Theology as Discipleship Keith L. Johnson, 2015-11-09 In this fresh and engaging text Keith Johnson examines how the discipline of theology not only leads to discipleship but is itself a way of following after Christ in faith Unlike other introductions that overview doctrines according to the Apostles Creed Johnson presents theology by describing the Christian life being in Christ hearing God's Word sharing the mind of Christ **The Inerrancy of Scripture** L. J.

Anderson, 2025-07-01 IN THE INERRANCY of Scripture L J Anderson tackles one of the most critical and contested doctrines in the Christian faith With clarity theological depth and pastoral concern this work explores what it means for Scripture to be inerrant how it differs from infallibility and why that distinction matters Anderson carefully examines the historical development of the inerrancy debate evaluates major contemporary viewpoints and demonstrates how the Bible's own claims about God and itself demand either full acceptance or complete rejection of its authority PERFECT FOR students pastors and anyone wrestling with the reliability of the Bible this concise yet robust defense argues that inerrancy is not a secondary issue rather it is foundational to faith doctrine and the very character of God If Scripture is truly God's Word then every word matters Contents Dedication Preface Abstract 1 Introduction 2 Overview of the Terms Inerrancy and Infallibility 3 Overview of the Major Different Views on Inerrancy 4 The Claims Scripture Makes About God and Itself Require Either a Total

The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it's often overlooked by modern pastors In *Hearers and Doers* Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples [Themelios](#).

Heavenly Imagery and Symbolism in Matthew's Gospel Daehoon Kang, 2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew's heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew's distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Matthew describes heaven as the space where certain events reveal God's plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25 31-46

Learning to Speak of God Mason Lee, 2023-11-16 What difference does the virtue of patience make for our ability to engage deeply in the practice of patience And how does patience help us grasp something more that is at the heart of preaching excellence Learning to Speak of God argues that the virtue of patience is vital to our faithful and deep preaching practice that patience is a homiletical virtue In doing so this volume asks us to consider the role of character in preaching and the work of specific virtues as we go about our preaching practice Along the way it names the importance of patience as a long acknowledged

Christian virtue and considers anew how this virtue shapes and empowers the practice of those who desire to preach in ways that participate in God's transforming work. For those who study practice or care about preaching, this volume identifies how any notion of what it means to preach well calls for those whose practice is infused with the virtue of patience. **The Doctrine of Good Works** Thomas H. McCall, Caleb T. Friedeman, Matt T. Friedeman, 2023-07-25 Christianity Today 2024 Book Award Academic Theology. In Titus Paul says Christ redeemed a people zealous for good works. Despite this declaration and others like it, the doctrine of good works has fallen on hard times in contemporary Protestant theology and practice. At best it is neglected as in most systematic theologies and in too much church teaching. At worst it is viewed with suspicion as a threat to salvation by grace alone through faith alone. In this important work addressing a significant gap in current theological literature, the authors argue that by jettisoning a doctrine of good works, the contemporary church contradicts historical Protestantism and more importantly biblical teaching. They combine their areas of expertise: exegesis, systematic and historical theology, and practical theology to help readers recover and embrace a positive doctrine of good works. They survey historical Protestant teaching to show the importance of the doctrine to our forebears, engage the scriptural testimony on the role of good works, formulate a theology of salvation and good works, and explore pastoral applications. **Journal of Biblical and Theological Studies, Issue 2.1** Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2017-03-29 The Journal of Biblical and Theological Studies (JBTS) is an academic journal focused on the fields of Bible and Theology from an interdenominational point of view. The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world. JBTS is concerned with presenting high-level original scholarship in an approachable way. Academic journals are often written by scholars for other scholars. They are technical in nature, assuming a robust knowledge of the field. There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students. JBTS seeks to provide high-level scholarship and research to both scholars and students, which results in original scholarship that is readable and accessible. As an interdenominational journal, JBTS is broadly evangelical. We accept contributions in all theological disciplines from any evangelical perspective. In particular, we encourage articles and book reviews within the fields of Old Testament, New Testament, Biblical Theology, Church History, Systematic Theology, Practical Theology, Philosophical Theology, Philosophy, and Ethics. *Christian Ethics* Steve Wilkens, 2017-06-27 Steve Wilkens edits a conversation between four major approaches to contemporary ethics in the Christian tradition: virtue, divine command, natural law, and prophetic. This accessible introduction includes contributions by Brad Kallenberg, John Hare, Claire Peterson, and Peter Heltzel. **Biblical Hermeneutics in the Metamodern Mood** Seán M. W. McGuire, 2024-07-23 Why do contemporary Christians seem to routinely talk past one another amid contentious theological debates? In this illuminating study, Sean M. W. McGuire argues that interpreters' lack of self-critical reflection on the process of interpretation and compounding cultural factors are problematizing interpretive practice. Thus, to work through difficult topics, Christians need

to develop the ability to reflect on the complexity informing how they interpret Scripture and how they see others interpreting Scripture so that they can coherently and constructively discuss their interpretations with others Grounding the study in the discipline of practical theology McGuire utilizes the cultural theory of metamodernism and the hermeneutics of Hans Georg Gadamer 1900 2002 together with a proposed revision of the Wesleyan Quadrilateral to develop a paradigm for observing and describing differences in biblical interpretive practice Using current debates regarding sexuality as an illustrative example the project reveals the complexity underlying contemporary interpretive practice showing that amid this complexity the prioritization or lack thereof of theological reflection sources prompts certain interpretive conclusions Perceiving the multivalent nature of interpretation readers will be equipped to think carefully and critically about how they come to their biblical interpretive conclusions and how those conclusions inform transformed living in Christ

