# Nichiren Leader Of Buddhist Reformation In Japan

**Patrick Hein**

## **Nichiren Leader Of Buddhist Reformation In Japan:**

**Nichiren** Jack Arden Christensen,2001 Here is a chronicle of this important figure of Japanese Buddhism which tells of his conflicts with the rulers of his time and of his teachings Nichiren was a Buddhist reformer who saw the Lotus Sutra as the cornerstone of the Dharma His life and teachings continue to serve as an inspiration and guide for people s lives today

*Gyōnen's Transmission of the Buddha Dharma in Three Countries* Ronald S. Green,Chanju Mun,2018-06-05 Gy nen s Transmission of the Buddha Dharma in Three Countries is the first English translation of this work and a new assessment of it Gy nen 1240 1321 has been recognized for establishing a methodology for the study of Buddhism that would come to dominate Japan The three countries Gy nen considers are India China and Japan Ronald S Green and Chanju Mun describe Gy nen s innovative doctrinal classification system panjiao for the first time and compare it to other panjiao systems They argue that Gy nen s arrangement and what he chose to exclude served political purposes in the Kamakura period and thus engage current scholarship on the construction of Japanese Buddhism

**Historical Dictionary of Japan to 1945** Kenneth Henshall,2013-11-07 The Historical Dictionary of Japan to 1945 spans the entire period from the earliest evidence of human habitation in Japan through to the end of the Pacific War It includes substantial topics such as cultural and literary history with entries ranging from aesthetics to various genres of writing Other branches of history also feature such as economic history industrial history political history and so forth And of course there are the makers of Japanese history ranging from emperors and shoguns to politicians and extremists as well as foreign arrivals The early history of Japan is told through a detailed chronology an introductory essay appendixes an extensive bibliography and over 800 cross referenced dictionary entries on important people organizations activities and events The Historical Dictionary of Japan to 1945 will appeal to both academics and the general public who have an interest in Japan particularly those who want reliable information quickly and easily

*The Goddess and the Dragon* Patrick Hein,2014-10-02 Neoliberal globalization affects the livelihoods and socio economic conditions of people all over the world This is also true for Japan where increased foreign trade and foreign investments have dramatically changed the internal landscape of the country during recent decades There are many social groups for whom globalization has brought positive changes International Japanese companies and their employees for example have benefited from the commercial expansion and rise in trade exchanges How then does globalization influence the subjective experiences and worldviews of ordinary Japanese at the periphery How are local residents outside the centers of affluence affected by the global forces of mass consumerism and cultural diversity The local fisheries community of Katase Enoshima is very close to the megacities of Tokyo and Yokohama and is visited by almost ten million visitors a year This field research study examines how local residents have coped with the risks and opportunities of modern mass tourism both historically and in modern times This book contributes to a better understanding of the dynamics of social transformation processes The findings suggest that mass tourism is a double edged sword on one side residents try to attract consumer

tourists in large numbers because they depend economically on them on the other side they maintain strong and exclusive community bonds and self assert their cultural identity of pure Japaneseness through festivals religious zeal and myths In other words they benefit indirectly from globalization but they do not want to be part of it     Visions of Awakening Space and Time Taigen Dan Leighton,2008-12-31 As a religion concerned with universal liberation Zen grew out of a Buddhist worldview very different from the currently prevalent scientific materialism Indeed says Taigen Dan Leighton Zen cannot be fully understood outside of a worldview that sees reality itself as a vital dynamic agent of awareness and healing In this book Leighton explicates that worldview through the writings of the Zen master Eihei D gen 1200 1253 considered the founder of the Japanese S t Zen tradition which currently enjoys increasing popularity in the West The Lotus Sutra arguably the most important Buddhist scripture in East Asia contains a famous story about bodhisattvas enlightening beings who emerge from under the earth to preserve and expound the Lotus teaching in the distant future The story reveals that the Buddha only appears to pass away but actually has been practicing and will continue to do so over an inconceivably long life span Leighton traces commentaries on the Lotus Sutra from a range of key East Asian Buddhist thinkers including Daosheng Zhiyi Zhanran Saigyo My e Nichiren Hakuin and Ry kan But his main focus is Eihei D gen the 13th century Japanese S t Zen founder who imported Zen from China and whose profuse provocative and poetic writings are important to the modern expansion of Buddhism to the West D gen s use of this sutra expresses the critical role of Mahayana vision and imagination as the context of Zen teaching and his interpretations of this story furthermore reveal his dynamic worldview of the earth space and time themselves as vital agents of spiritual awakening Leighton argues that D gen uses the images and metaphors in this story to express his own religious worldview in which earth space and time are lively agents in the bodhisattva project Broader awareness of D gen s worldview and its implications says Leighton can illuminate the possibilities for contemporary approaches to primary Mahayana concepts and practices     **Religions of the World** J. Gordon Melton,Martin Baumann,2010-09-21 This masterful six volume encyclopedia provides comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world s smaller religious outposts Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices is an extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia s six volumes offer entries on every country of the world with particular emphasis on the larger nations as well as Indonesia and the Latin American countries that are traditionally given little attention in English language reference works Entries include profiles on religion in the world s smallest countries the Vatican and San Marino profiles on religion in recently established or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world s most remote places Antarctica and Easter Island Religions of the World is unique in that it is based in religion on the ground tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world its major geographical sites and its major

