Nine, Ten: A September 11 Story Nora Raleigh Baskin, 2016-06-28 Ask anyone September 11 2001 was serene and lovely a perfect day until a plane struck the World Trade Center *Nine, Ten: A September 11 Story* Nora Raleigh Baskin, 2017-05-16 Includes a reading group guide with discussion questions *Nine, Ten* Nora Raleigh Baskin, 2017-05-16 Relates how the lives of four children living in different parts of the country intersect and are affected by the events of September 11 2001 ***Nine, Ten*** Nora Raleigh Baskin, 2017 Relates how the lives of four children living in different parts of the country intersect and are affected by the events of September 11 2001 *September 11 and Terrorism in America* Tamra B. Orr, 2017-08-01 This book relays the factual details of September 11 through three different perspectives The narrative provides multiple accounts of the event and readers learn details through the point of view of a New York Muslim student NYFD firefighter and Midwestern student The text offers opportunities to compare and contrast various perspectives while gathering and analyzing information about a modern event Content focuses on point of view and encourages readers to understand how background and experience can lead to differing views **Talking Texts** Lesley Roessing, 2019-06-18 Talking Texts is a guide for teachers to the steps and strategies of implementing text clubs in many forms fiction and nonfiction book clubs textbook clubs article clubs and even poetry clubs in the classroom All strategies presented are applicable to any discipline so that text clubs can be employed across the curriculum in any grade level **9/11: The Attacks on the World Trade Center and the Pentagon** Tim McNeese, 2021-09-01 On the morning of September 11 2001 19 terrorists hijacked four commercial aircraft and crashed two of them into the North and South Towers of the World Trade Center complex in New York City A third plane crashed into the Pentagon in Arlington Virginia After learning about the other attacks passengers on the fourth hijacked plane Flight 93 fought back and the plane was crashed into an empty field in western Pennsylvania about 20 minutes by air from Washington D C The Twin Towers ultimately collapsed due to the damage from the impacts and subsequent fires Nearly 3 000 people were killed from 93 different countries It was the worst attack on American soil since the Japanese attacked Pearl Harbor in 1941 A detailed account of these events plus the history that led up to them and America's response can be found in **9/11 The Attacks on the World Trade Center and the Pentagon** **The Influence of the 9/11 novel on Muslim Writing** Matthias Dickert, 2017-10-11 Scientific Essay from the year 2017 in the subject Didactics for the subject English Literature Works Johannes Gutenberg University Mainz language English abstract Since 9/11 many Muslims struggle with their identity and are exposed to xenophobia violence vicious defamation harassment or displacement In short the notion Muslim in relation to that day has become a stigma It is against this background and the post traumatic aftermath of September 11 2001 where many novelists disposing of a Muslim background wrote their novels The logical consequence from this was that Muslim writing as such has become more complex stressing the standpoints of hearer and teller as elements of distortion Interesting though is the fact that some novels dealing with Islam and Muslim

characters have taken up and used the Oriental stereotypes where Muslims are according to Said seen as either oil suppliers or potential terrorists For a long time Muslim characters in literature have been connected to this negative image which Said also labels as other and Spivak as subaltern The hybrid in which many Muslim characters are often set is also still equated with the exotic thus ignoring the energy of Bhabha's term and its positive realizations in fiction It is therefore one aim of this essay to throw light on this matter and to shortly reflect the present influence of 9/11 on Muslim writing
