Satisfaction Jereine Harris, 2018-02-16 My aspiration for romance inspired me to write *Satisfaction* I wanted to show just how romantic and sensual I can be especially at a young age The readers probably missed the fact that Jermaine which is the name of the main character in *Satisfaction* is actually my middle name I pictured myself as if I was in his situation I wrote the book as if I was trying to get the love of my life back I guess you could say that I based *Satisfaction* off my real life experience with love First writing was a way to relieve my stress and then it became a hobby when I started getting creative with it Then I realized I could be the master of romance from the way Jermaine proposed to Nicole at the end I did not realize how romantic I could be until I finished writing *Satisfaction* I thought about what I had to do to go above and beyond for my girlfriend my fiancée or my wife
