Nice Welcome Outback Sue Williams:

Welcome to the Outback Sue Williams, 2012-03-21 The Outback isn't a place on a map it's a place in your heart It's an attitude how you treat people a way of behaving It's your belief system and how a whole nation of Australians often long for a time when life was simpler less complicated more genuine Sue Williams has long been fascinated by the Outback its striking landscapes the salt of the earth characters it breeds its wonders and its weirdness But to date her focus has been on others' lives Now putting her bravest foot forward Sue sets out to see our country as it really is warts and all She accepts every new challenge that comes her way including pregnancy testing cows at a remote property joining a cattle drive across Queensland visiting the deadliest town in Australia and fronting up to a ferocious fighter in the last boxing tent in the world It's tough for a city slicker but she won't stop until she discovers what the real Outback is all about

Outback Heroines: True stories of hardship, heartbreak and resilience Sue Williams, 2013-09-25 From horse whispering to crocodile hunting to single handedly changing an 80 kilo flat tyre on a road train in 40 degree heat there is nothing these modern day outback women can't do But when it comes to hardship and heartbreak they've endured far more than their fair share Living and working in some of the most remote spots in the world they've had to become experts at turning tragedy into triumph Our former Miss World finds a new start in the bush an adventurer crosses one of the world's harshest deserts on camelback a single mum becomes a truck driver to make ends meet and a former nurse takes over the famous Birdsville Hotel This book is a tribute to the great Australian Outback from those who live and work at the heart of it These women simply took my breath away with the kind of courage daring and resilience that have seen them overcome sometimes crushing difficulties Georgie Parker

Left for Dead: A True Story of Resilience and Courage Laurence Barlow, Samantha Barlow, Sue Williams, 2013-08-21 Samantha Barlow doesn't stand a chance As she walks briskly past the start of Arthur Park on her left she can't see a dark figure slinking out of the shadows towards her The first she knows of his presence is when she feels a blow hard to the back of her head delivered with such force it actually dents her skull Samantha Barlow's life changed the day she was brutally attacked on the way to work in Sydney's notorious Kings Cross The popular confident young woman was left for dead dragging herself to a lonely bus stop desperate to stay alive for her two young children The police who attended the crime scene didn't recognise their colleague Inspector Laurence Barlow watched helplessly as his wife's life lay in the balance He'd spent his career stopping violent offenders but now found himself on the other side of a crisis Samantha was a highly respected sergeant but she could have been any woman her attacker was a junkie after money Her story touched people everywhere her resilience her indomitable spirit and her triumphant return to work after 22 months of rehab is an inspiration to all Australians This is a brave family's journey to recovery
