Nikkei Donburi A Japanese American Cultural Survival Guide:

Nikkei Donburi Chris Aihara, 1999 Presents cultural information stories activities and resources related to the Japanese American experience Encyclopedia of American Folklore Linda Watts, 2020-07-01 Folklore has been described as the unwritten literature of a culture its songs stories sayings games rituals beliefs and ways of life Encyclopedia of American Folklore helps readers explore topics terms themes figures and issues related to this popular subject This comprehensive reference guide addresses the needs of multiple audiences including high school college and public libraries archive and museum collections storytellers and independent researchers Its content and organization correspond to the ways educators integrate folklore within literacy and wider learning objectives for language arts and cultural studies at the secondary level This well rounded resource connects United States folk forms with their cultural origin historical context and social function Appendixes include a bibliography a category index and a discussion of starting points for researching American folklore References and bibliographic material throughout the text highlight recently published and commonly available materials for further study Coverage includes Folk heroes and legendary figures including Paul Bunyan and Yankee Doodle Fables fairy tales and myths often featured in American folklore including Little Red Riding Hood and The Princess and the Pea American authors who have added to or modified folklore traditions including Washington Irving Historical events that gave rise to folklore including the civil rights movement and the Revolutionary War Terms in folklore studies such as fieldwork and the folklife movement Holidays and observances such as Christmas and Kwanzaa Topics related to folklore in everyday life such as sports folklore and courtship dating folklore Folklore related to cultural groups such as Appalachian folklore and African American folklore and more *Understanding Diversity Through Novels and Picture Books* Liz Knowles, Martha Smith, 2007-05-30 Understanding Diversity Through Novels and Picture Books goes beyond the usual multicultural lists and looks at the wide expanse of the diversity of cultures and lifestyles impacting children s lives in America today and identifies good books to have in library collections for them to read Included are annotated titles with discussion questions from all of the identified cultures and subcultures and annotated teacher librarian resources print and Web based as well as an excellent list of topical annotated journal articles Grades 4 8 Knowles and Smith examine current research on diversity and multiculturalism They move away from the traditional aspects of multicultural education food fashion folktales festivals and famous people to a focus on novels and pictures books and realistic fiction to show children with diversity issues that there are others in similar positions The issue of authenticity whether the author of the book should be of that culture or merely familiar with the culture is discussed Topics include Ethnicities Asian Latino Hispanic African Black Native American White European Bi Multiracial Exceptionalities Ageism Socioeconomic Status Sexual Orientation Gender and Religion The authors provide this valuable resource for libraries schools and communities that wish to utilize literature to help diverse students walk in the shoes of others and to match books to children and young adults to heighten understanding and acceptance

Grades 4 8 Encyclopedia of American Folklore Linda S. Watts, 2007 Encyclopedia of American Folklore helps readers explore the topics terms themes figures and issues related to the folklore of the United States American Book Publishing Record Cumulative 1998 R R Bowker Publishing, 1999-03 Forthcoming Books Rose Arny, 1998 Children's Books in Print R R Bowker Publishing, Bowker, 1999-12 **Children's Books in Print, 2007**, 2006 Being Japanese American Gil Asakawa, 2015 A celebration of JA culture facts recipes songs words and memories that every JA will want to share

Nikkei Connections, 2021 *Nikkei in the Pacific Northwest* Louis Fiset, Gail M. Nomura, 2011-10-01 Challenging the notion that Nikkei individuals before and during World War II were helpless pawns manipulated by forces beyond their control the diverse essays in this rich collection focus on the theme of resistance within Japanese American and Japanese Canadian communities to twentieth century political cultural and legal discrimination They illustrate how Nikkei groups were mobilized to fight discrimination through assertive legal challenges community participation skillful print publicity and political and economic organization Comprised of all new and original research this is the first anthology to highlight the contributions and histories of Nikkei within the entire Pacific Northwest including British Columbia *CultureShock!* P. Sean Bramble, 2008 Information and background for travelers and expatriates includes a brief history and description of the country along with facts about the food language culture and pastimes to help the shocked function in society business and residence **Culture Shock! Japan** P. Sean Bramble, 2005-11 Whether you are conducting business traveling for pleasure or even relocating abroad one mistake with customs or etiquette can leave a bad taste in everyone's mouth International travelers now more than ever are not just individuals from the United States but ambassadors and impression makers for the country as a whole Newly updated redesigned and resized for maximum shelf appeal for travelers of all ages Culture Shock country and city guides make up the most complete reference series for customs and etiquette you can find These are not just travel guides these are guides for a way of life Japan: A Guide to Traditions, Customs and Etiquette Boye Lafayette De Mente, 2018-03-06 In Japan the process of accomplishing a goal is just as significant if not more significant than the actual result a notable contrast to the West De Mente defines kata as the way things are supposed to be done and he educates readers on how the concept has shaped Japan throughout its history and the present Japan A Guide to Traditions Customs and Etiquette is really an exploration of the Japanese psyche JQ Magazine **Culture Shock!** P. Sean Bramble, 2004

