*Nineteenth-century Europe* Michael Rapport, 2005      **Women in Nineteenth-Century Europe** Rachel Fuchs, Victoria E. Thompson, 2004-11-21 During the nineteenth century European women of all countries and social classes experienced dramatic and enduring changes in their familial working and political lives However the history of women at this time is not one of unmitigated progress theirs was an uphill struggle fraught with hindrances hard work and economic downturns and the increasing intrusion of the public into their innermost private and personal lives Breaking away from traditional categories Rachel G Fuchs and Victoria E Thompson provide a sense of the variety and complexity of women s lives across national and regional boundaries juxtaposing the experiences of women with the perceptions of their lives Three themes unite this study The tension between tradition and modernity The changing relationship between the community and individual The shifting boundaries between public and private Dealing with individual women s lives within a large social and cultural context Fuchs and Thompson demonstrate how strong and courageous women refused to live within the prescribed domestic roles and how many became the modern women of the twentieth century      **The Nineteenth Century** T. C. W. Blanning, 2000 In the 19th century Europe changed more rapidly and radically than during any prior period These chapters offer an approach to understanding one of the most complex periods of modern history addressing all the major issues

**Women in Nineteenth-Century Europe** Rachel G. Fuchs, Victoria E. Thompson, 2005 During the nineteenth century European women experienced dramatic and enduring changes in their familial working and political lives Breaking away from traditional categories the authors of this book provide a sense of the variety and complexity of women s lives across national and regional boundaries juxtaposing the experiences of women with their perceptions of their lives Three themes unite this study the tension between tradition and modernity the changing relationship between the community and individual and the shifting boundaries between public and private      **Nineteenth-Century European Pilgrimages** Antón M. Pazos, 2020-03-09 During the Nineteenth Century a major revival in religious pilgrimage took place across Europe This phenomenon was largely started by the rediscovery of several holy burial places such as Assisi Milano Venice Rome and Santiago de Compostela and subsequently developed into the formation of new holy sites that could be visited and interacted with in a wholly Modern way This uniquely wide ranging collection sets out the historic context of the formation of contemporary European pilgrimage in order to better understand its role in religious expression today Looking at both Western Catholic and Eastern Orthodox Europe an international panel of contributors analyse the revival of some major Christian shrines cults and pilgrimages that happened after the rediscovery of ancient holy burial sites or the constitution of new shrines in locations claiming apparitions of the Virgin Mary They also shed new light on the origin and development of new sanctuaries and pilgrimages in France and the Holy Land during the Nineteenth Century which led to fresh ways of understanding the pilgrimage experience and had a profound effect on religion across Europe This collection offers a

renewed overview of the development of Modern European pilgrimage that used intensively the new techniques of organisation and travel implemented in the Nineteenth Century As such it will appeal to scholars of Religious Studies Pilgrimage and Religious History as well as Anthropology Art Cultural Studies and Sociology Handbook of Religious Culture in Nineteenth-Century Europe Anthony Steinhoff, Jeffrey Zalar, 2024-12-30 This handbook offers a guide to research on religious culture during Europe's long nineteenth century 1800-1914 Grounded in the latest theoretical approaches and in line with trends that have produced a religious turn in the study of modern Europe the volume assesses the state of the field while making provocative recommendations for its enlargement Unique and ambitious in its thematic breadth it addresses the histories of all five of Europe's main religious traditions Eastern Orthodox Christianity Judaism Islam Protestantism and Roman Catholicism and brings these histories into comparative analysis This analysis extends to a wide range of subjects from popular belief and practice education and modern knowledge formation and the arts to the intersections between religion and urbanization civil society and politics and missions and imperialism It also evaluates recent developments in work on religion vis vis both gender and nationalism while calling attention to newer research that proposes secularism as a form of belief in its own right Presenting the scholarship of eighteen leaders in their respective fields the volume explains why religion as a topic of research has moved from the periphery to the center of modern European historiography

