Nice Saving Baby Womans Racehorse Redemption:

Saving Baby Jo Anne Normile, Lawrence Lindner, 2014-10-21 If we see cruelty or wrong that we have the power to stop and do nothing we make ourselves sharers in the guilt Anna Sewell author of *Black Beauty* Jo Anne Normile was not supposed to keep the foal an exuberant Thoroughbred with only a few white hairs on his reddish brown forehead But she fell in love with the young horse who had literally been born into her arms The breeder finally said she could keep the colt whom she nicknamed Baby but only if she raced him It was difficult to take Baby away from the safety of his pasture But Normile had made a promise Besides horseracing had always come across as a glamorous blend of mint juleps and celebrity of equine grace and speed It was a vision she found appealing And she fell hard for it this Sport of Kings She experienced a thrill every time Baby sprinted around the track edging out other horses But the magic that enchants is a veneer For every Seabiscuit there are tens of thousands of racehorses whose lives end in pain and despair with indifference and corruption that runs rampant through the world of horse racing Normile knew none of this Not until an accident on a poorly maintained track That s when everything changed That s when Normile founded the most successful horse rescue in the country an organization that would go on to save more horses than anyone else ever had That s when she knew she had no other choice *Saving Baby* is Jo Anne Normile s story of perseverance and passion A heartbreaking and ultimately life affirming book it testifies to the transcending power of hope and the unshakeable bond of love
