George Mentz JD MBA

Nicholas Of Cusa Selected Spiritual Writings Classics Of Western Spirituality:

Selected Spiritual Writings Cardinal Nicholas (of Cusa), 1997 The present selection of the spiritual writings of Nicholas of Cusa in English translation will certainly contribute to the enhancement of the already considerable reputation he has as one of the most original thinkers of the fifteenth century and also to the diffusion of his name Germanic Spirituality and Rhineland Mysticism - The Spiritual Secrets of Europe George Mentz JD MBA, 2012-01-24 This masterpiece provides simple insights into where the ethics virtues and spirituality of Europe originated From Ancient Mesopotamia to the wisdom of Emperor Marcus Aurelius the mysticism of the Rhine was a fusion of the greatest teachings which was influenced by Oriental Hellenistic Hermetic Celtic Vedic and Gnostic spirituality of the East and the secret lodges of Europe Germanic Spirituality was profoundly affected by the Rhineland Mystics such as Meister Eckhart and others The book then explains how the renaissance in Central Europe passed the torch of spirituality and philosophy to the great secret lodges of Europe which brought it to the rest of the world This book is designed to allow the reader to go back into history and see where the virtues ethics and philosophy of modern mysticism comes from which has impacted anyone who studies spirituality philosophy and metaphysics today Nicholas of Cusa and His Age: Intellect and Spirituality Thomas M. Izbicki, Christopher M.

Bellitto, 2021-10-25 This volume commemorates the 6th centennial of the birth of Nicholas of Cusa 1401 1464 a Renaissance polymath whose interests included law politics metaphysics epistemology theology mysticism and relations between Christians and non Christian peoples The contributors to this volume reflect Cusanus multiple interests and by doing so they commemorate three deceased luminaries of the American Cusanus Society F Edward Cranz Thomas P McTighe and Charles Trinkaus Contributors include Christopher M Bellitto H Lawrence Bond Elizabeth Brient Louis Dupr Wilhelm Dupr Walter Andreas Euler Lawrence Hundersmarck Thomas M Izbicki Dennis D Martin Yelena Matusevich Bernard McGinn Clyde Lee Miller Thomas E Morrissey Brian A Pavlac and Morimichi Watanabe Publications by Charles Trinkaus Edited by C Trinkaus and H A Oberman The pursuit of holiness in late medieval and renaissance religion ISBN 978 90 04 03791 5 Out of print

Nicholas of Cusa - A Companion to his Life and his Times Morimichi Watanabe, Edited by Gerald Christianson, 2016-05-06 This work is a guide to the life thought and activities of Nicholas of Cusa 1401 1464 the great fifteenth century philosopher theologian jurist author of mystical and ecclesiastical treatises cardinal and reformer It is intended not only for advanced scholars but also for beginners and those simply curious about a man who has been called one of the greatest Germans of the fifteenth century and a medieval thinker for the modern age The book provides a series of detailed but readable essays on ideas persons and places a work developed over the course of nearly three decades First it contains articles on the important events and concepts that affected Cusanus philosophical religious intellectual and political Then it turns to his precursors and contemporaries both friendly and critical These include philosophers theologians politicians and canon lawyers And third the book follows the footsteps of the man from Kues and examines various sites where he lived studied or visited Because the

author has also visited many of these sites he can contribute personal observations to enliven the journey To add to the book's usefulness as a resource and reference tool each entry is followed by a bibliography containing both recent and older works The purpose of the volume is to gain a greater appreciation of Cusanus and his legacy by striving for a total view of his thought and experience instead of narrowly focusing on specific philosophical theological or intellectual ideas or certain periods of his activities in isolation from other facets of this compelling figure Seeking the God Beyond J. P.