Japan-Think, Ameri-Think Robert J. Collins, 1992-02-01 This enlightening and vastly entertaining book by a long time American resident of Japan reveals everything you need to know about a culture that often seems baffling if not downright impenetrable Collins explores business etiquette eating lovemaking child rearing retirement and more **Culture Shock!**. Rex Shelley, 1993 **Encyclopedia of Japanese Descendants in the Americas** Akemi Kikumura-Yano, 2002 The Encyclopedia is the first comprehensive guide to the history of Japanese immigrants in the western hemisphere It is the story of the Nikkei people of Japanese descent and their descendants from early immigration to the present as they settled in the

countries of Argentina Bolivia Brazil Canada Chile Mexico Paraguay Peru and the United States Each chapter provides four primary areas of information an historical overview a bibliographic essay an annotated bibliography and supplementary materials including demographic data and rare historical photographs Noted scholars Gary Okihiro and Eiichiro Azuma provide key introductory essays on the historical context of Japanese migration from 1868 to the present It is a valuable resource and fascinating multi faceted portrait of Japanese Americans for many audiences researchers and all people of Japanese and Asian descent The Foreword is by United States Senator Daniel K Inouye *Nikkei in the Interior West* Eric Walz,2016-05-26 Eric Walz s *Nikkei in the Interior West* tells the story of more than twelve thousand Japanese immigrants who settled in the interior West Arizona Colorado Idaho Nebraska and Utah They came inland not as fugitives forced to relocate after Pearl Harbor but arrived decades before World War II as workers searching for a job or as picture brides looking to join husbands they had never met Despite being isolated from their native country and the support of larger settlements on the West Coast these immigrants formed ethnic associations language schools and religious institutions They also experienced persecution and discrimination during World War II in dramatically different ways than the often studied immigrants living along the Pacific Coast Even though they struggled with discrimination these interior communities grew both in size and in permanence to become an integral part of the American West Using oral histories journal entries newspaper accounts organization records and local histories *Nikkei in the Interior West* explores the conditions in Japan that led to emigration the immigration process the factors that drew immigrants to the interior the cultural negotiation that led to ethnic development and the effects of World War II Examining not only the formation and impact of these Japanese communities but also their interaction with others in the region Walz demonstrates how these communities connect with the broader Japanese diaspora *Distant Islands* Daniel H. Inouye,2018-11-15 *Distant Islands* is a modern narrative history of the Japanese American community in New York City between America s centennial year and the Great Depression of the 1930s Often overshadowed in historical literature by the Japanese diaspora on the West Coast this community which dates back to the 1870s has its own fascinating history The New York Japanese American community was a composite of several micro communities divided along status class geographic and religious lines Using a wealth of primary sources oral histories memoirs newspapers government documents photographs and more Daniel H Inouye tells the stories of the business and professional elites mid sized merchants small business owners working class families menial laborers and students that made up these communities The book presents new knowledge about the history of Japanese immigrants in the United States and makes a novel and persuasive argument about the primacy of class and status stratification and relatively weak ethnic cohesion and solidarity in New York City compared to the pervading understanding of nikkei on the West Coast While a few prior studies have identified social stratification in other nikkei communities this book presents the first full exploration of the subject and additionally draws parallels to divisions in German American communities *Distant Islands* is a unique and

nuanced historical account of an American ethnic community that reveals the common humanity of pioneering Japanese New Yorkers despite diverse socioeconomic backgrounds and life stories It will be of interest to general readers students and scholars interested in Asian American studies immigration and ethnic studies sociology and history Winner Honorable Mention 2018 Immigration and Ethnic History Society First Book Award

The Enigmatic Realm of **Nikkei Donburi A Japanese American Cultural Survival Guide**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
