Aleks Sierz,2019-12-12 London s West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In **Good Nights Out** Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre s role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield s *Worm s Eye View* and Hugh Hastings s *Seagulls Over Sorrento* to well known mega hits such as *The Mousetrap* and *The Phantom of the Opera* Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre Motion Picture Herald ,1926 Life ,1928

Canadian Moving Picture Digest ,1926 *Encyclopedia of Post-Colonial Literatures in English* Eugene Benson,2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide Buster's Book Donald Junkins,2012-11 Providing insight in a family s history against the backdrop of major world wars *Buster s Book* offers a collection of more than a thousand letters exchanged during the twentieth century as young men provided service to their country In this memoir author Donald Junkins has compiled letters diaries interviews recollections and photographs of the family s participants in both world wars

and the Korean and Vietnam wars This fascinating historical record includes the stories of a variety of escapades from single handedly opening an eight year old Nazi prison c and to the rescue in Korea of wounded men stalled in a jeep in the middle of a freezing river that culminated in the awarding of the Silver Star Buster s Book reflects both the lives of a middle class American family during these years and the daily activities of two generations of young American men at war
