fruit in the world s first wine and the symbolic role its spikes and flowers played in pagan beliefs and Christian iconography As entertaining as it is illuminating this book is the first full appreciation of the hawthorn s abundant connections with humanity