celebrations Unlike other works the encyclopedia also covers the world of religious unbelief as expressed in atheism humanism and other traditions      *Evolution of Early Humans to Modern Humans (FREE BOOK) by Darshan Singh* Darshan Singh,2025-07-11 The book *Evolution of Early Humans to Modern Humans* by Darshan Singh is the second in a trilogy titled *Universe is the Mother of Humans* traces human development from ape like ancestors over 6 million years ago to modern *Homo sapiens* It covers key stages like bipedalism brain growth tool use migration out of Africa agriculture and cultural evolution It also explores the origins of language and world religions highlighting how human societies and beliefs evolved over 130 000 years      *Buddhism in Japan* Yashpal,2008      *The Dao Companion to Japanese Buddhist Philosophy* Gereon Kopf,2019-06-03 The volume introduces the central themes in and the main figures of Japanese Buddhist philosophy It will have two sections one that discusses general topics relevant to Japanese Buddhist philosophy and one that reads the work of the main Japanese Buddhist philosophers in the context of comparative philosophy It combines basic information with cutting edge scholarship considering recent publications in Japanese Chinese English and other European languages As such it will be an invaluable tool for professors teaching courses in Asian and global philosophy undergraduate and graduate students as well as the people generally interested in philosophy and or Buddhism      **African Samurai** Thomas Lockley,Geoffrey Girard,2019-04-30 This biography of the first foreign born samurai and his journey from Africa to Japan is a readable compassionate account of an extraordinary life The Washington Post When Yasuke arrived in Japan in the late 1500s he had already traveled much of the known world Kidnapped as a child he had ended up a servant and bodyguard to the head of the Jesuits in Asia with whom he traversed India and China learning multiple languages as he went His arrival in Kyoto however literally caused a riot Most Japanese people had never seen an African man before and many of them saw him as the embodiment of the black skinned Buddha Among those who were drawn to his presence was Lord Nobunaga head of the most powerful clan in Japan who made Yasuke a samurai in his court Soon he was learning the traditions of Japan s martial arts and ascending the upper echelons of Japanese society In the four hundred years since Yasuke has been known in Japan largely as a legendary perhaps mythical figure Now *African Samurai* presents the never before told biography of this unique figure of the sixteenth century one whose travels between countries and cultures offers a new perspective on race in world history and a vivid portrait of life in medieval Japan Fast paced action packed writing A new and important biography and an incredibly moving study of medieval Japan and solid perspective on its unification Highly recommended Library Journal starred review Eminently readable a worthwhile and entertaining work Publishers Weekly A unique story of a unique man and yet someone with whom we can all identify Jack Weatherford New York Times bestselling author of *Genghis Khan*      *ORIGIN AND EVOLUTION OF WORLD RELIGION (Free Book) DARSHAN SINGH* Darshan Singh,2025-07-24 *ORIGIN AND EVOLUTION OF WORLD RELIGION* Free Book DARSHAN SINGH      **Encyclopedia of Religion** ,2005      *The Faces of Buddhism in America* Charles S. Prebish,Kenneth K. Tanaka,2023-11-15 Buddhism is the fastest growing religion in the

