Night Hawks Tac Leader Volume 2:

Live Well and Live Wisely: Vol 2 Sharon Ahern, SURVIVE Live Well and Live Wisely Volume 2 Edited by Sharon Ahern Stay safe It s a dark and stormy night The city streets and sidewalks are layered with snow and ice your concentration is focused on getting home safely without a fall Do you see that shadowy figure standing in the alleyway You make it safely to the parking lot Your vehicle is sharing a space with a wall of recently plowed snow The hairs on the back of your neck stand up Do you know what to do Winter brings its own unique situations and Jim Cobb survival expert reminds us of what we should never leave the house without and Sean Ellis gives us practical advice on how to stay warm in bad situations You want to come up with a unique password to keep your computer safe Feed your family well the old fashioned way How about making a sword or wielding a machete Get rid of the winter doldrums Winter can be harsh Let s do what we can to soften the blow Articles by Jerry Ahern Sharon Ahern Bob Anderson Jim Cobb Sean Ellis Phil Elmore Paul Meyer Don Tope And More

Night Hawks Bob Anderson, Live Well and Live Wisely: Vol 5 Sharon Ahern, SURVIVE Live Well and Live Wisely Volume 5 Edited by Sharon Ahern Last year was spent waiting for things to get better and returning to normal So far this year we re still waiting and have realized that some of the changes made have become life s new normal We ve learned to adapt and embrace new ways to deal with obstacles facing us Maybe you feel now would be a good time to start that business you ve been dreaming about or perhaps determine a different path for your children s education Have you considered raising chickens to upgrade your food supply and to save some cash Reloading ammo can save money as well and can be an interesting hobby When was the last time you thought of raiding your weed patch in order to make wine Speaking of weed do you know the good and bad effects of marijuana Learn how beads can help you find your way home and sticks can protect you Oh we let the dogs out and boy did they get stinky Articles by Jerry Ahern Sharon Ahern Bob Anderson Phil Elmore Jennifer Harshman Gary Roen **The Quisling Covenant** Jerry Ahern, Everyman Jerry Ahern, **Deep Star** Jerry Ahern, **Collected Thoughts and Random Reasonings** Bob Anderson, Long ago I began a journey It was a journey to find truth learn truth and record truth Sometimes the best way to find and learn was to record the questions and answers I had about truth It was a journey that lasted for years and one day I found the notebooks I had used to record the truths I found I found those books had kept track of me even though I thought they were lost to time and the past It was humbling to read these words again and see the day I first saw or heard them They came at me as I needed to see them or hear them I think they will do the same with you I eventually put some of my own musings in there you now have it all Thoughts that I had for years things I believed I had always believed and thoughts I thought I had always thought were laid bare I saw and remembered when I collected those thoughts and reasonings Then I found something else totally unexpected my journey was not finished the game was not finished not yet Grab a notebook sharpen your pencil and listen to your own truths wherever you find them What Honor Requires Bob Anderson, *Retribution* Bob Anderson , On September 6 2001 I was at

Sheppard Air Force Base in Wichita Falls Texas attending a military function That night I had a heart attack I was released from the hospital on September 10 and my wife and I were scheduled to fly home the next day That day was September 11 2001 On September 11 2001 I remember driving across Texas and not seeing a single aircraft except those of the Air National Guard That attack was designed to weaken us It was designed to frighten us What it did was make us mad and give us focus Sadly many Americans have returned to the mentality of the pre 9 11 days But for a moment a brief moment we stood together When I started Retribution we were still searching for Osama bin Laden In fiction the TAC Team found him In reality it was the SEALs In both cases he got what he deserved The way of the warrior is to be judged by whom you call friend and by the worthiness of your enemy One loved one hated hopefully both respected So here is TAC Leader Retribution It is from the warrior in me to the warrior in you Bob Anderson **Anderson's Rules** Bob Anderson, **Grandfather Speaks Again** Bob Anderson, Have you ever lost a friendship and had no idea why IF you had the chance to meet and talk with your heroes to get the answers would you IF they offered you advice and wisdom on how to solve a particular problem would you listen Do you have heroes but haven t yet learned how to tune into their messages their accomplishments and their lives to find some measure of meaning in your own Grandfather has returned to visit with Bob Anderson as he struggles with friendships And this time Grandfather has brought friends to help enlighten Bob as he ponders Is the reality that real people experience the only reality we have Is everything else simply coincidental or accidental Can our fictional heroes really impact our lives We try on parts of other people to see if they fit What does we keep what doesn t we discard In the process we become who we are supposed to be Nothing is coincidental or accidental Grandfather and his friends impart ageless truths to lift your heart and open your eyes When Grandfather Speaks Again what will you hear What will you learn