Williams,2019-07-29 Apophatic theology or negative theology attempts to describe God the Divine Good by negation to speak only in terms of what may not be said about the perfect goodness that is God It is a way of coming to an understanding of who God is which has played a significant role across centuries of Christian tradition but is very often treated with suspicion by those engaging in theological study today This book seeks to introduce students to this oft misunderstood form of spirituality Beginning by placing apophatic spirituality within its biblical roots the book later considers the key pioneers of apophatic faith and a diverse range of thinkers including C S Lewis and Keats to inform us in our negative theological journey

A final section explores what difference a negative theological approach might make to our practice and our liturgy The Scandal of Sacramentality Brannon Hancock,2014-03-17 The sacrament par excellence the Eucharist has been upheld as the foundational sacrament of Christ's Body called Church yet it has confounded Christian thinking and practice throughout history Its symbolism points to the paradox of the incarnation death and resurrection of God in Jesus of Nazareth which St Paul describes as a stumbling block skandalon Yet the scandal of sacramentality not only illustrated by but enacted in the Eucharist has not been sufficiently accounted for in the ecclesiologies and sacramental theologies of the Christian tradition Despite what appears to be an increasingly post ecclesial world sacrament remains a persistent theme in contemporary culture often in places least expected Drawing upon the biblical image of the Word made flesh this interdisciplinary study examines the scandal of sacramentality along the twofold thematic of the scandal of language word and the scandal of the body flesh While sacred theology can think through this scandal only at significant risk to its own stability the fictional discourses of literature and the arts are free to explore this scandal in a manner that simultaneously augments and challenges traditional notions of sacrament and sacramentality and by extension what it means to describe the Church as a eucharistic community **Latino/a Theology and the Bible** Francisco Lozada Jr.,Fernando F. Segovia,2021-05-11 This book explores the use of the Bible among Latino a theologians today Latino a Theology emerged in the 1980s alongside a broad variety of contextual theological movements and discourses following the Latino a movement and the formation of Latino a Studies in the 1960s and 1970s While much work has been done on biblical interpretation in Latino a biblical criticism little can be found regarding interpretation in Latino a theological reflection To address this gap in the literature the contributors from various ecclesial affiliations and religious traditions examine the status and role of the Bible in Latino a Theology

An Introduction to Christian Mysticism Jason M. Baxter,2021-03-16 This brief accessibly written volume

introduces key figures texts and themes of the mystical tradition and shows how and why the mystics can speak to the church today Jason Baxter an expert educator and storyteller explains that the mystical tradition offers a more robust understanding of God than our current shallow conceptions Featuring engagement with primary sources and suitable for use in a variety of courses this book argues that the mystics have much to say to contemporary Christians searching for authentic modes of spirituality

A Companion to Paul in the Reformation R. Ward Holder, 2009-04-24 The reception and interpretation of the writings of St Paul in the early modern period forms the subject of this volume from late medieval Paulinism and the beginnings of humanist biblical scholarship and interpretation through the ways that theologians of various confessions considered Paul Beyond the ways that theological voices construed Paul several articles examine how Pauline texts impacted other areas of early modern life such as political thought the regulation of family life and the care of the poor Throughout the volume makes clear the importance of Paul for all of the confessions and denies the confessionalism of previous historiography The chapters written by experts in the field offer a critical overview of current research and introduce the major themes in Pauline interpretation in the Reformation and how they are being interpreted at the start of the 21st century

Honorable Mention Roland H Bainton Book Prize 2010 Category Reference Works

The Sermon on the Mount, the Twelve Steps, and the Royal Road Daniel Hazelwood, 2018-04-13 In *The Sermon on the Mount the Twelve Steps and the Royal Road* Dan Hazelwood presents a unique blend of early church Christianity and the twelve step recovering program that explains how the Christian experience changed over the last four hundred years and how the twelve step process reconnects a spiritually seeking person to a deeper Christ experience that many mainstream churches cannot duplicate In preparation for this journey into studying the sermon he takes the reader on a historical church odyssey and highlights significant philosophical church and secular events that not only affected Christian thought but also were significant in altering how current Christians view Christ He also demonstrates why early Christians viewed Christ differently By providing this background he prepares the reader to study the sermon in a manner the early church did while simultaneously demonstrating why the twelve steps represent a reconnection to an almost lost and forgotten Christ experience Complementing this journey is an exhaustive examination of biblical Greek so that the reader may gain a deeper understanding of the sermon in its original majestic splendor This challenging and thought provoking book unlocks the deeper meanings of many biblical passages and greatly enhances a spiritual seekers walk

