## **Nice Book Training Your Own Service Book Ebook:**

**EBook Publication for Training** Joel Zarley, 2011-05-13 One of the hottest topics in personal technology right now is eBooks and eReaders But how can this technology apply to workplace training Training groups have long published user guides and training manuals but now eBooks can change the way we design and distribute these materials This book explores the different formats of eBooks covers the workflow of publishing eBooks using low cost tools and explores how the most popular eReaders can be leveraged for training material in your organization

**Crash Course in eBooks** Michele McGraw, Gail Mueller Schultz, 2016-10-11 Everything you need to know about eBooks is explained in this holistic guide to a new world of reading from selection and curation of an eBook collection to training and support for staff and patrons eBooks are a must for today's libraries making this introduction indispensable for those who have yet to delve into the ever expanding universe of downloadable material This crash course is an easy to use hands on approach that will simplify the decision and implementation processes It introduces you to eBooks and eReading and covers the many issues surrounding eBooks in circulating libraries including technology acquisition and training You'll learn how to launch a program what to buy how to let your public know you've added eBooks to your collection and how to circulate the materials The guide will also help you with decisions like vendor selection how many eBooks to purchase which delivery platforms to employ how best to offer access and licensing agreements Chapters can be consulted as stand alone overviews of key areas or the book can be used as a source of holistic instruction While it will be especially useful to small or rural circulating libraries including public libraries school libraries and specialty libraries that may have a small staff responsible for all aspects of library service tips on things like promoting an eBook collection are pertinent to enhancing any collection

**EBOOK: Professional Writing Skills for Social Workers** Louise Frith, Ruben Martin, 2015-11-16 Louise Frith is a Student Learning Advisor at the University of Kent UK specialising in writing skills and writing for academic purposes She teaches across disciplines including working with students on the BA and MA social work programmes Ruben Martin is Honorary Senior Lecturer in Social Work at the University of Kent UK and a freelance Practice Educator and Consultant He has also authored Teamwork Skills for Social Workers in this Social Work Skills in Practice series Communicating in writing is a highly valued skill which is central to the fabric of social work practice Good writing is critical in informing sound decisions in the interests of service users yet it is a skill that can often be neglected in the face of demanding social work roles This book aims to help social workers to write clearly accurately and objectively in all contexts so that they can communicate effectively with multiple audiences It gives social workers practical guidance and advice on how to write unambiguously efficiently and analytically demonstrating how important writing skills are to the professional identity of social workers Topics covered include Advice on all communication types including emails letters case notes reports funding applications and text messages Techniques for planning and organising your writing Using professional language and vocabulary appropriate to your audiences A

refresher on common grammar mistakes that can detract from your message Information on the legal frameworks you should be aware of when recording events conversations and recommendations Meeting the requirements of reports where space to express yourself may be at a premium Each chapter contains numerous exercises with examples of good analytical writing included to help writers to develop their own competence Case studies drawn from real scenarios relate the skills being discussed directly to practice This book is an indispensable manual for all social work students newly qualified social workers and experienced professionals who want a practical guide to improving their writing This book forms part of the Social Work Skills in Practice series The series focuses on key social work skills required for working with children and adult service users families and carers The books offer both theoretical and evidence informed knowledge alongside the application of skills relevant for day to day social work practice They are an invaluable resource for pre qualifying students newly qualified social workers academics teaching and researching in the field as well as social work practitioners including practice educators pursuing continuous professional development Professional writing is an essential part of a social worker s repertoire Poor professional writing is frequently criticised in particular in the courts making this volume an essential tool for social workers and students It is accessible and clearly written I highly recommend it Joyce Lishman Emeritus Professor