United States with adherents estimated in the several millions But what exactly defines a Buddhist This has been a much debated question in recent years particularly in regard to the religion s bifurcation into two camps the so called imported or ethnic Buddhism of Asian immigrants and the convert Buddhism of a mostly middle class liberal intellectual elite In this timely collection Charles S Prebish and Kenneth K Tanaka bring together some of the leading voices in Buddhist studies to examine the debates surrounding contemporary Buddhism s many faces The contributors investigate newly Americanized Asian traditions such as Tibetan Zen Nichiren Jodo Shinshu and Theravada Buddhism and the changes they undergo to meet the expectations of a Western culture desperate for spiritual guidance Race feminism homosexuality psychology environmentalism and notions of authority are some of the issues confronting Buddhism for the first time in its three thousand year history and are powerfully addressed here In recent years American Buddhism has been featured as a major story on ABC television news National Public Radio and in other national media A strong new Buddhist journalism is emerging in the United States and American Buddhism has made its way onto the Internet The faces of Buddhism in America are diverse active and growing and this book will be a valuable resource for anyone interested in understanding this vital religious movement Buddhism is the fastest growing religion in the United States with adherents estimated in the several millions But what exactly defines a Buddhist This has been a much debated question in recent years particularly in regard to the religion s bifurca

Students will learn who the Japanese are today and how the past has shaped their contemporary society An updated timeline appendices and glossary along with an illustrative bibliographical essay that includes both print and electronic sources round out this valuable reference tool

**Zen Terror in Prewar Japan** Brian Daizen Victoria, 2020-02-14 Written by a Zen priest this book explodes the myth of Zen Buddhism as a peaceful religion Can Buddhism widely regarded as a religion of peace also contribute to acts of terrorism Through an insider's view of right wing ultranationalism in prewar Japan this powerful book follows a band of Zen Buddhist trained adherents who ardently believed so Brian Victoria himself a Zen priest tells the story of a group of terrorists who were responsible for the assassination of three leading political and economic figures in 1932 Victoria provides a detailed introduction to the religious as well as political significance of the group's terrorist beliefs and acts focusing especially on the life and times of the band's leader Inoue Nissho A deeply troubled youth Inoue became a spy in Manchuria for the Japanese Army in 1909 where he encountered Zen for the first time When he returned to Japan in 1921 he determined to resolve his deep spiritual discontent through meditation practice which culminated in an enlightenment experience that resolved his long term doubts After engaging in post enlightenment training under the guidance of Rinzai Zen master Yamamoto Gempo Inoue began a program of training the patriotic youth who formed the nucleus of his terrorist band After the assassinations Inoue and his band were sentenced to life imprisonment only to be released just a few years later in 1940 Almost unbelievably Inoue then became the live in confidant of Prime Minister Konoe Fumimaro a position he held through the end of WWII In the postwar era Inoue reinvented himself again as the founder and head of yet another band of ultranationalists known as the National Protection Corps His eventful life came to an end in 1967 Victoria concludes with an assessment of the profound impact of the assassinations which culminated in Japan's transformation into a totalitarian state and set the stage for Pearl Harbor The author also examines the connection of Buddhism to terrorism more broadly considering the implications for today's Islamic related terrorism

**Felonies and Favors** United States. Congress. House. Committee on Government Reform, 2001

**Encyclopedic Handbook of Cults in America** J. Gordon Melton, 2014-05-22 Covers the history founders beliefs and literature of over five hundred nonconventional and alternative religious movements

World Religions Michael O'Neal, J. Sydney Jones, Neil Schlager, Jayne Weisblatt, 2007 Presents a guide to the major religions of the world

Presenting Japanese Buddhism to the West Judith Snodgrass, 2003-12-04 Japanese Buddhism was introduced to a wide Western audience when a delegation of Buddhist priests attended the World's Parliament of Religions part of the 1893 Columbian Exposition in Chicago In describing and analyzing this event Judith Snodgrass challenges the predominant view of Orientalism as a one way process by which Asian cultures are understood strictly through Western ideas Restoring agency to the Buddhists themselves she shows how they helped reformulate Buddhism as a modern world religion with specific appeal to the West while simultaneously reclaiming authority for the tradition within a rapidly changing Japan Snodgrass explains how the Buddhism

presented in Chicago was shaped by the institutional social and political imperatives of the Meiji Buddhist revival movement in Japan and was further determined by the Parliament itself which despite its rhetoric of fostering universal brotherhood and international goodwill was thoroughly permeated with confidence in the superiority of American Protestantism. Additionally in the context of Japan's intensive diplomatic campaign to renegotiate its treaties with Western nations the nature of Japanese religion was not simply a religious issue Snodgrass argues but an integral part of Japan's bid for acceptance by the international community.

The Enthralling World of Kindle Books: A Comprehensive Guide Revealing the Pros of Kindle Books: A World of Convenience and Flexibility E-book books, with their inherent mobility and simplicity of availability, have freed readers from the constraints of hardcopy books.
