world and threaten to plunge us into an authoritarian nightmare To fully understand these strange and dangerous times Jared Yates Sexton takes a hard look at our nation s history namely the abuses committed by those in power and the comforting stories that shaped the way the West has viewed itself up to the present As reactionaries and authoritarians cling to myths about Western civilization The Midnight Kingdom exposes how political power religious indoctrination and economic dominance have been repeatedly weaponized to oppress and exploit sounding an alarm for what lies ahead as the current order frays Beginning with the Roman Empire and racing through centuries of colonization war genocide and the recurring clashes of progress and regression Sexton finds our modern world at a crossroads In an echo of past crises we have arrived at a time of historic inequality and a fading trust in our institutions Meanwhile authoritarianism is gaining momentum and the progress of the twentieth century is being rolled back at dizzying speed This catastrophic moment holds terrible potential for a return to a totalitarian past or potentially a better realer more human future The difference depends on a true reckoning with our history and the larger forces at play or hiding behind this disastrous fantasy of Western superiority Bracing and compulsively readable The Midnight Kingdom takes a critical look at the forces that have shaped human civilization for centuries and invites us to seek a radically different future      **A Firestorm in Paradise** Rana

Ronan James Cassidy,2023-09-08 THE REDEMPTION SERIES 100 years after Margaret Anne transformed an American family comes the profound 4 part finale to the Calhoun saga BOOK THREE Reckoning Sacrifice birthed the unsettled world of Margaret Anne Now only surrender can pave the way for closure As Matthew s harrowing and highly anticipated journey to deliver the Spanish Cross into the hands of his estranged son reaches its climactic conclusion the one who has been ordained to fulfill the ancient promise of the often maligned and unjustly persecuted Miss Margaret Anne Basseterre is revealed Reckoning portrays the troubled life of Matthew s son David Michael Sonneman From his tragic and destitute beginnings which are sparingly revealed in Angel Ascending the story of David s life including the true nature of his trials and tribulations and his sacred mission is brought into focus in this scintillating and thought provoking third book of the Redemption Series When David ultimately discovers that his earthly salvation from that darkened basement in Baltimore was

something far different than what he had always supposed he is forced to reconsider his lifelong desire to avenge those wrongs that were served upon him at least those wrongs that he understood as a young child He must decide between his developing faith which accompanies his hope for a better tomorrow and those deeply entrenched desires to put an end to those responsible for the worst of his childhood afflictions when the true story of his life is made known to him Reckoning is the fascinating continuation of the Redemption series uncovering the next intricate layer to the Margaret Anne saga of fate faith reckoning and mercy

**Rowdy Carousals** J. Chris Westgate, 2024-07-01 Rowdy Carousals makes important interventions in nineteenth century theatre history with regard to the Bowery Boy a raucous white urban character most famously exemplified by Mose from *A Glance at New York* in 1848 Theatrical representations of the Bowery Boy emphasized the privileges of whiteness against nonwhite workers including enslaved and free African Americans during the Antebellum Period an articulation of white superiority that continued through the early twentieth century with Jewish Italian and Chinese immigrants The book's examination of working class whiteness on stage in the theatre and in print culture invites theatre historians and critics to check the impulse to downplay or ignore questions about race and ethnicity in discussion of the Bowery Boy J Chris Westgate further explores links between the Bowery Boy's rowdyism in the nineteenth century and the resurgence of white supremacy in the early twenty first century