Psychoanalysis and Religion in the 21st Century David M. Black, 2012-07-26 What can be gained from a dialogue between psychoanalysis and religion Freud described religion as the universal obsessional neurosis and uncompromisingly rejected it in favour of science Ever since there has been the assumption that psychoanalysts are hostile to religion Yet from the beginning individual analysts have questioned Freud s blanket rejection of religion In this book David Black brings together contributors from a wide range of schools and movements to discuss the issues They bring a fresh perspective to the subject of religion and psychoanalysis

answering vital questions such as How do religious stories carry or distort psychological truth How do religions work psychologically What is the nature of religious experience Are there parallels between psychoanalysis and particular religious traditions Psychoanalysis and Religion in the 21st Century will be of great interest to psychoanalysts psychoanalytic therapists psychodynamic counsellors and anyone interested in the issues surrounding psychoanalysis religion theology and spirituality

Emptiness David Arthur Auten, 2017-10-18 Emptiness is a strange phenomenon that haunts us in many ways Most of us have felt empty at one time or another though we don't often talk about it We have a sense that something is missing in life This absence extends beyond human experience to the physical world As contemporary science has revealed to us on both a macroscopic and subatomic level curiously the vast majority of the universe is composed mostly of nothing but empty space Emptiness is abundant and beckons for our attention Drawing on the Judeo-Christian wisdom of the Bible in conversation with Eastern and Celtic thought David Arthur Auten offers us an eye-opening and profoundly practical examination of the much neglected gift of absence Nothing ironically turns out to be endlessly fascinating and significant

Art and Mysticism Louise Nelstrop, Helen Appleton, 2018-06-12 From the visual and textual art of Anglo-Saxon England onwards images held a surprising power in the Western Christian tradition Not only did these artistic representations provide images through which to find God they also held mystical potential and likewise mystical writing from the early medieval period onwards is also filled with images of God that likewise refracts and reflects His glory This collection of essays introduces the currents of thought and practice that underpin this artistic engagement with Western Christian mysticism and explores the continued link between art and theology The book features contributions from an international panel of leading academics and is divided into four sections The first section offers theoretical and philosophical considerations of mystical aesthetics and the interplay between mysticism and art The final three sections investigate this interplay between the arts and mysticism from three key vantage points The purpose of the volume is to explore this rarely considered yet crucial interface between art and mysticism It is therefore an important and illuminating collection of scholarship that will appeal to scholars of theology and Christian mysticism as much as those who study literature the arts and art history

Refiguring Theological Hermeneutics M. Grau, 2014-12-17 Grau reconsiders the relationship between logos and mythos as a precondition to opening theological hermeneutics to discourse from other cultures and genres other modes of telling and retelling

The Lord's Prayer C. Clifton Black, 2018-12-04 C. Clifton Black provides a thorough analysis of the most famous prayer in the Christian church the Lord's Prayer He begins with an impressionist painting of how the ancients prayed during Jesus' time in order to set the context for understanding the prayer he taught his disciples Throughout the book Black systematically interprets the rich meanings of each part of the Lord's Prayer Additionally he includes an overview of Christian thought on the Lord's Prayer from early church mothers and fathers like Tertullian and Teresa of Avila to modern theologians like Karl Barth Uniquely this book is an academic study of the Lord's Prayer with a

focus on the rhetorical culture from which it developed as well as the theological literary and historical meanings of the prayer itself

