Soul-Wrestling Ken Bazyn, 2016 Here you will find a weekly devotional for Christian disciples of all stripes but with a different twist it is a series of brief spiritual ruminations accompanied by black and white photographs so you can meditate on the verbal and the visual at the same time synesthesia The more senses entangled up in a memory the more likely we will make it our own Each week you will encounter a Scripture reading a recommended hymn a lead in quotation probing comments on the selected theme and a closing prayer These all work together to create an ambience which promotes spiritual growth Material has been culled from world literature and major church figures whether Eastern Orthodox Catholic or Protestant as well as a variety of disciplines e g sociology psychology anthropology physics The photographs range from the pensive to the humorous manikins to real people flora to fauna street scenes to pastorals contrasty shadows to high noon brightness Monochrome is out of sync with today's technicolor extravaganzas so the images allow the reader to pause and reflect

Creation Groans On Ken Bazyn, 2021-03-18 We live in a sacramental universe where each and every object we encounter can in the twinkling of an eye signify God's presence In the introductory essay Christ himself is imaginatively likened to that king of the savanna the lion Bazyn's nature poems via bright and subtle similes move freely between the abstract and the specific the static and the dynamic the solemn and the whimsical in an entrancing series of acrobatic maneuvers Spring rain elicits the Great Awakening a bumper harvest heralds the first Thanksgiving a mist covered waterfall excites a chance reverie a flower in bloom infuses the ordinary with the supernatural an animal game amusingly depicts quotidian diversity hope warbles full throatedly during an eclipse human grandeur seems dwarfed by El Capitan a collection of disparate incalculable items clarify the limits of reason creation itself groans on in anticipation of future transfiguration To enhance each poem's significance a striking black and white 35mm image is added whether a luminous landscape or an exquisite close up as both flora and fauna offer up their ceaseless praise Language itself cracks and bends into ever more unusual shapes and forms Bazyn's vision recalls that of Gerard Manley Hopkins who endeavored to decode nature's hidden symbolism

Artistic Alchemy Ken Bazyn, 2017-11-09 Bazyn's poems seek to encourage Christians of all stripes to present a new song unto the Lord by actual example and useful advice All sorts of issues relating to creativity are touched upon whether theological psychological sociological philosophical linguistic or autobiographical Among the topics covered finding your own voice reading widely and deeply in the classics being spare concise in your style discovering your genuine self beneath its assorted masks taking occasional flights of fantasy considering your mind as a house of memory perfecting your art even in a miniature way Celebrating your mentors among the authors are Dickinson Donne and Hafez reflecting on your past by looking at old photographs drawing inspiration from home and family not allowing overly critical editors to stifle your creativity recognizing that the artistic life may be a lonely and perilous journey toward fulfillment seeking after God's will in all that you do never being afraid to head into deeper waters acknowledging that we are at best half converted souls Black

After a close reading of the imagery of Song of Songs in its ancient Near Eastern context Bazyn reveals the ins and outs of love via a series of startling metaphors His language is strong and direct commemorating intense emotions exposing varied vulnerabilities You hear tales of a music box a keepsake a valentine a love potion a romantic boat ride wistful longings punctuated by profound regrets The beloved is compared to a rugged outcropping urban architecture a bounding gazelle We encounter teasing and laughter nudity and deepened communion misunderstandings and tears There are bold entreaties at the beloved's door tongue in cheek conquests forbidden rendezvous everyday marital squabbles dream premonitions adolescent intrigues and heartrending partings Bazyn's lyrics run the gamut from Proust like sensory associations to consoling lullaby from frenetic mania to soulful self admonition He revisits Greco Roman classics e.g. the judgment of Paris the sorrowing nymph Echo Odysseus's faithful wife Penelope the revenge of Medea and reinterprets Scripture the sensual beauty of Sarah Hosea's marriage to a whore Jesus's parable of the foolish virgins Bazyn's imagery dances in your head The unretouched black and white photos help sear his ideas into your imagination You begin to reminisce about the vicissitudes of your own relationships *Humanity* Ken Bazyn,2019-01-16

How can one do justice to the heights and depths of the human condition its mind boggling accomplishments its horrid corruptions Christian tradition in its wisdom has acknowledged both extremes We are fallible amphibians composed of matter and spirit yet capable of intense communication with God Bazyn poetically expands on and dissects the conundrums Frustrations dog our every step and cravings overthrow us repeatedly Why are we so prone to duplicity to prejudice What causes us to explode in anger retreat into superficiality see only the short term Why do we mistreat and ridicule others e.g. the poor minorities women Free will itself can create saints or antiheroes Rich in vocabulary dense in allusions far ranging in insight at times aphoristic in style these poems are the outpourings of anguished authenticity What message is our town bell pealing today Why are there flaws beneath the smoothest of surfaces How is it that we so often follow a zigzag course If revelation comes it may blind us or shine but a dim shadowy half light Bazyn's spontaneous undoctored black and white images clarify and add nuance to each vital topic As Augustine forthrightly acknowledged in Confessions I have become a puzzle to myself **Apocalyptic Fervor** Ken

Bazyn,2022-12-06 The late Second Temple period in Judaism and the early Christian era witnessed the rise of apocalyptic literature its zenith being the New Testament book of Revelation Among its prominent features are the disparity between this world and the next a vision of God as coming judge at history's culmination and the call to perseverance during times of adversity Bazyn's poems are introduced by an elaborate fantasy of what heaven might be like citing a number of Christian writers throughout the centuries as well as sources from other world religions Then you'll encounter verse on the macabre

dance of death Orwellian tremors of totalitarianism premonitions of madness visits from an alien world a house of the Lord utterly destroyed lingering ambivalence regarding a loving but holy God a triumphant baaing lamb the cavortings of a holy fool a final gaze at earthly life from eternity's shore believers undergoing continuous divinization Bright 35mm color slides deepen the surreal atmosphere enabling you to feel the thin boundary between the ephemeral and eternal Qualms of conscience and mortality take center stage as the entire book turns into a searching exercise for the reader's spiritual formation