Rooted Again Lillian C. Smith, 2022-11-14 Many established congregations are in need of revitalization It is as if in all of the good efforts of ministry the mission has been forgotten The mission of the church is to make disciples of Jesus Christ for the transformation of the world Disciple making in many churches has diminished which was both caused by and resulted in a loss of understanding of the mission of the church and a low prioritization of reaching new people for Jesus Christ This book will provide insight into some of the causes of the situation identify possible spiritual hindrances to ministry and offer strategies for the congregation to reclaim its spiritual foundation and calling

Models and Methods for Youth and Young Adult Ministry Arthur David Canales, 2018-05-25 Models and Methods for Youth and Young Adult Ministry is a rare book on young adult and youth ministry in that it weaves sound theology and solid pastoral practice It invites pastoral practitioners scholars in the field and university ministry students to envision various models and methods for doing youth and young adult ministry in a collaborative and ecumenical way Through rich concrete examples and strategies the reader will grasp the significance of each model and the various methods to integrate and implement these robust approaches The result is this book will empower readers toward a more meaningful understanding of youth and young adult ministry which will in turn engage the young church of Christ

The Logic of the Spirit in Human Thought and Experience Dana R. Wright, Keith J. White, 2014-09-18 In March 2012 a small consultation convened on the campus of Princeton Theological Seminary where James E Loder Jr had served for forty years as the Mary D Synnott Professor of the Philosophy of Christian Education Members from the Child Theology Movement had begun to read Loder s work and they wanted to go further So they invited former students of Loder s to meet with them for conversations about things that really mattered to them and to Loder human beings and especially children the church s witness to the gospel of Jesus Christ and discerning the work of Spiritus Creator in the postmodern world The conversations proved rich and rewarding and some would even say they took on a life of their own serious scholarship set to the music of the Spirit s communion creating artistry forming new relationships inspiring new ideas and sustaining all of it amid much laughter joy and hope These essays taken from the

papers delivered at the consultation are offered as a means of extending that conversation inspired by Loder's interdisciplinary practical theological science and his discernment of the logic of the Spirit. They are offered with confidence that the same Spirit continues to work in all persons who hope for the Spirit's redemptive transformation of all creation beginning with children.

Standing under the Cross Michael Mawson, 2023-09-07 *Standing Under the Cross* focuses on Bonhoeffer's rich theological and ethical thinking. It places Bonhoeffer in conversation with a wide range of modern theologians including Karl Barth, Franz Rosenzweig, Jürgen Moltmann, and James Cone. The book gives particular attention to hermeneutics, the body, and Bonhoeffer's rich reflections on community and discipleship. Mawson attends to the complex ways in which these aspects of Bonhoeffer's thinking work together and shows how they can assist us in responding to some of the challenges confronting us today.

The Bonhoeffer Legacy Terence Lovat, 2014-09-01 *The Bonhoeffer Legacy* An International Journal is a fully refereed academic journal aimed principally at providing an outlet for an ever-expanding Bonhoeffer scholarship in Australia, New Zealand, and the South Pacific region, as well as being open to article submissions from Bonhoeffer scholars throughout the world. It also aims to elicit and encourage future and ongoing scholarship in the field. The focus of the journal, captured in the notion of Legacy, is on any aspect of Bonhoeffer's life, theology, and political action that is relevant to his immense contribution to twentieth-century events and scholarship. Legacy can be understood as including those events and ideas that contributed to Bonhoeffer's own development, those that constituted his own context, or those that have developed since his time as a result of his work. The editors encourage and welcome any scholarship that contributes to the journal's aims. The journal also has book reviews.

Let Justice Flow Like Water Joshua M. Greever, D. A. Horton, Justin McLendon, 2025-06-01 Edited by Joshua M. Greever, D. A. Horton, and Justin McLendon, *Let Justice Flow Like Water* addresses the strained relationship between social justice, the gospel, and the mission of the church. In response to the misuse of Scripture to promote personal ends, the volume reorients the conversation around justice and centers it in the biblical text and its theological implications. The authors provide practical wisdom and points of application to pastors, ministry leaders, and students. The authors examine the most frequently cited texts on biblical justice through a coherent biblical and systematic theological method. The result is a glimpse into God's heart for justice and his desire for humanity, especially the church, to share this heart. The volume's theology is supplemented by practical guidance to pastors so that they can lead their churches to embrace the gospel and social justice properly understood. *Let Justice Flow Like Water* serves as an irenic reminder to pastors, students, and educated lay people to return to the biblical text to understand it more accurately and to reengage and understand one another in a winsome fashion for the sake of the gospel, the mission of the church, and the glory of God.

Rooted Leadership John Johnson, 2022-06-14 Behind many of the challenges facing us today is a failure of leadership. This is not a new problem. Yearning for wise guidance and effective authority is a perennial human longing. We need leaders who are credible, competent, and committed. But many leaders seem to be caught up, even consumed, with their

own power and agendas Some see the leadership crisis as an intellectual problem believing we lack a clear theory of leadership Others view the breakdown of leadership as a result of increasing deficiency in moral character Most leadership books today revolve around the concepts of motivation inspiration empowerment and teamwork Helpful as these themes might be they miss something more fundamental Leadership needs a theological foundation that will be useful for shaping the undergirding principles and evaluating current leadership theories and practices We need to view leadership from the vantage point of God In *Rooted Leadership* John E Johnson explores how Christian theology provides an overarching leadership framework and applies that theory to leadership practices Spiritual reflection guided by scripture points us to the very center of leadership God and the purpose of leadership that we might display his glory All the best forms of leading take their cues from who God is his purposes and his ways of working with people that he has progressively revealed Building on three decades of research study and experience as a global leader Johnson surveys the landscape of contemporary leadership theory unpacks the assumptions and beliefs that underly current trends and responds by offering a robust approach to leadership founded on the character work and words of God