Transforming Wisdom Felicity Kelcourse, K. Brynolf Lyon, 2015-10-09 Transforming Wisdom offers an extensive multidisciplinary introduction to pastoral psychotherapy from some of the most respected practitioners in the field With special attention to theological perspectives on the practice of psychotherapy this collection of essays will be useful to students seeking an orientation to the art and science of pastoral psychotherapy as well as to seasoned professionals looking to refresh and renew their practice As the subtitle Pastoral Psychotherapy in Theological Perspective suggests this book is intended to represent the field of pastoral psychotherapy as a mental health discipline that maintains intentional dialogue with its theological roots Even as pastoral psychotherapy has developed from the ancient notion of the cure of souls to the current search for a psychology of happiness therapists grounded in faith communities seek a practice that is respectful of all persons mindful of the deep wisdom that emanates from the true self or soul While many contributors write from a psychoanalytic or psychodynamic perspective grounded in Christian theological idioms diverse theoretical perspectives including Emotionally Focused Couples Therapy Narrative Therapy Buddhist Mindfulness and Jungian understanding of individuation are represented

Historical Dictionary of Medieval Philosophy and Theology Stephen F. Brown, Juan Carlos Flores, 2007-03-16 The Middle Ages is often viewed as a period of low intellectual achievement The name itself refers to the time between the high philosophical and literary accomplishments of the Greco Roman world and the technological advances that were achieved and philosophical and theological alternatives that were formulated in the modern world that followed However having produced such great philosophers as Anselm Peter Abelard John Duns Scotus William of Ockham Peter Lombard and the towering Thomas Aquinas it hardly seems fair to label the medieval period as such Examining the influence of ancient Greek philosophy as well as of the Arabian and Hebrew scholars who transmitted it the Historical Dictionary of Medieval Philosophy and Theology presents the philosophy of the Christian West from the 9th to the early 17th century This is accomplished through a chronology an introduction appendixes a bibliography and hundreds of cross referenced dictionary entries on the philosophers concepts issues institutions and events making this an important reference for the study of the progression of human thought

The A to Z of Medieval Philosophy and Theology Stephen F. Brown, Juan Carlos Flores, 2010-03-23 The Middle Ages is often viewed as a period of low intellectual achievement The name itself refers to the time between the high philosophical and literary accomplishments of the Greco Roman world and the technological advances that were achieved and philosophical and theological alternatives that were formulated in the modern world that followed However having produced such great philosophers as Anselm Peter Abelard John Duns Scotus William of Ockham Peter Lombard and the towering Thomas Aquinas it hardly seems fair to label the medieval period as such Examining the influence of ancient Greek philosophy as well as of the Arabian and Hebrew scholars who transmitted it The A to Z of Medieval Philosophy and Theology presents the philosophy of the Christian West from the 9th to the early 17th century This is

accomplished through a chronology an introduction appendixes a bibliography and hundreds of cross referenced dictionary entries on the philosophers concepts issues institutions and events making this an important reference for the study of the progression of human thought

Partakers of the Divine Jacob Holsinger Sherman,2014 An extended essay in contemplative philosophy the meeting of mystical and philosophical theology Partakers of the Divine shows that Christian philosophical and contemplative practices arose together and that throughout much of Christian history philosophy theology and contemplation remained internal to one another Further the relation of philosophy theology and contemplation to one another is of more than antiquarian interest for it provides theologians and philosophers of religion today with a way forward beyond many of the stalemates that have beset discussions about faith and reason

Challenging the Traditional Interpretations of Justification by Faith, Part 1 John A. Campbell,Tony H. Espinosa,Mitchell J. Kennard,Joel I. Oladele,John-Paul Petrash,Kerry S. Robichaux,2022-01-01 This volume is the first of a two part work that evaluates the teaching of justification by faith from the early church to modern times in light of the Scriptures and the ministry of Watchman Nee and Witness Lee Part 1 begins with a thorough presentation of the evaluative standard by which the authors will measure the teachings of the various Christian traditions Then following a historical overview of justification by faith in the major traditions they proceed to give a detailed assessment of the doctrine as taught in the patristic era in the medieval era and by Martin Luther at the inception of the Protestant Reformation The volume aims to point out the shortcomings and contributions of the first 1 500 years of the church s teaching on justification by faith and to offer a fresh understanding of this foundational truth of the Christian faith