**History of Europe in the Nineteenth Century** Benedetto Croce, 1934 **A Brief Political and Geographic History of Europe (Where Are Prussia, Gaul, and the Holy Roman Empire?)** Frances E. Davey, 2010-12-23 Prussia Gaul The Holy Roman Empire These places played a crucial role in the development of Western Europe But where were they and what happened to them The borders of countries and territories shifted over time as kings and queens prime ministers and farmers demanded political religious and economic change Greedy dictators and emperors grabbed as much land as they could Peasants and revolutionaries wanted to secure a better future for themselves and their families Open this book and explore exciting places and times through pictures maps and stories Meet Julius Caesar and Marie Antoinette root for the British or the French at the Battle of Trafalgar and take a peek behind the Iron Curtain Wander through modern day Europe crossing borders and spending euros Lose yourself in a world gone by and wonder at the complex place Western Europe is today

**Popular Agency and Politicisation in Nineteenth-Century Europe** Diego Palacios Cerezales, Oriol Luján, 2022-11-22 This book provides an entry point to the most cutting edge lines of research on popular political mobilisation in Europe It brings together leading scholars from Germany France Britain the Netherlands and Spain The chapters explore the connected dimensions of popular participation within different countries and across borders covering the topics of iconoclasm popular acclamations street politics associations petitions and electoral agitation Focusing on the role of disenfranchised citizens and women this collection broadens the themes of traditional political historical research that has identified political participation with the right to vote and struggles for political inclusion and brings a wide array of formal

and informal political practices to the centre of nineteenth century European life A must read for scholars undergraduates and graduate students wishing to explore multiple dimensions of the history of political engagement and politicisation

*Travelling Notions of Culture in Early Nineteenth-Century Europe* Hannu Salmi,Asko Nivala,Jukka Sarjala,2015-10-23 The notions of culture and civilization are at the heart of European self image This book focuses on how space and spatiality contributed to defining the concepts of culture and civilization and conversely what kind of spatial ramifications culture and civilization entailed These questions have vital importance to the understanding of this formative period of modern Europe The chapters of this volume concentrate on the following themes What were the sites of culture civilization and Bildung and how were these sites employed in defining these concepts What kind of borders did this process of definition and its inherent spatial imagination produce What were the connecting routes between the supposed centers and peripheries What were the strategies of envisioning negotiating and transforming cultural territories in early nineteenth century Europe This book adds new perspectives on ways of approaching spatiality in history by investigating for example the decisive role of the French revolution the persistent interest in classical civilization and its sites emerging urbanism and the culture of the cities the changing constellations between centers and peripheries and the colonial extensions or transfigurations of culture It also pays attention to the spatiality of culture as a metaphor but simultaneously emphasizes the production of space in an era of technological innovation and change

*World and Its Peoples* ,2010 Presents a thirteen volume reference guide to the geography history economy government culture and daily life of countries in Europe

**Portugal and Spain** Lara Anderson,Rachel Bean,Helen Doe,2010      **Women in European Culture and Society** Deborah Simonton,2017-09-19 Women in European Culture and Society A Sourcebook includes a range of transnational sources which encompass the history of women in Europe from the beginning of the eighteenth century right up to the present day Including documents from across Europe from France and Germany to Estonia Spain and Russia organized in a broad chronological spread the diversity of the sources included in the book is unique including many never translated into

