Historical Dictionary of Afghan Wars, Revolutions, and Insurgencies Ludwig W. Adamec, 2005 Since its foundation in 1747 Afghanistan has seen seemingly limitless wars waged by the central government to consolidate its control over the country as well as rampant tribal warfare There have been three Anglo Afghan Wars 1839 42 1878 79 and 1919 a Russian backed Marxist government in Kabul battled a coalition of tribal armies which was soon followed by the Taliban takeover Now in the midst of a war against terrorism the United States is backing another central government in yet another sporadic

struggle All the information currently available on the endless chain of wars stretching over two and a half centuries is traced in this book It consists of the American involvement in Afghanistan since October 2001 as well as individual campaigns including tactics and logistics of skirmishes the weapons used and biographical entries on the significant leaders involved in the battles Extensive analysis of regional and ideological divisions within the country and the external forces that have brought around conflict in this remote mountainous region in addition to a chronology of the encounters an extensive bibliography and numerous maps and illustrations make this crucial volume indispensable *Wanat : Combat Action In Afghanistan, 2008 [Illustrated Edition]* Combat Studies Institute, 2014-08-15 Includes 16 maps photos and plans The Battle of Wanat occurred on July 13 2008 when about 200 Taliban guerrillas attacked NATO troops near the Quam large clan village of Wanat in the Waygal district in Afghanistan s far eastern province of Nuristan The position was defended primarily by U S Army soldiers of the 2nd Platoon Chosen Company 2nd Battalion 503rd Infantry Regiment Airborne 173rd Airborne Brigade Combat Team The Taliban surrounded the remote base and its observation post and attacked it from the Quam and the surrounding farmland They destroyed much of the Americans heavy munitions broke through U S lines and entered the main base before being repelled by artillery and aircraft American casualties included nine killed and 27 wounded while four Afghan National Army ANA soldiers were wounded The U S combat deaths represent the most in a single battle since the start of U S operations in 2001 The Battle of Wanat has been described as the Black Hawk Down of the War in Afghanistan as one of the bloodiest attacks of the war and one of several attacks on remote outposts In contrast to previous roadside bombs and haphazard attacks and ambushes this attack was well coordinated with fighters from many insurgent and terrorist groups with an effort that was disciplined and sustained which was able to target key assets such as the TOW launcher with precision The battle became the focus of widespread debate generating a great deal of interest and scrutiny among military professionals and from outside observers mainly due to the relatively significant number of coalition casualties

Bergen,2001-11-14 On September 11 2001 the world in which we live was changed forever The twin towers of the World Trade Center came crashing down one side of the Pentagon burst into flame and more than six thousand men women and children lost their lives in the most deadly terrorist attack on American soil As shocking as it was it had been long in the making The assault was the most sophisticated and horrifying in a series of operations masterminded by Osama bin Laden and his Jihad group an organization that CNN s terrorism analyst Peter Bergen calls Holy War Inc One of only a handful of Western journalists to have interviewed the world s most wanted man face to face Peter Bergen has produced the definitive book on the Jihadist network that operates globally and in secrecy In the course of four years of investigative reporting he has interviewed scores of insiders from bin Laden associates and family members to Taliban leaders to CIA officials and traveled to Afghanistan Yemen Egypt Pakistan and the United Kingdom to learn the truth about bin Laden s al Queda organization and his mission Immense in scope and unnerving in its findings Holy War Inc reveals How bin Laden lives travels and communicates with his cells How his role in the crushing defeat of the Soviet Union in Afghanistan made him a hero to Muslims all over the world and equipped him to endure a long and bloody

siege How the CIA ended up funding to the tune of three billion dollars radical anti American Afghan groups allied to bin Laden How the attacks that foreshadowed the destruction of the World Trade Center among them the bombings of the American embassies in Africa and the warship USS Cole in Yemen were planned and executed The dimensions of bin Laden s personal fortune and why freezing his assets is both futile and nearly impossible The ideology of bin Laden s number two the man who has influenced him most profoundly in his holy war the Egyptian Ayman al Zawahiri What we can expect from Islamist extremists in the future Above all Peter Bergen helps us to see bin Laden s organization in a radically new light as a veritable corporation that has exploited twenty first century communications and weapons technologies in the service of a medieval reading of the Koran and holy war Holy War Inc is essential reading for anyone trying to understand tomorrow s terrorist threats and the militant Islamist movements that could determine the fate of governments and human lives the world over Both author and publisher will donate a portion of the proceeds from this book to United Way s September 11th Fund for the relief of victims of the World Trade Center attacks

[Hunting Bin Laden](#) Rob Schultheis,2008-06-17 An in depth look at why America is losing the War on Terror and what we should do if we really want to defeat Osama bin Laden and al Qaeda I first met al Qaeda before there was an al Qaeda way back in the winter of 1984 It was an encounter that came within a split second of costing me my life So begins Rob Schultheis s gripping account of his journey into the heart of one of the world s most dangerous places on the trail of the world s most wanted man A veteran war correspondent he was one of a handful of Western journalists who covered the Russian war in Afghanistan from inside the country Schultheis offers a first hand look at how the seeds of al Qaeda were planted by foreign jihadists in the 1980s before most Americans knew what the word jihad meant He then offers a radical assessment of why bin Laden remains at large detailing the complicit role Pakistan has played in both offering him sanctuary and in helping al Qaeda establish an almost impregnable stronghold in the Middle East Finally fresh from a recent visit to Afghanistan and armed with analysis of current satellite imagery Schultheis makes his case for where exactly Osama bin Laden is hiding and why the U S government is not acting on this information

War, Politics and Society in Afghanistan, 1978-1992 Antonio Giustozzi,2000 This book is the first to analyze the institutions successes and failures of the People s Democratic Party of Afghanistan the pro Soviet regime that sought to dominate the country during the years of the Soviet military presence Antonio Giustozzi explores the military political and social strategies of the predominantly urban and Marxist regime as it struggled and ultimately failed to win the support of a largely rural and Islamic population Drawing on many Soviet materials not previously used by Western writers including unpublished Red Army documents and interviews with participants Giustozzi provides valuable new insights into the cold war and the rise of Islamic revolt