English before Deborah Simonton offers detailed interpretive introductions that analyse and contextualize the sources A central feature is its exploration of how women operated within gendered worlds and used their skills and abilities to shape and claim their own identities and to engage with how they contributed as practitioners to shaping European culture and society With over 200 sources the book allows us to hear women's voices as they articulate their understandings of their worlds and helps capture a sense of women's motivations options and choices as they understood them allowing readers to focus on either a period or a theme and providing a comparative resource Ideal for use on its own or as a companion volume to Simonton's other major work *Women in European Culture and Society Gender Skill and Identity since 1700* this sourcebook is an invaluable collection offering vivid first hand accounts of women's lives [The European Illustrated Press and the Emergence of a Transnational Visual Culture of the News, 1842-1870](#) Thomas Smits, 2019-12-05 This book looks at the roots of a global visual news culture the trade in illustrations of the news between European illustrated newspapers in the mid nineteenth century In the age of nationalism we might suspect these publications to be filled with nationally produced content supporting a national imagined community However the large scale transnational trade in illustrations which this book uncovers points out that nineteenth century news consumers already looked at the same world By exchanging images European illustrated newspapers provided them with a shared transnational experience **An Intellectual History of Liberal Catholicism in Western Europe, 1789-1870** Aude Attuel-Hallade, 2024-01-25 This volume probes and deciphers the tensions and contradictions that underlie modern European Liberal Catholicism Beginning with the French revolution and looking at dialogues between European public moralists the book discusses the ways in which liberal Catholics loosened their bonds with religion all the while relying on it It reflects on how and why they promoted a post revolutionary state and society based on religious dogma and morality and what new liberal order and socio political and religious models they proposed Beyond the analysis of the work of these Catholic intellectuals the question of their conceiving a specific liberal approach through Catholicism is also investigated More generally it prompts a vital reappraisal of the political ideological and philosophical pressures that the religious question caused in the redefinition of Western European post revolutionary liberalism [Political Friendship](#) Michael Weaver, 2024-02-02 Between periods of revolution state repression and war across Central and Western Europe from the 1840s through the 1860s German liberals practiced politics beyond the more well defined realms of voluntary associations state legislatures and burgeoning political parties Political Friendship approaches 19th century German history's trajectory to unification through the lens of academics journalists and artists who formed close personal relationships with one another and with powerful state leaders Michael Weaver argues that German liberals thought with their friends by demonstrating the previously neglected aspects of political friendship were central to German political culture **Vico, Hegel and the Making of Modern Italy** Alessandro De Arcangelis, 2025-06-26 Embracing a transnational approach to 19th century Italian intellectual history this book examines the

encounter and amalgamation of local and foreign philosophical traditions chiefly represented by the thought of Giambattista Vico and Georg Wilhelm Friedrich Hegel showcasing their contribution to shaping a historical mindset that guided and legitimised Italians experiences of political change Taking a revisionist stance the author challenges the prevailing view that Italian thinkers passively adopted foreign ideas Instead they engaged critically with them questioning their conceptual foundations and applicability to Italy s political landscape Vico Hegel and the Making of Modern Italy reveals that Italian intellectuals sought cultural and political renewal at both local and European levels not through assimilation but through steadfast allegiance to a local strand of political thought inspired by Vico s humanist historicism The book ultimately explores how philosophical thought empowered Italian intellectuals to navigate the uncertainties drama and energy of the Risorgimento underscoring the enduring significance of philosophical knowledge in shaping Italy s political trajectory

The Heirs to the Savoia Throne and the Construction of 'Italianità', 1860-1900 Maria Christina Marchi, 2022-05-26 This book explores the evolution of the role of the heirs to the throne of Italy between 1860 and 1900 It focuses on the future kings Umberto I 1844 1900 and Vittorio Emanuele III 1869 1947 and their respective spouses Margherita of Savoia 1851 1926 and Elena of Montenegro 1873 1952 It sheds light on the soft power the Italian royals were attempting to generate by identifying and examining four specific areas of monarchical activity firstly the heirs public role and the manner in which they attempted to craft an Italian identity through a process of self presentation secondly the national royal linguistic and military education of the heirs thirdly the promotion of a family centred dynasty deploying both male and female elements in the public realm and finally the readiness to embrace different modes of mobility in the construction of italianit By analysing the growing importance of the royal heirs and their performance on the public stage in post Risorgimento Italy this study investigates the attempted construction of a cohesive national identity through the crown and more specifically the heirs to the throne
